Eternal Words Swami Siddhananda, Swami Adbhutananda or Latu Maharaj was one of the sixteen monastic disciples of Sri Ramakrishna Swami Vivekananda called him Sri Ramakrishna s greatest miracle He remarked upon Latu Maharaj s uniqueness saying Latu progressed so quickly in the spiritual realm that considering the different circumstances of his background and ours he is far greater than us We were all born of high ancestry and came to the Master with an intellect refined by formal education whereas Latu was entirely illiterate If we did not care to meditate or do other spiritual practices we could escape such a mood by studying But Latu had no other recourse He had to hold on to a single idea throughout his life Starting from a very ordinary and low state by keeping his mind unruffled by meditation and other spiritual practices alone Latu became fit to

receive the highest spiritual wealth This indicates his inner potential power and the limitless grace of our Master Published by Advaita Ashrama a publication house of Ramakrishna Math Belur Math this is an English translation of Sat Katha in Bengali by Swami Siddhananda The translation was completed in 2012 and thereafter serialized in the monthly Prabuddha Bharata Swami Siddhananda was Latu Maharaj s attendant and was fortunate to hear the spiritual instructions which flowed from him He published a number of his talks serially in the Udbodhan magazine under the title Satkatha which later was published in book form *M., the Apostle & the Evangelist - Volume 3* Swami Nityatmananda,1997-07-24 Swami Nityatmananda lived in the company of Sri M for a long time maintained a diary and elaborated it in sixteen parts of Sri Ma Darshan The book is also available in English under the title M the Apostle the Evangelist All the sixteen parts are available in Bengali too It is a continuation of the Kathamrita This work is the result of twenty years of hard and incessant work and tapasya on the banks of the Ganga in Rishikesh in the Himalayas In this series of 16 volumes the reader is brought in close touch with the life and teachings of Sri Ramakrishna family Thakur Swamiji Holy Mother M Swami Shivananda Swami Abhedananda and others And there is the elucidation according to Sri Ramakrishna s line of thought of the Upanishads the Gita the Bible Guru Granth Sahib the Holy Quran and other scriptures The third specialty of this work is the commentary on the Gospel of Sri Ramakrishna by the author himself Says Swami Shraddhananda One wonders at the unusual capacity of Swami Nityatmananda in recording these day to day conversations of this Vyasadeva of our time M and later developing his notes into his masterly work One cannot fail to discover the special training he received from Sri M himself in this direction while he was serving as a teacher in M s school and living with him for years When he read it Swami Jagadananda remarked The author has presented M s words lifelike After reading his Kathamrita a study of this book will throw new light on the Kathamrita There is no doubt about it The great American and senior sadhu Swami Atulananda wrote This book may serve a double purpose To those who are acquainted with M s Kathamrita it may be welcome as a companion volume and to those not yet acquainted with the Kathamrita it may arouse a desire to make that acquaintance For this book which is a record of M s talks with his admirers about his reminiscences not only reveals new facts about the life of Sri Ramakrishna but throws new light on that wonderful life Swami Virajananda the late President of Sri Ramakrishna Math and Mission heard the manuscript read to him by his Secretary when he visited Dehradun for the last time and he was delighted to hear it He told to the author What a wonderful thing you have written Why didn t you show it to me earlier Never mind now go and finish the writing Human life is so uncertain If you complete the writing itself publication can be taken up by others Ah The move is as dramatic as the subject is sublime *Windows Into the Infinite* Barbara Powell,1996 A timely book to understand and put into perspective the vast corpus of the Hindu religious literature which a typical Western reader otherwise finds so daunting that he she gets discouraged and simply gives up Besides being of enormous value to spiritual seekers the book is ideally suited for study in a classroom environment **Soul Psychology** Joshua David Stone, Ph.D.,2010-11-24 The words of Sai

Baba God equals man minus ego are echoed by Dr Joshua David Stone in his seminal work Soul Psychology A veteran transpersonal psychologist and family counselor Dr Stone teaches us how our entire understanding of ourselves and others is completely changed when we integrate our soul into the way we live our lives Based on eighteen years of Dr Stone s practice this book is not a psychological approach to spirituality It is rather a spiritual approach to the psychology of everyday living At the heart of Soul Psychology is emotional healing through the dismantling of the negative ego a psychological cancer that prevents us from acting in accordance with our soul s true nature and purpose This negative energy drives us to find our security outside of ourselves whereas the only true security is one that is grounded in having a right relationship with self and a right relationship with the Divine To guide us onto this path of spiritual ascension Soul Psychology offers a stimulating new viewpoint that expands the boundaries of traditional spiritual practice providing a wealth of accessible and powerful meditations and exercises including The six step process for healing and spiritualizing emotions The spiritual science of the seven rays and the twenty two chakras Methods for clearing negative psychic energies that inhibit soul growth The one hundred most common pitfalls and traps on the spiritual path

Walking in Zen, Sitting in Zen Osho,2023-03-15 Zen is another name for meditation The word zen comes from the Sanskrit root dhyan it has traveled far Dhyan means a state of absolute silence of thoughtless silence but full of awareness Even the thought that I am aware is enough to distract you from your meditation Even to know that I am in meditation is enough to destroy it A state of meditation is an innocent silent state You are blissfully unaware of your awareness You are but you are utterly relaxed You are not in a state of sleep you are fully alert more alert than ever You are alertness rather

M., the Apostle & the Evangelist - Volume 2 Swami Nityatmananda,2017-01-01 Swami Nityatmananda lived in the company of Sri M for a long time maintained a diary and elaborated it in sixteen parts of Sri Ma Darshan The book is also available in English under the title M the Apostle the Evangelist All the sixteen parts are available in Bengali too It is a continuation of the Kathamrita This work is the result of twenty years of hard and incessant work and tapasya on the banks of the Ganga in Rishikesh in the Himalayas In this series of 16 volumes the reader is brought in close touch with the life and teachings of Sri Ramakrishna family Thakur Swamiji Holy Mother M Swami Shivananda Swami Abhedananda and others And there is the elucidation according to Sri Ramakrishna s line of thought of the Upanishads the Gita the Bible Guru Granth Sahib the Holy Quran and other scriptures The third specialty of this work is the commentary on the Gospel of Sri Ramakrishna by the author himself Says Swami Shraddhananda One wonders at the unusual capacity of Swami Nityatmananda in recording these day to day conversations of this Vyasadeva of our time M and later developing his notes into his masterly work One cannot fail to discover the special training he received from Sri M himself in this direction while he was serving as a teacher in M s school and living with him for years When he read it Swami Jagadananda remarked The author has presented M s words lifelike After reading his Kathamrita a study of this book will throw new light on the Kathamrita There is no doubt about it The great American and senior sadhu

Swami Atulananda wrote This book may serve a double purpose To those who are acquainted with M s Kathamrita it may be welcome as a companion volume and to those not yet acquainted with the Kathamrita it may arouse a desire to make that acquaintance For this book which is a record of M s talks with his admirers about his reminiscences not only reveals new facts about the life of Sri Ramakrishna but throws new light on that wonderful life Swami Virajananda the late President of Sri Ramakrishna Math and Mission heard the manuscript read to him by his Secretary when he visited Dehradun for the last time and he was delighted to hear it He told to the author What a wonderful thing you have written Why didn t you show it to me earlier Never mind now go and finish the writing Human life is so uncertain If you complete the writing itself publication can be taken up by others Ah The move is as dramatic as the subject is sublime New Light on Hinduism Amar Chand Bhatia,2025-04-29 This book is a testament to my father s literary brilliance persistence and uncompromising honesty As his daughter I feel both deeply privileged and completely inadequate to write a foreword worthy of his intellect and spirit My father did not believe in religion in its rigid institutional form For him God was omnipresent not confined to man made places of worship He approached ancient texts with reverence for their wisdom but also with a rational investigative eye I humbly request readers to approach this book with an open mind setting aside any preconceived notions or religious biases they may carry by virtue of birth or upbringing New Light on Hinduism is not a religious doctrine it is a journey through knowledge tracing the immense contributions of ancient Indian scholars across disciplines From art poetry music and literature to languages mathematics medicine metallurgy physics astronomy agriculture and town planning the author explores how the ancient Indian mind was attuned not just to the material but also the metaphysical His work is not based on speculation but on meticulously referenced sources drawn from the world s most trusted historians and scholars In this book the people historically identified as Hindus are presented in a new light as torchbearers of a civilization that led the world in thought innovation and spiritual inquiry with a legacy that continues to inspire This book is my father s gift to all who seek truth beyond boundaries Meenakshi Mohindra
