which these results have been obtained It is in no sense a connected and continuous history of these countries for that has already been written by Prof Maspero but is rather intended as an appendix or addendum to his work briefly recapitulating and describing the discoveries made since its appearance On this account we have followed a geographical rather than a chronological system of arrangement but at the same time the attempt has been made to suggest to the mind of the reader the historical sequence of events *History of Egypt, Chaldea, Syria, Babylonia and Assyria: History of Egypt, Chaldea, Syria, Babylonia, and Assyria* ,1903 **History of Egypt, Chaldea, Syria, Babylonia, and Assyria: King, L.
