## **Gods Eyes And Other Parables:**

See Yourself Through God's Eyes Marie Paul Curley, 2019-03-25 Through the use of meditations Scripture passages stories and prayers Sr Marie Paul Curley offers a way to develop a personal relationship with God and to discover his unconditional love for us Curley writes from her own experience creating a guide to fostering healthy self esteem and a sense of personal affirmation for even the busiest reader *The Parables of Jesus Explained and Illustrated* Friedrich Gustav Lisco, 1850 **The Parables of Jesus and the Problems of the World** Richard Q. Ford, 2016-09-09 Remarkable is how extensively in each parable Jesus provides a subtle but rich array of unexpected possibilities hidden within the hierarchies of power so commonplace in his world By doing so he profoundly addresses the perils inherent in the prerogatives of many of us living in today's world In these ancient interpersonal tragedies readers can discover modern global analogues where the powerful still control the powerless and where others of us immersed as we are in privilege are still willing to side with control *The Watchful Gods And Other Stories* Walter Van Tilburg Clark, 2023-04-28 This edition of Walter Van Tilburg Clark's collection of short stories which includes Hook Clark's most renowned story makes these pieces available again to a new generation of readers Critic John R Milton once said that Walter Van Tilburg Clark did perhaps more than anyone else to define in his fiction the mode of perception the acquisition of knowledge and the style which we tend to call Western In 1950 Walter Van Tilburg Clark author of the acclaimed novel *The Ox Bow Incident* published a collection of short stories that had already won distinction in various national magazines The collection was well received by reviewers and subsequent critics have noted that these stories reflect both Clark's literary power and the major concerns of his novels the interior and intuitive complexities of good and evil and the fragile intricate web that connects humankind to the rest of the natural world A foreword by Ann Ronald one of the West's most astute literary critics sets the stories into the context of Clark's oeuvre and illuminates the way they reveal crucial characteristics of this writer's imagination **The Broken Chain, and Other Stories on the Parables** A. L. O. E., 1864 **The Parables of the Synoptic Gospels** Bertram T. Smith, 1937 All God's Sparrows and Other Stories Leslie Budewitz, 2024-09-17 Born into slavery in Tennessee the remarkable Stagecoach Mary Fields was a larger than life figure who cherished her independence yet formed a deep bond with the Ursuline Sisters traveling to their Montana mission in 1885 and spending the last thirty years of her life living there or in nearby Cascade Mary is believed to have been the first Black woman in the country to drive a U S Postal Star Route the source of her nickname In *All God's Sparrows and Other Stories* Agatha Award winning author Leslie Budewitz brings together three short stories each originally published in *Alfred Hitchcock Mystery Magazine* imagining the life of Stagecoach Mary in her first year in Montana and a novella exploring her later life including *All God's Sparrows* winner of the 2018 Agatha Award for Best Short Story *Miss Starr's Goodbye* a nominee for the Short Mystery Fiction Society's Derringer Award *Coming Clean* a finalist for the Western Writers of America's 2021 Spur Award for Best Short Story and *A Bitter Wind* a brand new novella in which

Mary helps a young woman newly arrived in the valley solve the mystery of her fiancé's death and his homesteading neighbors' bitterness toward him. Includes an abbreviated bibliography and historical notes from the author. Praise for *All God's Sparrows and Other Stories*: Budewitz captures a complex and complicated Mary Fields and comes closer to the truth than the caricatures that have evolved around the remarkable life of this singular woman of the West. Quintard Taylor, PhD, Founder of BlackPast.org. Finely researched and richly detailed, *All God's Sparrows and Other Stories* is a wonderful collection. I loved learning about this fascinating woman and what a character she is. Kudos to Leslie Budewitz for bringing her to life so vividly. Kathleen Grissom, New York Times bestselling author of *Crow Mary*. In *All God's Sparrows and Other Stories*, A Stagecoach Mary Fields Collection, Leslie Budewitz masterfully illuminates the life of Stagecoach Mary Fields with a deft hand and empathetic eye. Budewitz vividly portrays the remarkable journey of this little-known woman of the West, shining a light on her courage, resilience, and unyielding commitment to justice. Budewitz's exceptional storytelling prowess is evident throughout this captivating collection of short stories. Ann Parker, author of the award-winning Silver Rush mystery series. In this beautifully drawn portrait of Mary Fields and life in 1897 Montana, Leslie Budewitz weaves stories of hardship and dedication, mystery and love. From a half-Blackfeet child to a forthright lady of the night to active and former missionary nuns, you'll read rich studies of human hearts, the tough life of the frontier, and the contemplative mind of Stagecoach Mary. *All God's Sparrows and Other Stories* is a must-read by a master writer. Edith Maxwell Maddie Day, Agatha Award-winning author of the historical Quaker Midwife Mysteries and *A Case for the Ladies*. A Dot and Amelia Mystery. Impeccably researched and written with clear fondness and respect for the once-living people who inspire the characters, Leslie Budewitz has crafted fiction that demystifies the American West while honoring the strength of individual spirit that resides as the region's most enduring characteristic. Mary's access to the people living in this sparse, enchanting landscape offers intimate knowledge of her neighbors' lives, feeding our fascination with the history unearthed and the small mysteries that propel these stories. Mark Hummel, author of *Man Underground* and *In the Chameleon's Shadow*. A suspenseful and riveting story cycle. Budewitz expertly balances established historical detail with a storyteller's sense of possibility and an uplifting compassion, too. Art Taylor, Edgar Award-winning author of *The Adventures of the Castle Thief* and *Other Expeditions and Indiscretions*. Leslie Budewitz pens a lyrical tribute to this tireless caretaker of all those infirm, young, fragile, or helpless. I love her portrayal of this iconic hero as motherly and bold as the West was wide. Even God needs her. As do we. Sidney Thompson, author of *The Bass Reeves Trilogy*. **The Parables of Jesus** R. T. Kendall, 2008-09. IN THIS KINGDOM NOT EVEN THE ROYALS ARE IMMUNE TO DANGER. With a sexy FBI agent posing as her suitor, Princess Laila of Qamsar is home for the wedding of her brother, the Emir. In truth, the beautiful royal and Harris Truman are on an undercover mission to find the infamous terrorist; her brother is suspected of aiding him. But once the festivities begin, Laila faces a bigger threat than Al Adel. Her secret meetings with Harris pose a danger to her safety and her heart. To gain his love and live in freedom as his equal is

her ardent desire But will she betray her traditions for a man whose kisses are part of a charade **Back to God's Country; and Other Stories** James Oliver Curwood,2025-08-16 Reproduction of the original The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage **Expiated, and other stories** Bertha Jane Laffan,1881 When God Laughs And Other Stories Jack London,2017-07-04 Named after the first story about a couple that tries in vain to uphold an intensely idealistic romance against the erosions of time and the inconstancy of human nature the collection explores themes for which London became famous the struggle for survival in the midst of hostile environments human nature s most elemental drives and worker abuse in industrialized society In The Apostate a grim story about a young man who is brutalized by the working conditions in a textile mill yet achieves a kind of liberation in the end London s fascination with primitive male characters is evident in Just Meat a story of two thieves who plot each other s demise in a selfish grab for a hoard of recently stolen jewelry Here are a marvelous selection of Jack London s short fiction including When God Laughs The Apostate A Wicked Woman Just Meat Created He Them The Chinago Make Westing Semper Idem A Nose for the King The Francis Spaight A Curious Fragment A Piece of Steak **Discovering the Parables** Henry G. Covert,2007-12-30 Long before there were printing presses copy machines and email societies used storytelling to convey beliefs history and traditions This practice preceded the ministry of Jesus and continues today in many cultures But Jesus was a master of storytelling His words provide many with guidelines and a road map for living Using familiar imagery found in nature and other recognizable sources he engaged his listeners with lessons that confronted every aspect of their lives providing the tools for self examination and change Speaking in parables however sometimes caused confusion for his listeners and readers today may wonder what exactly he meant and how his words apply to everyday life This book looks at each of Jesus s parables explaining the key points the central themes and the meanings we can take away from the stories By considering each parable in depth the author helps readers come to a better understanding of the teachings of Jesus and what they mean for our lives *The Puzzle of the Gospels* Peter Vardy,Mary E. Mills,2015-02-24 First Published in 2015 The gospels tell a story There are many types of story ranging from fiction through biographies to attempts at historical accounts Even so called true stories will be affected by the perception of the writer It is impossible to present any book without taking the viewpoint of the author into account which is one reason why this book will be devoting considerable time to understanding the purpose and intention of the individual gospel writers Matthew Mark Luke and John present different accounts of the life and death of Jesus of Nazareth as one might expect from four people who although they use some common material nevertheless present this material in distinctive ways This book will be concerned with helping you the reader to understand the gospel stories and how they came to be written to bring to light the implicit references that were being made of which modern readers may be unaware and also to consider the issue of the truth of the stories **Sermons**

Creation Dr. Justo L. Gonzalez,2015-11-03 How and why God loves us God s good creation This book will talk about the doctrine of creation and invite us to look closely at who God is and who we are in relationship with God As people of faith we believe that our gracious God created all there is but does that also mean that God also created evil How does creation jive with what scientists are telling us about the origin of the universe What does the doctrine of creation tell us about what we call the creation that is the world its value purpose etc How does understanding the world as God s creation teach us about our role in creation care The Bible tells us that God created the heavens and earth but does that deny the science of the Big Bang What does believing that God is the Creator say about how God loves redeems and sustains us today or does creation say something only about the past What about the new creation Does this have anything to do with the old creation Does it mean simply that God is so tired of the rebelliousness of creation that it seems best to erase the present one and start anew Or is there a connection between the two What does the doctrine of creation say about us Aren t we created in God s image and aren t we part of the good creation of a loving God If so why is there evil and rebelliousness in us Where does our ill will our desire to do evil come from Is there

freedom of the will or are all things preordained by God Just how detailed is God s plan for us While no one author can deal with all these questions this book will help us begin the conversation and gain new understanding of how the doctrine of creation can help us address these very human and timeless questions Series Description Belief Matters How to Love God with Your Mind is a series of books written by widely recognized authors who will help readers think more clearly about their faith and better understand their beliefs so that they can live more faithfully These books will also help readers become aware of thoughtful resources and conceptual frames of reference that not only will deepen their faith but also help them better understand what we say and do in Church Conversational in tone these books are reflections on major theological topics and are suitable for a 4 session individual or group study The intent of the series is to help readers feel as though they are sitting having coffee as authors share their take and show that by thinking more clearly about the faith persons can love God more fully live with confidence and change the world **The British and Irish Short Story Handbook** David
