[Build Me an Ark](#) Brenda Peterson, 2002. This is the story of a life and spirit guided by the animals. Brenda Peterson was raised in the High Sierras on a national forest lookout station and wildlife had a daily defining influence on her life. Beginning with her fascination with Smokey Bear, Peterson explores her deep connection with animals from watching grizzlies in Montana's Rockies to keeping Siberian huskies as pets in New York City and Colorado to her work for the restoration of wild wolves in the West. Her lively storytelling bridges the worlds of human and animal as she fascinates us with intimate stories of the wild dolphins, whales and orcas whose lives she has studied for the past two decades. With each moving story, Peterson reveals a turning point in which animal bonds have enriched her life and led her toward a wider epiphany: As a species, we cannot live without other animals. 17 b/w photographs.
