E. Weldon, 2010-04-13 As I was saying Shakespeare continued in his deep theatrical voice in the beginning there was just darkness No lights No fireflies No sun moon or stars No people No animals No vets or rabies shots or litter boxes or cat treats or fleas or Shakespeare and Dickens are two cats who are as different as night and day Dickens is younger and more obnoxious than his older brother and has a very short attention span Shakespeare the wiser feline of the two does his best to stay out of Dickens' way With the help of these two unforgettable felines author M E Weldon tells the story of the seven days of creation with a clever and unexpected twist Shakespeare was there In the Beginning He wants to use the computer to type out the story as he remembers it but he can't type very well and unfortunately needs Dickens' help In the Beginning presents the creation story in a way that children can easily understand and promises to be the start of many adventures to come **"Take and Eat": From Fall to Feast** TK Dunn, 2024-11-12 There are many doorways that can be used to enter and engage with the storyline of the Bible In this book TK Dunn traces the theme of take and eat across the pages of Scripture to demonstrate that many of the critical events in redemptive history are marked by uses of food From God's bountiful provision in Eden through the celebratory feast of the New Jerusalem Dunn explores how God uses meals as a symbolic method of teaching his people about grace mercy justice holiness and redemption This Biblical Theological feast is designed to provide a unique and captivating analysis of God's activity in his created realm by interacting with his people in a manner that they could both experience and understand The contract of the Fallen Adam with the Final Adam sits at the heart of the gospel and it is therefore not surprising that the take and eat motif is present in the lives of both Adam and Jesus Seeing Jesus' obedience as an inversion of Adam's failure Dunn demonstrates how Christ is not only the fulfillment of the Old Testament's hopes and promises but also the one who restores and renews all things by the unwinding of the Fall By considering how God uses these moments to progressively reveal more about his work of salvation through Christ Dunn provides a theological buffet that will entice the unbeliever to taste and see

that the Lord is good and also satisfy the believer who is eagerly anticipating the day when Christ will sit and feast with his beloved church at the end of time
