God Has Spoken:

God Has Spoken Gerald Bray, 2014-10-31 Christian theology didn't develop in a vacuum. Understanding the story behind the doctrines that have been debated, defined and defended throughout history is crucial for truly understanding the doctrines themselves. In this groundbreaking resource, professor Gerald Bray traces the history of Christian theology from the early church to the modern era. Structured to parallel the order in which orthodoxy gradually matured in response to challenges from both within and without the church, this volume tells the story of how Christians have struggled to understand, confess and worship the triune God through the centuries.

God Has Spoken J. I. Packer, 2005-01 J. I. Packer maintains that anyone who wants to know God will want to know as much as he or she can of what is in the Bible. Here he presents the case for the reliability of the Bible and urges us to return with open hearts to reading God's word and to discover its overwhelming power in our lives.

God Has Spoken Again Marshall Vian Summers, 2015-09-07 This book contains the opening words of a New Message from God. In the pages that follow, God is speaking to humanity anew, providing a warning, a blessing and a preparation for the great change that is coming to the world. God has spoken again at a time of great need and difficulty worldwide. This is a Divine answer to the growing crises of war, unrelenting climate change, religious conflict and human suffering and deprivation now escalating around the world. The New Message from God is a living communication from God to the heart of every man, woman and child on Earth. The Word and the Sound are in the world again. We are living at a time of Revelation.

God Has Spoken to Me... Susan Darling, 2014-11-12 This book is divided into two parts. The first part is about women's rights, particularly in the church. I believe some men are still trying to keep women down by using the Bible in the wrong way. God did say to me: Women have a case. Something women need to hear. The second part is a mixture of lessons God has communicated to me about like he wants women in the priesthood. And he asked me to pray for priests' right to be married. There are also other lessons in the book that I feel people might be interested in.

God Has Spoken Theresa A. Campbell, 2014-12-01 How hard is it to forgive? After discovering that her boss and mentor is actually the biological mother who had abandoned her as a baby, the Good Samaritan police officer who worked his way into her life is really her birth father and her best friend is her biological brother. Dupree is left distraught and betrayed. She vows to have nothing to do with her newly discovered family. If Mrs. Eleanor Humphrey A.K.A. Tiny has anything to say about it, Dupree won't be able to keep that vow. How does a former teenaged runaway become a wealthy, sophisticated business executive? Tiny's quest for happiness and independence in Kingston, Jamaica, has taken her to hell and back. After a vicious attack and a serious sickness that leaves her fighting for her life in the hospital, Tiny prays for death, but then God speaks. Will she listen to His voice? What exactly is He saying?

God Has Spoken J. I. Packer, 2016-06-16 J. I. Packer maintains that anyone who wants to know God will want to know as much as they can of what is in the Bible. For through it, God reveals himself and his purpose to us, and in it we discover his fellowship and grace. Packer presents the case for the reliability of the Bible and urges us to return

with open hearts to reading God's word and to discovering its overwhelming power in our lives This challenging sequel to *Knowing God* is a great resource for the Christian journey **He Has Spoken** Joycelyn Dankula, 2015-04-17 This book amplifies and exemplifies what God has spoken that came to pass It is to help you see God not in a new dimension but in his original dimension the one that speaks and comes to pass the one that speaks and follows through the covenant keeper the unchanging changer This book is to guide you methodically and carefully to listen to the Word of God the promises of God and to see it not only unfold in your personal life but to see it fulfilled because once he has spoken it will come to pass That is why he says with emphasis and clarity The grass withers the flower fades but the Word of our God shall stand forever Chapter one helps you to understand the legitimacy the power and the credibility in the Word of our God Chapter two showcases and authenticates what God has done particularly through Abraham Sarah Isaac and others Chapter three is the icing on the cake what God did for Ishmael because of the value he puts on his Word and power and authority behind it Chapter four shows how God speaks so that you can distill his promises for yourself Chapter five details why God speaks Chapter six is concerned with how you can benefit maximize and apply the Word of God to your life Chapter seven is to help you sing Hallelujah over the situations of your life when you can see that with God all things are possible The purpose of this book is to encourage you to crave to hear the Word of God for your situation Once God has spoken to your situation consider it done No matter how hopeless helpless disappointing unexplainable or discouraging the situation may be whatever he has spoken shall come to pass **God Has Spoken in His Son** Peter T. O'Brien, 2016-06-03 Peter O'Brien's excellent cohesive exposition of Hebrews examines the major interlocking themes highlighted by the author addressing this word of exhortation Heb 13:22 The themes in this NSBT include God speaking Christology salvation the people of God and warnings and encouragements **How Effective Sermons End** Ben Awbrey, 2022-07-21 Extremely rare is the preacher whose preaching could not be improved substantially by readdressing his sermon conclusions Moreover a sermon conclusion marks the typical preacher's greatest need for improvement in his preaching This most significant element of a sermon has been championed for its importance in a sermon and yet the conclusion is trivialized in if not omitted from the preaching of sermons Whether textual topical or expository in preaching methodology the typical preacher has a greater understanding and better implementation of everything else related to preaching in contrast to what is understood and done in concluding sermons Much is not done and much more is not understood to conclude sermons with clarity strength and persuasiveness *How Effective Sermons End* provides a comprehensive approach and thorough examination of the sorely needed and long overlooked instruction regarding that most vital of all elements of a sermon the sermon conclusion This book fills the existing void in homiletical pedagogy about concluding sermons a void that prevents preachers from reaching their full potential of effectiveness in the ministry of preaching the Word of God The pathway of better preaching is knowledge and skill to effectively conclude sermons and this book floods that pathway with light *1 Kings* John Woodhouse, 2018-11-30 The book

of 1 Kings outlines the rise and fall of ancient Israel through the stories of fourteen kings. It is a book of great victories and devastating failures. In its pages are violence, betrayal, power and politics. But no matter how great the accomplishments or evil the deeds, none of these kingdoms built by human kings could last. John Woodhouse walks us through this book passage by passage as it reveals how God's purpose for the kings reaches far beyond what they could accomplish in their lifetimes. Their lives are part of a greater story bearing witness about the King of kings, Jesus Christ, the Savior of the world, building and strengthening our faith as we set our eyes on the kingdom that will last forever. *I'm Praying for You Always... The Anomalous Life of an Intercessor* L.S. Reed, 2015-11-21. From the Introduction: For all those reading this, God loves you too. This book came about in response to God nudging me to be at one with Him. These days it doesn't take much to get me distracted from my time with God. Every morning I wake up, it feels like a set up from God to get my attention. So now He has it. And I am answering His call to write this book about one of the abiding things that has kept me thus far: PRAYER.

John Henry Newman and the Imagination Bernard Dive, 2018-05-17. For John Henry Newman, religion is animated by an imaginative master vision which supplies the mind with spiritual life and peace. All his life, Newman reflected on this master vision. His reflections on the moral imagination developed out of his understanding of practical wisdom as characterized by Aristotle: the wisdom that the good man has in living a good life. For Newman, the vision at the core of religion completes and perfects the intuitions of the conscience. John Henry Newman and the Imagination looks at how Newman's understanding of the moral and visionary imagination developed over the course of his life and it relates his ideas about the imagination to his portrayals of religious experience and vision in his novels and poetry.

The Millennial Harbinger Abridged, 1902. He is Not Silent R. Albert Mohler, Jr., 2008-09-01. Contemporary preaching suffers from a loss of confidence in the power of the Word, from an infatuation with technology, from an embarrassment before the biblical text, from an evacuation of biblical content, from a focus on felt needs, from an absence of gospel. Preaching, the practice of publicly expositing the Bible, has fallen on hard times. How did this happen? After all, as John A. Broadus famously remarked, Preaching is characteristic of Christianity. In this powerful book, *He Is Not Silent: Preaching in a Postmodern World*, R. Albert Mohler Jr. shows us how. In a style both commanding and encouraging, Mohler lays the groundwork for preaching, fans the flame on the glory of preaching, and calls out with an urgent need for preaching. This message is desperately needed yet not often heard. Whether you're concerned or enthused by the state of the church today, join Mohler as he examines preaching and why the church can't survive without it.

Hearing God's Words Peter Adam, 2004-02-11. Many discussions of Christian spirituality draw on a range of traditions and disciplines, but little attention is given to the Bible itself. Drawing on the Old and New Testaments, John Calvin and the Puritans, Peter Adam expounds a biblical model of spirituality in this *New Studies in Biblical Theology* volume. *Classic Sermons on the Word of God* Warren W. Wiersbe. Warren Wiersbe has compiled meaningful sermons from the church's great preachers in this topical series. Pastors will find excellent background and starter material for sermon preparation. Devotional

readers will appreciate the solid spiritual content Warren Wiersbe has compiled meaningful sermons from the church's great preachers in this topical series Filled with illustrative material for pastors and also excellent for personal devotions
