God Planted A Seed:

The Planted Seed Juanita Bynum, 1997 learn how to identify and activate the seed of God planted in you **Planting Seeds** Lenora Turner, 2019-05-31 In Genesis 1 God spoke of making hu man in his image and after his likeness In Genesis 2 God formed hu man off the dust of the ground and breathe into his nostrils the breath of life Just as in the beginning God spoke his word and it became to pass But when it came to the earth God spoke that it would bring forth fruit from whatever was planted in it and whatever grew from what was planted the seed of it was in the fruit of what would grow God planted his word and his Spirit in us from the very beginning But another seed was planted the seed of disobedience So now we have to choose what words we will receive to grow in us to produce whatever type of fruit for the seed is in that fruit So in receiving the Word of God as planting seeds you are now the by product of the first fruits His seed is within to produce after his kind *God Planted the Tree* Vera Conyers, 2010-11-22 *It's All About the Seeds* Kathy M. Crouch, 2024-11-07 Have you ever planted a seed Have you ever thought about its amazing journey For the seed to bear fruit its roots must reach deep into the soil absorbing the nutrients needed for the stem to grow upward searching for the sun Before we as Christians can bear fruit for God s kingdom seeds must first be planted We must dig deep into the scriptures to feed off God s Word which is necessary for spiritual growth We can then grow upward reaching for the Son Thus the title of this book It s All about the Seeds God often plants seeds inside of us so that we will be equipped to do the same in others We cannot plant a seed that we know nothing about This book takes you on a journey through real life experiences and events where lives were changed through the planting of seeds into fertile hearts Kathy uses scripture questions testimonies and poetry as each seed is introduced planted and then harvested Whether used as a personal or group Bible study you will dig deeper into the scriptures to fully understand the power of a seed Come and allow God to plant seeds into your heart so that you can plant seeds of your own Then when you enter the gates of heaven on that final day may you hear God whisper Welcome to my kingdom my good and faithful seed planter Come in and see the fruits of your labors Never underestimate the power of a seed God, You Said... James L. Standfield, 2014-10 THIS BOOK IS A MUST READ FOR EVERY CHRISTIAN BUSINESS OWNER God has called you for such a time as this In this powerful book Min James L Standfield The Authority On Biblical Entrepreneurship gives the Christian Entrepreneur the scriptures they need for Entrepreneurial Success I have set watchmen on your walls O Jerusalem They shall never hold their peace day or night You who make mention of the LORD do not keep silent And give Him no rest till He establishes Isaiah 62 6 7 The Hebrew word for make mention is zakar and means to remember to remind to cause to remember You who make mention of the LORD are literally the Lord s remembrancer s Their job is to remind Him relentlessly of His word until He has established what He has promised God has a wonderful memory but He is not one bit offended by His people reminding Him of those things He has spoken How long are we to remind God of His promises He tells His watchmen to give Him no rest until He establishes what He has promised This calls

for faith patience and persistence The Christian Entrepreneur is not to give up on reminding God of His Word until they see all the things He has promised to establish in their business *The Seed Within* Leah Vintila,2016-12-15 When author Leah Vintila and her husband Keith faced infertility firsthand they turned to their faith and were left breathless with the unexpected reality of Gods purpose and plans for their family As a result Leah wrote *The Seed Within* as an uplifting and inspirational guide to the powerful scriptures in the Bible that relate to growth Now in its second printing *The Seed Within* has been updated for all who are seeking to grow spiritually to a state of abundant fruitfulness Through this book individuals will be taken on a journey through scripture and life application tools to help them discover the overflowing fruitfulness that God has planned for each of our lives As part of this interactive bible study individuals and small groups are led on a path of achieving the spiritual wellness needed to live life to the fullest in Christ The study is designed to be not only used as part of a formal class but is formatted to allow for individuals to complete the study individually at home with God and their Bible With this study participants will be lead to understand the many biblical principles that lead to healthy growth The focused topics in this book include the need for Fertile soil which is rich in faith hope and trust as the foundation for life Seeds planted by God according to His sovereign plan Living water as a vital component of growth to help grow Gods seed Abundant light to illuminate the path to abundant fruitfulness Removal of substances that seek to harm or limit spiritual growth The spiritual harvest of overflowing fruitfulness resulting from the partnership with God as the Master Gardner Leah Vintila has been a registered nurse for more than twenty five years during which time she surrendered her heart to ministry and writing It was through her childbearing difficulties that she felt called to come along side others to encourage them through a bible study tailored to meet their individual needs Since that time God has broadened her focus and she is now a bible teacher and speaker for anyone seeking spiritual growth Leah and her husband Keith live in Texas with their three children She currently attends Liberty University Seminary where she is actively pursuing a Masters Degree in Theological Studies Planting Spiritual Seeds and Uprooting Spiritual Trees Charles K. Biachi,2018-12-07 The book *Planting Spiritual Seeds and Uprooting Spiritual Trees* A to Z Prayer Points is an inspirational spiritual book of prayer This is a book that compares physical seeds with spiritual seeds with the aim to enlighten the eyes of understanding of readers that nothing happens by chance What you sow you reap both in the physical and in the spiritual If you sow good seeds you reap good harvest Conversely if you sow bad seeds you reap bad harvest Therefore consciousness of the nature of seeds one sows and receives is very important because life and death are in the power of the tongue Furthermore the book teaches us to uproot what we do not want and establish what we want in our lives through prayers **Just in Time! Children's Sermons** Prof. Anne E. Streaty Wimberly,2010-09-01 Ready to use biblically based children s sermons for busy worship leaders Children s Sermons *Just in Time* offers preachers and worship leaders a ready resource for children s sermons with stories and object lessons These children s sermons are geared to spark interest and attention and teach children about the Christian faith 54

Palacio,2024-05-31 The life of a brand new Christian was inspired by the life and work of Jesus Christ It compels us to look unto Christ for an inward working It is intended to bring us back to the reality of Christ s work and helps draw us back to Him It reminds us about the finished work that we may receive it by faith The life of a brand new Christian is to encourage and strengthen the inner man of the believer God s redemptive work is complete and the life of a brand new Christian helps us see it all in God s light It encourages us to stop looking at ourselves and keep our eyes on the prize It is a much needed book for the church body and unbelievers It helps us to see the need for the cornerstone and why the foundation was laid with it in mind It also challenges us to examine our own hearts and see that Jesus Christ is the only one capable who can come to our need I encourage the reader when something speaks directly to them to stop and pray then to continue reading A house is as strong as the foundation and the life of a brand new Christian brings it all back into perspective Jesus Christ is the sum of all God s work and the life of a brand new Christian helps us understand that the old life in Adam is gone and the new life in Christ is now in operation The more we see that Jesus Christ did away with the old man the more we will experience the life of a brand new Christian **Be Not Ignorant , Redeemed to Overcome** Pope,2005-12-29 Drexel L Pope Sr offers hope and motivation to those who are suffering and helps readers understand what it takes to battle through and overcome the problems they face today To do this Pope says readers must remember that God measures success differently than man To become an overcomer readers must learn to turn away from all elements of self will independence self centeredness and isolation and embrace total dependence upon and trust in the Lord The greatest hindrance for Christians to live an overcoming life is neither a charming world nor a clever devil Instead it is the deceitful carnal nature of a fallen self life Pope offers an insightful scripture laden study of what and how Jesus overcame so we may gain understanding on how to follow His lead It is not an easy task one that is full of challenge and promise The challenge is to overcome evil for the glory of God The promise is that if we do so we will sit with Christ on his throne About the Author In 1992 Pastor Drexel L Pope Sr and his wife founded an independent charismatic church in the Phoenix Arizona area He also leads and moderates a unique community Bible discussion group using the expository approach to Bible study Pope who was born again in April 1953 while attending the Church of God in Clovis New Mexico retired from teaching after 29 years in 1988 Recent Release Christ Glorious Bride **Arise and Eat!** Rebecca L. Corwin,2024-09-10 Everyone eats In one form or

another regardless of circumstance we all need food We spend much of our time procuring preparing and consuming it because it satisfies our hunger provides necessary nutrients or simply because it tastes good It also is fun to share with others Because food plays such a central role in our lives God often uses it to reveal Himself to us He uses it to remind us that only He can truly satisfy our deep spiritual hunger He also uses it to remind us that He is near and He longs to share sweet fellowship with us Using a range of foods from grains to greens milk to meat and sweets to seasonings God reaches down into our kitchens cultures and customs to show us who He is When we are weary and discouraged He reveals His strength and encouragement When we are full of joy He joins us in celebration Throughout our daily lives He uses food to reveal His hope His love His mercy and the new abundant spiritual life that can be ours through faith in His Son Jesus Christ God invites us to walk with Him in His garden and to join Him at His table He invites us to arise and eat Arise and Eat is a fascinating journey from ancient roasting pits to modern ovens exploring God's biblical revelation of Himself through food Using the Bible as its primary source along with historical insight scientific evidence personal experience and a good dose of humor Arise and Eat is for anyone seeking a deeper understanding of how an extraordinary God reveals Himself in the ordinary stuff of our everyday lives

Smith,2021-01-24 Life as we know it is a mystery to many Many have questioned where we came from why are we here is there a life after this life is there really a God and how may we have a better life and so on This book will address those questions First of all no one chooses to be born and to live here on the earth We were born from a seed of a man through sexual intercourse with a female or some form of IVF in vitro fertilization God wanted to have an unnumbered amount of children to call His very own This book was inspired to tell you that God is a real being the Creator behind you being born and the reason that you are reading this book now Mankind throughout the years has gotten off course to why they were created and for what reason they were created In the mist of things mankind has lost their way and unapologetically has not been taught of their very existence or simply lack the knowledge of their existence and purpose here on earth I was inspired to encourage mankind around the world that God is real and has a plan and a purpose for their life and that includes as many of us that will believe that they were destined to increase physically mentally financially and in relationships Our days of wondering where we came from why we are here or if we are to have a better life are now over once we read and study this book not once but as many times as it takes for us to believe that we were destined to increase now Now I sense the calling of God saying It s not too late it s not too late it s not too late From the beginning you were destined to increase my children

trespasses as well as himself of the sins he had committed against God As Brian continued to write he began to feel guilty and unworthy to be loved by God after so many years of anger and depression blamed directly on God How could God still love a long term sinner such as I he asked As Brian digs deeper into his spiritual needs he learns the role Jesus Christ plays in the forgiveness of sins It s the blood of Jesus that washes away our sins and makes us worthy to stand before God Bent but not broken Dinged but not destroyed Accepted loved and forgiven

The Last Days with the Two Witnesses Tina M. Moore, 2023-07-17 Paul wrote to Timothy concerning the dangers of the last days in which we live But understand this that in the last days dangerous times of great stress and trouble will come difficult days that will be hard to bear Although darkness covers the earth and a mist of darkness is over the people the Lord will rise upon His two witnesses the two olive trees of Revelation 11 whose oil brings light for the Church to see by in these last days The pressure from the world s system of witchcraft Babylon will crush God s two anointed ones favorably emitting the golden oil to the nations of the world The testimonies of these two end time prophets will bear witness to the power of the gospel as they are given the grace to prevail over the things they suffer They will bear the fruit of the kingdom from the metaphorical tree of life and their lives will produce evidence that God s power is with them to destroy the wicked serpent seed They will be living proof of God s authority to trample on serpents and scorpions and over all the power of the enemy Luke 10 19
