**An Interview with God** Stephanie Hill Nchege,2017-12-07 How many times have you asked God why or What do you want from me Lord Maybe you ve even asked God Why am I here what is the purpose of my life But have you ever thought about the questions that God asks Throughout this book we explore questions that each of us have probably asked God at some point in our lives I also share some of my own personal life stories that occurred or were given in response to the questions God asked me This book challenges you to see yourself as having your own personal interview with God the head boss himself and to reflect upon what your answers are to God when he calls you for an interview Many times God sends his angels to let us know that we ve just been called for an interview Whether we feel prepared or not the book reminds us that God conducts these interviews for our good and he always wants to promote us or qualify us for the next position Questions can be powerful tools They can help us to map out our God ordained visions Questions help us to identify the answers that lie inside of our hearts And I believe that it is those answers that unlock our purpose the mysteries of our heart and deepen our relationship and walk with God Are you ready for your interview with God He is ready to share heart to heart matters
