God Divided the Nations Noah W. Hutchings, 1998 Race, Color, and Religion Matter Carl L. Sweat Jr. D.Min M.Div MS BS, 2008-12-08 The secret things belong to the Lord our God but the things revealed belong to us and to our children forever that we may follow all the words of this law Deuteronomy 29 29 NIV As we ponder the question Do race color and religion matter we find that the initial response of many is No If in fact the reader accepts that everything the Creator has made was good then one can acknowledge without reservation that race color and religion have a beneficial existence If the reader can recognize that there is a plan and purpose for all things then without exception one must admit that race color and religion have a purpose on this earth and are ideal instruments of God Race color and religion are deeply intertwined within the life of mankind as well as with the Creator They exist as gifts dispersed among humanity for the purpose of diversified beautification They were destined by the Creator to be used in the fulfillment of His plan for the population of the earth and His plan of salvation Race color and religion serve as indicators of chronological time and are useful in the study of eschatology They serve as indicators of the three phases of human development the Physical Phase the Spiritual Phase and the Intellectual Phase They are also preordained factors of life for various reasons Some of these reasons have been revealed to humanity the others may not be known until the return of Christ If you are a person who believes that these three factors do not matter you must read this book If you are a person who believes the Christian Bible can be studied without consideration for race color and religion your understanding of the Holy Scriptures is both incomprehensive and inconclusive Through this book your eyes will be opened to a new awareness of the glorious and magnificent works the Creator has done and is doing This book provides a better understanding of the proclamations declared throughout biblical history Also you will be presented with an anthological survey designed to enhance the study of the Christian Bible with a focused consciousness of the topic Let this book serve as a sobering experience and a lesson that race color and religion truly matter

On Being in the Middle W. J. de Kock, 2024-04-11 In our world there's a lack of clear middle ground It's a divided place with political affiliations drawing lines between the left and the right Being in the middle is challenging our allegiances are pulled in different directions making it isolating and overwhelming to navigate life's

complexities But we live from the middle between birth and death between events important dates and between stability and change In this uncertain space we face existential questions about identity the meaning of life our purpose and our place in the world This is the domain of theology Traditionally theology attempts to answer these questions from the top down declaring dogmas as absolute truths to remove the uncertainties However unexamined answers can become oppressive stifling vitality and can even become tyrannical answers of the left or the right This book suggests a different approach doing theology from the inside out and from the bottom up starting with sacred questions instead of rehearsed answers We don't expect that the answers we come to will be final However we expect to find God in the middle Theology is the practice of the presence of God where we integrate our love and knowledge of God to live wisely in a divided world *Preaching to a Divided Nation* Matthew D. Kim, Paul A. Hoffman, 2022-08-09 We live in angry times No matter where we go what we watch or how we communicate our culture is rife with division and polarization Unfortunately Christians appear to be caught up in the same animosity as the culture at large While our faith calls us to Christian unity the hard fact remains our churches are tragically divided across class ethnic gender and political lines As these social chasms grow both inside and outside the church the role of the preacher becomes paramount This book issues a prophetic call to pastors to use the influence of their pulpits to promote reconciliation and unity in their churches and communities Two scholar practitioners who are experts in homiletics and reconciliation present a practical 7 step model that empowers faithful leaders to bring healing and peace to their fractured churches and world The book includes questions for reflection salient illustrations and an accountability covenant It also includes useful appendixes on preaching themes preaching texts and sample sermons from three leading preachers Ralph Douglas West Rich Villodas and Sandra Maria Van Opstal

Kingdom Nuggets Allen Wooten, 2011-12-23 Matt 13 44 The kingdom of heaven is like treasure hidden in a field When a man found it he hid it again and then in his joy went and sold all he had and bought that field The Bible is the treasure map to discovering the redeposited Kingdom of God on Earth through Jesus Christ We can spend a lifetime exploring the deeper labyrinths of God's Word as we mine the nuggets necessary to live life abundantly But just like the worker in the field it will cost us everything to pursue it Kingdom Nuggets For Mind Renewal is a devotion style book designed for just that purpose to mine deeper truths from God's Word which when applied can help us fulfill our combined temporal and eternal purpose Join me on an expedition more far reaching than a Sunday morning pew or a weekly checklist of religious disciplines It's truths like those found inside this book that can help renew your mind and truly set you free Are you hungry for all that the Kingdom has for you Then let's dig in together

National Encampment of the United Spanish War Veterans* United Spanish War Veterans,1930 The Covenant of Salt Bishop M. Lester Dighton,2018-02-23 Most people in church have never even heard of the covenant of salt in any of their Bible teachings or studies let alone have any understanding of what it could mean to them today They do not know if it is something that is no longer applicable to any of us today even for the Jews or if it is still relevant to us today even as Christians Bishop Lester takes a concise look at the various aspects of salt and how it relates to us in our covenant with God and opens up on what it can mean to our Christian walk today and in our approach to our Bible studies This is a larger print study that should make it easier for all who undertake it *Charting the Supernatural Judgements of Planet Earth* Jerimiah Asher,2010-08-10 Chapter 3 The First Judgment The World Prior To Adam There may have been many judgments upon the earth since its beginning millions or billions of years ago however the present commentary will deal only with the last tens of thousands of years of earth's existence In Genesis 1:2 the verses written by Moses as author of the Genesis account portray an earth that was veiled in darkness so that its form could not be discerned The earth at that time was covered with water ice high above the mountain tops so that it gave the appearance of being a dark revolving sphere of frozen water Table 2 God's spirit is described as hovering over this revolving ball of water and brooding over the sad condition of this dark void planet God did not create a dark and dismal planet at the beginning because God does not create darkness in fact darkness is incompatible with His existence and presence So what had happened that God viewed Gen 1:2 such a decrepit state of the world Does scripture attempt to explain this phenomenon or does the inspired word of God remain silent on this issue It was first proposed as a theory by the Scotsman Thomas Chalmers in the early 19th century that a gap in time existed between Genesis 1:1 and Genesis 1:2 This gap in time would encompass a ruin reconstruction theme and the existence of pre Adamic living beings Obviously a huge catastrophic event would have had to occur to produce this decadent state of the world The gap concept was later popularized by mention in the margin notes of the Scofield Reference Bible *Hope for the Nations* Tom Holland,2019-02-15 I commend this well researched and well written book Congratulations to Dr Tom Holland and the publisher for this valuable and timely contribution on Romans Michael A Milton PhD Presbyterian minister Chancellor and CEO and the James M Baird Jr Chair of Pastoral Theology Reformed Theological Seminary Tom's commentary invites readers to break away from fixed ideas and journey to new places It is informed scholarly rich in exegetical insights yet easy to understand Utilizing historical and contextual hermeneutics Tom argues for a reading of Romans that is tied to the Old Testament Scriptures rooted in Isaiah is Christ centered and communally focused I highly recommend it for pilgrims seeking to know God more Lawson Murray President Scripture Union Canada 1885 Clement Road Pickering Ontario Tom Holland's study demonstrates how a deeper understanding of the Old Testament and particularly of its prophesied new exodus can

illumine Paul's theology of the person and work of Christ in profound ways Here one will find scholarship that is not only solid but faithful thorough and yet accessible in short scholarship in service of the church L Michael Morales PhD Professor of Biblical Studies Greenville Presbyterian Theological Seminary Tom Holland is Senior Research Fellow in Biblical Studies at the Wales Evangelical School of Theology He has a DipTh from Cambridge a BD from London and a PhD from the University of Wales Before entering academia he founded and pastored two churches in Hertfordshire England He has written several international acclaimed books on the Bible and teaches and preaches in Universities seminaries and churches around the world He is married to Barbara and they have three daughters and five grandchildren *Baptism* Peter J.

Leithart, 2021-03-24 You've been baptized But do you understand what it means Baptism is the doorway into membership in the church It's a public declaration of the washing away of our sin and the beginning of our new life in Christ But the sacrament that is meant to unite us is often a spring of division instead All Christians use water to baptize All invoke the triune name Beyond that there's little consensus Talk about baptism and you're immediately plunged into arguments Whom should we baptize What does baptism do Why even do it at all Peter Leithart reunifies a church divided by baptism He recovers the baptismal imagination of the Bible explaining how baptism works according to Scripture Then in conversation with Christian tradition he shows why baptism is something worth recovering and worth agreeing on *The Character of*
