## God Shall Grow Up:

**God Shall Grow Up** Wayne Bloomquist, 2001      **Good and Comfortable Words** David M. Powers, 2017-08-30 Thanks to coded notes taken by the teenager John Pynchon this volume virtually transports the reader back to Sundays in the seventeenth century when the community gathered to listen to the Rev George Moxon The setting was Springfield Massachusetts founded in 1636 by John's father William Pynchon As a note taker John recorded just what he heard in this rare resource which allows the reader to listen in on the weekly sermons he documented in the 1640s This symbol by symbol transcription into a word for word text preserves the character of the minister's original remarks and reveals Moxon as an able engaging speaker who offered encouragement and challenge to the growing plantation he faithfully served through its earliest years on the edge of a wilderness Not only do the sermons in this collection provide snippets of popular theological discourse at particular moments in the 1600s they also point to issues of the day and they help us get inside the thoughts and word patterns of that era      **The Outlook**, 1918      *KJV Standard Lesson Commentary® 2016-2017* Standard Publishing, 2016-06-01 As the nation's most popular annual Bible commentary for more than two decades the Standard Lesson Commentary provides 52 weeks of study in a single volume and combines thorough Bible study with relevant examples and questions The KJV SLC is perfect as the primary resource for an adult Sunday school class and personal study or as a supplemental resource for any curriculum that follows the ISSL Uniform Series Nearly two dozen ministers teachers and Christian education specialists provide the Bible commentary lesson plans discussion questions and other features that make the Standard Lesson Commentary the most popular annual Bible commentary available The Standard Lesson Commentary is based on the popular Uniform Series also called the International Sunday School Lessons This series developed by scholars from several church fellowships provides an orderly study of the Bible in a 6 year period      **Morning Exercises for the Closet: for Every Day in the Year** William Jay, 1842      The Treasury of David; Containing an Original Exposition of the Book of Psalms, a Collection of Illustrative Extracts ...
