Godly and Righteous, Peevish and Perverse Raymond Chapman, 2002 This anthology celebrates an enduring social figure the holy or not so holy man or woman of God They are as varied as they are numerous they may be idle or diligent rich or poor adventurous studious corrupt fervent petulant domineering wise foolish loveable or detestable ambitious or humble The Reformation ushered in a new kind of holy man the married priest and we see these figures at home as well as in their pulipts or about their parishes Drawn from a thousand years of literature and letters this is a unique and thoroughly enjoyable collection This text refers to an alternate Hardcover edition Raymond Chapman is Emeritus Professor of English Literature in the University of London a non stipendiary priest in the diocese of Southwark and a Vice Chairman of the Prayer Book Society His many books include numerous literary studies and Leading Intercessions Stations of the Nativity Stations of the Resurrection Days of Grace and A Pastoral Prayer Book This text refers to an alternate Hardcover edition **Origin of Species** Martyn Percy, 2006-12-19 Explores the origins and development of the clergy using a variety of sources and insights from thinkers such as Darwin and Foucault Law and Revelation Raymond Chapman, 2009-10-30 Richard Hooker 1554 1600 is widely regarded not only as the leading apologist of the Elizabethan age but one of Anglicanism's most accomplished and influential thinkers of all time Much of Anglicanism as we know it today owes its character to the course Hooker deftly charted between Catholic and Protestant claims His Laws of Ecclesiastical Polity published in seven volumes set out the constitution of the Church of England and enshrine a philosophical and theological outlook that is characteristic of Anglicanism to this day He opposed a literal and absolute interpretation of Scripture and instead advocated an appeal that incorporated reason which remains the response of mainstream Anglicanism to complex ethical and moral questions today This volume sets Richard Hooker's life in the context of contemporary parties and opinions within the Elizabethan Church and provides an extensive reader of his original work in the fields of Scripture reason tradition doctrines and the governance of the Church The Living Church ,2003 Cathedral Age ,2001 The Publishers Weekly ,2003 The Collar Sue Sorensen, 2014-06-11 Combining thematic analysis and stimulating close readings The Collar is a wide ranging study of the many ways heroic or comic shrewd or dastardly Christian ministers have been represented in literature and film Since all Christians are expected to be involved in ministry of some type the assumptions of secular culture about ministers affect more than just clergy Ranging across several nations particularly the U S Britain and Canada denominations and centuries The Collar aims to encourage creative and faithful responses to the challenges of Christian leadership and to provoke awareness of the times when leadership expectations become too extreme Using the framework of novels plays TV and movies to make inquiries about pastoral passion frustration and fallibility Sue Sorensen's well informed sprightly and perceptive book will be helpful to pastors parishioners those interested in practical theology and anyone who enjoys evocative literature and film The English Cult of Literature William R. McKelvy, 2007 What constitutes reading This is the

question William McKelvy asks in The English Cult of Literature Is it a theory of interpretation or a physical activity a process determined by hermeneutic destiny or by paper ink hands and eyes McKelvy seeks to transform the nineteenth century field of Religion and Literature into Reading and Religion emphasizing both the material and the institutional contexts for each In doing so he hopes to recover the ways in which modern literary authority developed in dialogue with a politically reconfigured religious authority. The received wisdom has been that England's literary tradition was modernity s most promising religion because the established forms of Christianity wounded in the Enlightenment inevitably gave up their hold on the imagination and on the political sphere Through a series of case studies and analysis of a diverse range of writing this work gives life to a very different story one that shows literature assuming a religious vocation in concert with an increasingly unencumbered freedom of religious confession and the making of a reading nation In the process the author shifts attention away from the idea of the literary critic in favor of considering the historic role of religious professionals in shaping and contesting the authority of print Indebted to recent findings of book history and newer historiographies at odds with conventional secularization theory this work makes an interdisciplinary contribution to revising the existing models for understanding change in Britain during the eighteenth and nineteenth centuries Talking the Walk Marva J. Dawn, 2018-01-04 Experience in the classroom at Nebraska Wesleyan and Wesleyan Universities has shown that there is need for an edition of the documents constituting the main sources of the Hexateuch It is impossible to teach the Old Testament historically without frequent reference to J E and P Students become interested in the problem and wish to read sources only to discover that the desired documents are not available The Sources of the Hexateuch is an attempt to supply this need by editing the documents J E and P according to the consensus of English Scotch Dutch German French Swiss and Ameri
