Hittite Texts and Greek Religion Ian Rutherford, 2020-09-23 Our knowledge of ancient Greece has been transformed in the last century by an increased understanding of the cultures of the Ancient Near East This is particularly true of ancient religion

This book looks at the relationship between the religious systems of Ancient Greece and the Hittites who controlled Turkey in the Late Bronze Age 1400-1200 BC. The cuneiform texts preserved in the Hittite archives provide a particularly rich source for religious practice, detailing festivals, purification rituals, oracle consultations, prayers, and myths of the Hittite state, as well as documenting the religious practice of neighbouring Anatolian states in which the Hittites took an interest. Hittite religion is thus more comprehensively documented than any other ancient religious tradition in the Near East, even Egypt. The Hittites are also known to have been in contact with Mycenaean Greece, known to them as Ahhiyawa. The book first sets out the evidence and provides a methodological paradigm for using comparative data. It then explores cases where there may have been contact or influence, such as in the case of scapegoat rituals or the Kumarbi Cycle. Finally, it considers key aspects of religious practices shared by both systems, such as the pantheon, rituals of war, festivals, and animal sacrifice. The aim of such a comparison is to discover clues that may further our understanding of the deep history of religious practices and, when used in conjunction with historical data, illuminate the differences between cultures and reveal what is distinctive about each of them.

A Goddess of Spring and Shadows Lena J. Castle, 2024-11-15. It's not an abduction. It's an escape. Persephone lives a life of obedience and isolation, trapped under her mother Demeter's stifling control, with her magic suppressed. Desperate to break free, she defies the rules and flees to the shadowed realm of the Underworld. But what begins as a daring escape soon becomes a perilous bargain. Hades, the God of the Underworld, possesses a deadly touch that withers life itself. That should be enough to keep the Goddess of Spring far away, yet Persephone is irresistibly drawn to the dangerous god by a pull she can't deny, one woven by the Fates. As she ventures deeper into his world, she finds herself questioning if she's truly escaped or merely traded one captor for another. When her mother's fury threatens to unleash famine upon the mortal realm, Persephone must confront an impossible choice: return to the life she fled or embrace her growing love for Hades, risking the lives of countless innocents in the process. *A Goddess of Spring and Shadows* is the first book in a new adult fantasy romance series retelling the timeless myth of Hades and Persephone. Immerse yourself in a world of fated mates, hidden agendas, magic, heart-wrenching betrayal, and scorching romance.

Hittite Local Cults Michele Cammarosano, 2018-10-19. An innovative translation and analysis of Hittite local festivals and of their economic and social dimensions for students and scholars. This English translation of the Hittite cult inventories provides a vivid portrait of the religion, economy, and administration of Bronze Age provincial towns and villages of the Hittite Empire. These texts report the state of local shrines and festivals and document the interplay between the central power and provincial communities on religious affairs. Brief introductions to each text make the volume accessible to students and scholars alike. Features: Critical editions of Hittite cult inventories, some of which are edited for the first time, with substantial improvements in readings and interpretations. The first systematic study of the linguistic aspects of Hittite administrative jargon. An up-to-date study of Hittite cult images and iconography of the gods.

Michele Cammarosano currently leads a Deutsche Forschungsgemeinschaft funded project on Hittite cultic administration at Julius Maximilians Universität Würzburg. His research interests focus on cuneiform palaeography and Hittite religion. **Your Manifesting Year** Joey Hulin, 2023-08-14 Experience your most transformative year yet with this month by month manifestation guided journal to bring more magic into your everyday life. Further, it employs the double perspectives of books and rites to explore the sources and symbols of the capping ceremony, rites of passage, decode the prototypes of Miao and Ming Tang, and restore the discourse patterns of people of five directions. The book subsequently investigates the formation and function of the Yue Ling calendar and disaster ritual so as to reveal the human cognitive encoding and metalanguage of ritual behavior involved. In the process, it demonstrates that *Li Ji*'s textual memories, archaeological remains, and traditional ceremony narratives are all subject to the latent myth-coding mechanism in China's cultural system, while the compilation and materialized remains are merely forms of ritual refactoring, interpretation, and exhibition used when authority seeks the aid of ritual civilization to strengthen its legitimacy and maintain the social order. **Nine Nights of the Goddess** Caleb Simmons, Moumita Sen, Hillary Rodrigues, 2018-08-01 Explores the contemporary nature and the diverse narratives, rituals, and performances of the Navaratri festival. *Nine Nights of the Goddess* explores the festival of Navaratri, alternatively called Navaratra, Mahanavami, Durg Puja, Dasara, and/or Dassain, which lasts for nine nights and ends with a celebration called Vijayadashami or the tenth day of victory. Celebrated in both massive public venues and in small private domestic spaces, Navaratri is one of the most important and ubiquitous festivals in South Asia, and wherever South Asians have settled. These festivals share many elements, including the goddess, royal power, the killing of demons, and the worship of young girls and married women, but their interpretation and performance vary widely. This interdisciplinary collection of essays investigates Navaratri in its many manifestations and across historical periods, including celebrations in West Bengal, Odisha, Karnataka, Maharashtra, Tamil Nadu, Uttar Pradesh, and Nepal. Collectively, the essays consider the role of the festival's contextual specificity and continental ubiquity as a central

component for understanding South Asian religious life as well as how it shapes and is shaped by political patronage economic development and social status Persephone Amie Jane Leavitt,2019 Goddess of springtime or queen of the underworld life or death Empowering high interest narrative text tells the dual story of Persephone from Greek mythology These core legends show Persephone s double personality as she splits her duties between her mother and the god of the dead Fascinating myths also uncover Persephone s past detailing her birth and how she fits into the family of deities Further explore Persephone s role in Greek culture through her signature powers symbols and attire Additional facts and historical information connect the goddess s influence through popular culture today *Hindu Goddesses* Lynn Foulston,2009-07-03 Explores the diversity of Hindu goddesses and the variety of ways in which they are worshipped Although they undoubtedly have ancient origins Hindu goddesses and their worship is still very much a part of the fabric of religious engagement in India today This book offers an introduction to a complex and often baffling field of study *Llewellyn's 2016 Sabbats Almanac* Llewellyn,Dallas Jennifer Cobb,Natalie Zaman,Suzanne Ress,Elizabeth Barrette,Diana Rajchel,Susan Pesznecker,Eilidh Grove,Magenta Griffith,Tess Whitehurst,Blake Octavian Blair,Doreen Shababy,Linda Raedisch,April Elliott Kent,2015-09-08 Celebrate the Seasons and the Wheel of the Year Rituals Recipes Crafts Pagan Lore Planetary Guidance Enrich your spiritual life with the lessons and gifts of the eight sacred holidays of the witches year Offering a variety of ways to work with seasonal energies Llewellyn s 2016 Sabbats Almanac features ideas and insights from a wealth of favorite contributors Dallas Jennifer Cobb Natalie Zaman Suzanne Ress Elizabeth Barrette Diana Rajchel Susan Pesznecker Eilidh Grove Magenta Griffith Linda Raedisch Blake Octavian Blair April Elliott Kent Doreen Shababy Tess Whitehurst Includes more than fifty articles written for newcomers and experienced witches Creative low cost arts and crafts projects Ideas for celebrating the sabbats as a family Simple recipes for delicious appetizers entrees beverages and desserts Astrological influences with full and new moon rituals Extended rituals for groups and individuals Journal pages for keeping track of your festival plans and memories Fascinating Pagan folklore and customs Samhain 2015 to Mabon 2016 **War Tao Becomes Saint** Zhui BiSanQian,2020-04-27 Unparalleled Sovereign Ye Dongfeng was only an inch away from the Misty Heavenly Dao but at the critical moment he was plotted against and reincarnated at the starting point of everything In this life Ye Dongfeng had created a perfect dao heart He slowly got up used his cold talent to sweep the world turned his hand into a cloud and used his own strength to trample all around suppressing the current era The regret and unwillingness from his past life had been completely wiped out His name shook the Primordial Era and with war as the way he finally became a Saint Lord **Metropolitan Pulpit** ,1901 **THE ONLY SOLUTION AGAINST THE GREAT RESET IS RIGHT IN OUR BIBLE** Chuck Donnel,2023-05-30 The great reset is the most evil coalition of government big business and wicked people ever in the history of the world We re facing forces that challenge everything the God of the Bible stands for But sadly we have the weakest church in history that has been lulled to sleep with perverted end times teachings that cut Israel out of their
