Suber, 2025-03-10 God Where s My Daddy is a children s non fiction Christian book written on behalf of many diverse hearts of our children and their actual raw unfiltered emotions that they are facing daily from one circumstance to the next This is one of several titles in a collection that is soon to be unveiled to families across the nation When we consider the accountability of what these innocent beings encounter we have the power to plan accordingly for their best interests of stable and fulfilling lives My family and I pray for every child and family facing these real life emotions that I have taken the time to share which can often times be very difficult to discuss Daddy, Where Are You? Anntwanique D. Edwards, 2013-06 Daddy where are you She cried Daddy Where Are You Trapped in a maze trying to escape the feelings of a hurting girl s bondage a daughter constantly hits roadblocks Her pain negatively impacts her identity and relationships Could she be lost because of a father that left her alone Maybe he didn t notice her stuck in a corner or understand her need for guidance Either way there is no cry like that of a daughter who is lost because her father is missing In a non fiction portrayal of the search for her father s love Dr Anntwanique Edwards candidly expresses how her quest could not be satisfied by man She openly describes her disappointment with her biological and heavenly fathers for not attending to her needs Her Life experiences are divulged to reveal the purpose of pain This phenomenal speaker puts her words on a paper to establish God s ability to release women from the catastrophic danger of dancing with versions of love created by this world Hear her words declare the affirmations she shares at the end of each chapter and experience freedom as never before **WHERE'S MY BIRTH FATHER?** Deborah Riggs, 2021-08-17 On the surface it seems like almost a ridiculous life with a heart that seems broken beyond repair with only her satisfaction in searching a lifetime without any knowing what is ahead for a young girl that was taken away from her father by her mother in 1968 Losing her mother having to live with what she thought were strangers not giving up on finding happiness Unfortunately many phone calls and so many long trips to many states searching without any success so many years without giving up on her dreams This young girl spending all her extra time looking and searching trying to fulfill her one and only dream She was a very sad girl growing up trying not to let her emotions show but was bitter inside Never giving up on her dream of finding her father before it s too late after forty five years anything can happen Happiness only happens when you always follow your heart I hope this book helps someone who

Father's Love records the struggles and blessings of growing up and dealing with the loss of his dad John Bray a pastor teacher and dean of North Park Seminary in Chicago Illinois This story of a father's love for his son will encourage anyone struggling with the loss of a loved one especially the loss of a father It offers concrete examples of positive relationships for anyone and especially for families with a disabled child David's memories of his dad demonstrate the power of love and radiate hope for those who grieve those with disabilities families of the disabled and any parent or child needing reassurance of God's love David's desire is that the reader will find hope and blessing by reading his story Where God's People Are Going, Life Giving Messages Lyle McTeer, 2012-10 For many years the church has prayed for revival to come never knowing or understanding how God might answer that prayer Today we are witnessing the greatest shaking that we have ever known and on a world wide scale As financial institutions become bankrupt and many lose jobs land and homes the awakening that we once prayed for has come Everything that can be shaken is and this scenario is causing even the weakest links within the soul of man to rise up as God becomes our only hope But what will become of it all and how will we survive Where God's People are Going is like an oracle from the Lord He tells us in His word that My sheep hear My voice and I know them and they follow Me John 10:27 Until we come to know the Lord's voice our relationship and our knowledge of Him is vague at best The life giving messages in this book are just that messages that bring life to dark situations and answers to life's questions about today and what is yet to come My questions to the Lord often reflect the times in which we live as I ask the simple question why **Making Sense of the Father-Daughter Husband-Wife Connections** Keith Mills (Pastor), 2010 There is a powerful connection within a woman's heart between her father daughter relationship and the relationship she shares with her husband This is true regardless of culture creed or religion Even the scientific world agrees What happens then when a woman doesn't receive everything from her father daughter relationship that God intended Is there any hope for a woman who never had a dad around Or what about a woman who had a great relationship with her dad but is still left with something missing Those are HUGE questions because the answers are generational God knows how to help these intertwined relationships though and this book makes it easy to understand what His plan is why it's easy to miss and how to get back on track This book will help husbands wives daughters and fathers to understand their intertwined relationships how to heal from what may be left over and how to take back what's been taken away from them Further this book answers questions such as the following in a nonjudgmental way Why can't we connect on a deeper level as husband and wife What does my daughter need from me Why does a dad back off Why do some women keep going after the wrong men What can a single mom do for her daughter if there is no dad around *All God's Dangers* Theodore Rosengarten, 2018-07-31 Nate Shaw's father was born under slavery Nate Shaw was born into a bondage that was only a little gentler At the age of nine he was picking cotton for thirty five cents an hour At the age of forty seven he faced down a crowd of white deputies who had come to confiscate a neighbor's crop His defiance cost him twelve years in prison This triumphant autobiography assembled

from the eighty four year old Shaw s oral reminiscences is the plain spoken story of an over average man who witnessed wrenching changes in the lives of Southern black people and whose unassuming courage helped bring those changes about

The Gap in God's Country Laurie M. Johnson,2024-10-18 Laurie M Johnson argues that America s culture wars may seem to have erupted in the past couple of decades but they go back centuries For those who think that Christian nationalism or right wing populism is the problem to be solved that some people simply need to understand Christianity or politics better and become reasonable read on Christian nationalism and other ideological extremes are symptoms of major economic technological spiritual and psychological shifts that have left too many people uprooted disenchanted and precarious There are no easy answers but Johnson tries to show a path out that enlists not only individuals but also church and state Without leadership and structure provided at the levels of the church and state Christians and those impacted by them will remain part of the problem and not the solution Johnson says to Christians change is not talk it s action and Christian action can only happen with leadership that creates a context where we can work together rather than wasting our time in culture wars

Daddy? Donna Marie Furrey,1985-01-01 A young boy misses his father who no longer lives with him and his mother but he learns to find strength in trusting that God is watching out for him *God's Cleansing Stream* Chris Hayward,2004-12-29 God s Cleansing Stream reveals why every church needs a deliverance ministry and teaches pastors and counselors how they can put one to practical use Deliverance was originally part of every church but the rise of self help programs and the idea of an individual s ability to change without God s help edged the Church away from God s Word and power Instead deliverance came to be thought of as mere superstition Now Chris Hayward provides tools for churches to reestablish this effective proven ministry so that it can liberate captive souls and advance God s plans in the lives of individuals everywhere God's
