Godless Morality Keeping Religion Out Of Ethics:

Godless Morality Richard Holloway, 2009-08-06 The use of God in any moral debate is so problematic as to be almost worthless We can argue whether this or that alleged claim emanated from God but surely it is better to leave God out of the argument altogether and find strong human reasons for supporting the systems that we advocate Godless Morality is a refreshing courageous and human centred justification for contemporary morality

Mission and Money Mari-Anna Auvinen-Pöntinen, Jonas Adelin Jørgensen, 2016-05-30 Mission and Money Christian Mission in the Context of Global Inequalities offers academic discussion about the mission of the Church in the context of contemporary economic inequalities globally challenging the reader to reconsider mission in the light of existing poverty and investigating how economic structures could be challenged in the light of ethical and spiritual considerations The book includes contributions on the subjects of poverty and inequality from the theologians economists and anthropologists who gave keynote presentations at the European Missiological Conference IAMS Europe that took place in April 2014 in Helsinki Finland This conference was a major step forward in terms of discussion between missiologists and economists on global economic structures and their influence on human dignity Contributors are Mari Anna Auvinen P ntinen Stephen B Bevans Jonathan J Bonk Ulrich Duchrow Jonas Adelin J rgensen Vesa Kanninen Veli Matti K rkk inen Tinyiko Sam Maluleke Gerrie Ter Haar Evi Voulgaraki Pissina Mika V h kangas Felix Wilfred

Reservoirs of Hope Alan Flintheart, 2010-08-11 This book is about hope and how it is sustained by the personal spirituality of school leaders Defining this not only in religious terms but using a concept of secular spirituality it shows that leadership actions must rest on the foundation of a personal value system demonstrated as a lived faith in action Drawing on interviews with 150 headteachers and capturing their authentic voices it uses the metaphor of reservoirs of hope to promote practitioner reflection on the value systems leadership styles and sustainability strategies of headteachers as they act as the external reservoir of hope for their schools whilst ensuring that their own internal reservoir of hope never runs dry It also offers a theological reflection on the spiritual and moral leadership of headteachers providing a connecting bridge between educational leadership and theology

Born and Made Sarah Franklin, Celia Roberts, 2006-11-19 Born and Made examines the case of preimplantation genetic diagnosis PGD the procedure used to prevent serious genetic disease by embryo selection and the so called designer baby method It shows that far from being a runaway technology the regulation of PGD provides an example of precaution and restraint

Heaven in Ordinary David Jasper, 2018-11-29 Heaven in Ordinary is like a love affair with poetry that engages with religious questions for good or ill concerned with five poets who are haunted by God Poets in times of great faith and times of doubt have expressed for us their sense of both the presence and the absence of God in language that is sometimes almost sacramental in its weight of beauty love fear anger or despair The poets considered here all relate in some way to the traditions of Anglicanism through the centuries reflecting both a common humanity and a wide breadth of human experience as it struggles with God Heaven in Ordinary is deliberately

autobiographical in approach as it is grounded in David Jasper's own lifetime experience of reading poetry since his school years and over four decades as a priest. The poets he so beautifully discusses have related both positively and negatively to the Christian faith and the Anglican tradition. Some are deeply religious, others are haunted by God and the divine mystery.

Teaching with Integrity Bruce Macfarlane, 2004-06-01 This is a book about the ethics of teaching in the context of higher education. While many books focus on the broader socially ethical topics of widening participation and promoting equal opportunities, this unique book concentrates specifically on the lecturer's professional responsibilities. It covers the real life messy everyday moral dilemmas that confront university teachers when dealing with students and colleagues, whether arising from facilitated discussion in the classroom, deciding whether it is fair to extend a deadline, investigating suspected plagiarism, or dealing with complaints. Bruce Macfarlane analyses the pros and cons of prescriptive professional codes of practice employed by many universities and proposes the active development of professional virtues over bureaucratic recommendations. The material is presented in a scholarly yet accessible style, and case examples are used throughout to encourage a practical reflective approach. *Teaching With Integrity* seeks to bridge the pedagogic gap currently separating the debate about teaching and learning in higher education from the broader social and ethical environment in which it takes place.

Doubts and Loves Richard Holloway, 2020-01-16 A sensitive, brave, and inspiring book exploring the state of modern Christianity from the international bestselling author of *Leaving Alexandria*. Karen Armstrong, a prize-winning author and former Bishop for the Scottish Episcopal Church, says Richard Holloway has written extensively on the role of religion in modern society. Now in this passionate and heartfelt book, Holloway interrogates the traditional ways of understanding the Bible. In doing so, he demonstrates the power of the great Christian stories as they apply today, so far removed from their antiquated settings. Holloway's sophisticated and sensitive approach provides a blueprint for living with faith that takes the core teachings of the Christian past and invigorates them with renewed power for today's world. The result is an exhilarating book. It is not every day that you encounter a person of Richard Holloway's experience wrestling with the very foundations of his chosen way of life. This in itself gives the book a tone of urgency. *The Scotsman* UK. This edition of *Doubts and Loves* includes a new afterword by the author. I don't know when I have been more impressed, indeed excited, by a work. It answers the seemingly tormenting questions in a completely satisfying way. Ruth Rendell.

Last Words Richard Holloway, 2025-08-28 Richard Holloway has been the archetypal turbulent priest. Having risen to be the Primus, Head of the Scottish Episcopal Church, he abandoned religion and ecclesiastical office to fight for the rights of minorities and to write a string of best-selling books, most famously *Leaving Alexandria*. He also became Chairman of the Scottish Arts Council. In this his last book, he reflects deeply on his life, most especially as a child of desperately poor parents in Dumbartonshire in Scotland. He tells the story of how he found faith but then abandoned Christian orthodoxy after leaving office as Head of the Scottish Episcopal Church and discovered a new life as a writer, broadcaster, journalist, and public intellectual. This book

opens and ends with chapters of a philosophical kind in which he explains how he lost belief in a loving God and became true to himself

The Heart of Things Richard Holloway, 2021-11-04 Richard Holloway is one of our most beloved public thinkers Throughout his life he has turned to poets and writers to help answer the big questions and for solace and guidance in the face of life's challenges Now he shares those poems and words which have been his own guide offered in the hope they will help us too This is a book to turn to for inspiration guidance and comfort It offers lessons from those who in Richard's words know best how to listen and teach us to listen all united by the sensual appeal of words the pain and pleasure they impart It is a book to treasure

Waiting for the Last Bus Richard Holloway, 2018-03-01 Where do we go when we die Or is there nowhere to go Is death something we can do or is it just something that happens to us Now in his ninth decade former Bishop of Edinburgh Richard Holloway has spent a lifetime at the bedsides of the dying guiding countless men and women towards peaceful deaths In *The Last Bus* he presents a positive meditative and profound exploration of the many important lessons we can learn from death facing up to the limitations of our bodies as they falter reflecting on our failings and forgiving ourselves and others But in a modern world increasingly wary of acknowledging mortality *The Last Bus* is also a stirring plea to reacquaint ourselves with death Facing and welcoming death gives us the chance to think about not only the meaning of our own life but of life itself and can mean the difference between ordinary sorrow and unbearable regret at the end Radical joyful and moving *The Last Bus* is an invitation to reconsider life's greatest mystery by one of the most important and beloved religious leaders of our time

Looking In the Distance Richard Holloway, 2009-08-06 Spirituality like morality has historically been tied to religion and yet it is possible for one to exist without the other In this meditative and highly personal account Richard Holloway considers the nature of the spiritual and what it means to live with the inevitability of death Both celebration of the possibilities that life affords and an examination of how doubts and fears too often paralyse especially as we age *Looking in the Distance* is an inspiration told with the compassion and good humour characteristic of its author

What It Means to Be Moral Phil Zuckerman, 2020-09-15 A thoughtful perspective on humans capacity for moral behavior Kirkus Reviews A comprehensive introduction to religious skepticism Publishers Weekly In *What It Means to Be Moral* Why Religion Is Not Necessary for Living an Ethical Life Phil Zuckerman argues that morality does not come from God Rather it comes from us our brains our evolutionary past our ongoing cultural development our social experiences and our ability to reason reflect and be sensitive to the suffering of others By deconstructing religious arguments for God based morality and guiding readers through the premises and promises of secular morality Zuckerman argues that the major challenges facing the world today from global warming and growing inequality to religious support for unethical political policies to gun violence and terrorism are best approached from a nonreligious ethical framework In short we need to look to our fellow humans and within ourselves for moral progress and ethical action In this brilliant provocative and timely book Phil Zuckerman breaks down the myth that our morality comes from religion compellingly making the case

that when it comes to the biggest challenges we face today a secular approach is the only truly moral one Ali A Rizvi author of *The Atheist Muslim* *Ingenious Nonsense* Fouad Bishay Michael, 2012-05-30 Dr Michael presents to us an overview of the three fundamental branches of science physics chemistry and biology in a simple and easy to understand fashion With this basic knowledge he leads us to re evaluate the alternative explanation of the natural world as envisioned by religion philosophy and pseudoscience with their abstract ideas that have dominated human culture for thousands of years The result is an intellectual journey to reach the truth and achieve the thought after well being of mankind and global peace

The Meaning of Death Kai Horsthemke, 2024-07-23 If death is the cessation of life then as a concept it draws its meaning from the preceding life While death and dying are inextricably connected dying is still a part of life unlike death The Meaning of Death A Philosophical Investigation analyzes death and dying the biotechnical quest for immortality the afterlife and the rationality of self chosen death Assuming eternal life will one day become possible Kai Horsthemke argues that immortality is not obviously desirable and that even if the right to life in principle includes the right to eternal life it must also include the right to self determined dying and death Although there is no creationist basis for existence and the finality of death remains a universal inevitable prospect this need not undermine confidence in the personal and transpersonal value of human activities Life is valuable not only because of its uniqueness and unrepeatability but also because it is finite The meaning of death is essentially that it gives meaning to life

The Disappearance of God Dr. R. Albert Mohler, 2009-05-05 Great biblical truths are meant not only for our intellectual acceptance but for our spiritual health Dr Al Mohler More faulty information about God swirls around us today than ever before No wonder so many followers of Christ are unsure of what they really believe in the face of the new spiritual openness attempting to alter unchanging truth For centuries the church has taught and guarded the core Christian beliefs that make up the essential foundations of the faith But in our postmodern age sloppy teaching and outright lies create rampant confusion and many Christians are free falling for feel good theology We need to know the truth to save ourselves from errors that will derail our faith As biblical scholar author and president of The Southern Baptist Theological Seminary Dr Albert Mohler writes The entire structure of Christian truth is now under attack With wit and wisdom he tackles the most important aspects of these modern issues Is God changing His mind about sin Why is hell off limits for many pastors What s good or bad about the dangerous emergent movement Have Christians stopped seeing God as God Is the social justice movement misguided Could the role of beauty be critical to our theology Is liberal faith any less destructive than atheism Are churches pandering to their members to survive In the age old battle to preserve the foundations of faith it s up to a new generation to confront and disarm the contemporary shams and fight for the truth Dr Mohler provides the scriptural answers to show you how

Conjectures James Leatt, 2022-11-11 James Leatt was nine when the Nationalist Party came to power and eleven when he saw a documentary of the Allied forces liberating Nazi death camps For most of his life the shadows of apartheid and the Holocaust have dogged his beliefs about faith the meaning

of life and the moral challenges humankind faces *Conjectures* is a philosophical reflection on his life and times as he grapples with the realities of parish work in black communities teaching ethics in a business school under apartheid managing a university in the dying days of the Nationalist regime and eventually working in higher education in post apartheid South Africa Weaving strands of his personal life with the questions of theodicy and modernity as well as drawing upon the Western philosophical tradition and the wisdom of East Asian traditions such as Taoism and Buddhism he comes to terms with a disenchanted reality which has no need for supernatural or magical thought and practice He has learned to live with questions If you no longer believe in God and a sacred text what are your sources of meaning What kind of moral GPS allows you to find your way Is what might be called a secular spirituality even possible *Conjectures* traces the author's search for a secular way of being that is meaningful mindful and reverent *Ministry in Conversation* Andy Goodliff, John E. Colwell, 2022-04-13

In this book of essays for Paul Goodliff some of the loves of his life are put into conversation with the practice of ministry Paul Goodliff has been a Baptist minister for nearly thirty five years in roles that have been local regional national and ecumenical Ministry has also been the subject of his own research and publications *Ministry in Conversation* seeks to extend his work and offer new insights *Melodies of a New Monasticism* Craig Gardiner, 2018-03-09 The New Monastic Movement is a vibrant source of renewal for the church's life and mission Many involved in this movement have quoted Dietrich Bonhoeffer's conviction that the church must recover ancient spiritual disciplines if it is to effectively engage the powers that be *Melodies of a New Monasticism* adopts a musical metaphor of polyphony the combination of two or more lines of music to articulate the way that these early Christian virtues can be woven together in community Creatively using this imagery this book draws on the theological vision of Bonhoeffer and the contemporary witness of George MacLeod and the Iona Community to explore the interplay between discipleship doctrine and ethics A recurring theme is the idea of Christ as the *cantus firmus* the fixed song around which people perform the diverse harmonies of God in church and world including worship ecumenism healing peace justice and ecology *Dictionary Of Atheism Skepticism & Humanism* Bill

Cooke, 2009-12-30 In the tradition of Voltaire's *Philosophical Dictionary* Ambrose Bierce's *Devil's Dictionary* and Joseph McCabe's *Rationalist Encyclopedia* this accessible dictionary addresses the contemporary need for a reference book that succinctly summarizes the key concepts current terminology and major contributions of influential thinkers broadly associated with atheism skepticism and humanism In the preface author Bill Cooke notes that his work is intended for freethinkers in the broadest sense of the word people who like to think for themselves and not according to the preplanned routes set by others This dictionary will serve as a guide for all those people striving to lead fulfilling morally responsible lives without religious belief Readers are offered a wide range of concepts from ancient well known notions such as God free will and evil to new concepts such as eupraxsophy Also included are current buzzwords that have some bearing on the freethought worldview such as metrosexual The names of many people whose lives or work reflect freethought principles

form a major portion of the entries Finally a humanist calendar is included on which events of interest to freethinkers are noted This unique accessible and highly informative work will be a welcome addition to the libraries of open minded people of all philosophic persuasions

Ethical Exploration in a Multifaith Society Catherine Shelley, 2017-03-24 This book considers the theory and application of ethics for a multifaith society Much ethics taught in the UK has been dominated by Christian ethics their relation to secularism and by the Enlightenment s reaction against theology as a basis for ethical thought In contrast to these perspectives this book brings secular and theological ethics into dialogue considering the degree to which secular ethics has common roots with theological perspectives from various traditions The book assesses the application of ethical and theological principles in today s multifaith society Aiming to enhance ethical understanding and awareness across divergent worldviews identifying at what points divergence does occur the author examines topics such as reason and ethics in theology natural law utilitarianism and deontology and differences of approach to interpreting religious scriptures The focus on ethical methods is illustrated through topical concerns in religion and ethics for example sexuality marriage and education and religion in relation to global ethics and human rights
