God's Love In 3-Dimensions Jim McGrew, 2007-03-27 Could there be anything more exciting and blessed assurance in our life than knowing that the creator of the universe loves us That is what this book God s love in 3 dimensions is about God s love for us and His designed purpose for our lives Reflecting back over more than forty years of service in the Body of Christ I have found the most important things to be taught and expressed to bring love and unity and success to the life of the Church and to our personal lives are God s love for us Our love for God and Our love for one another For the success and the life of the Church and for our personal lives God s love must prevail God s

Love in 3 dimensions reiterates the plea of the writings of our Lord's Apostles and the prayer of our Lord for love and unity. The apostles of our Lord pleaded for us throughout the scriptures to have love and unity through the Spirit of God's love. Jesus our Lord prayed for God's unity and love for His followers that all of them may be one Father just as you are in Me and I am in You. I have made You known to them and will continue to make You known in order that the love You have for Me may be in them and that I Myself may be in them. John 17:21-26. What great accomplishments and success await us when we walk in unity with our Lord and Heavenly Father. The greatness of God's love, joy and peace fills our hearts, souls and minds, providing divine direction and assurance as we walk in our Lord's Spirit of love. And what great accomplishments have been made by the body of Christ when our Lord's love and unity prevail among His body members when working together in the directives and spirit of their Lord. What creates and produces unity with the Heavenly Father within us and within the body of Christ? God's love. What motivated God's plan of salvation for mankind? God's love. What power innovated and sustained our Lord and Savior in carrying out God's plan of salvation? God's love. What would be the greatest and most significant news a person could receive? God loves you. What is the greatest and most significant news one could ever share with another? God loves you. What brings unity and peace within our individual selves and the Lord's Church? The knowledge, the receiving and the expression of God's love. This book is written through the spiritual desire to glorify and praise the Triune God Head for their love.

Living God's Love Douglas Cooper, 1995 **God's Love for the Shameful** Beverly D. Wiebe, 2012-08. In a world misguided by shame it is important to know that life can be better and that everyone is entitled to live a life of abundance. In her guidebook *God's Love for the Shameful* Beverly Wiebe offers hope for others that life is not fruitless and that all of us have value through the love of God. Through sharing her personal experiences of how God has worked in her own life and referencing applicable scriptures, Wiebe illustrates how shame can control our lives if we allow it. While encouraging spiritual seekers to walk in freedom through the glory of Jesus Christ, Wiebe offers tidbits of wisdom that teach others how to move away from the past, overcome the negative feelings that accompany failure and realize that God always keeps His promises. None of us are on this earth just to exist. God's Love for the Shameful shares the inspirational story of how one woman slowly came to realize that every individual is capable of claiming an abundant life through the warmth and transformative power of the Lord.

Helps to the Assurance of God's Love; whereby a true believer may with the help of God's good Spirit, know that he had a being in the love of God before he had a being in the world. To which is added, a spiritual touch-stone for the trial of the sincerity of our love to God. (Helps to the assurance of our election. The Evidences of Sanctification.). Samuel Pack, 1673 **Understanding God's Love** Ronald Greib, 1997. Ronald Grieb has undertaken a study of how God is misunderstood and misrepresented, showing how false ideas of God neutralize His power and authority and lead people into the worship of false deities of their own manufacture.

Vanderburg,2018-01-01 The ongoing political muscle flexing of diverse Christian communities in North America raises some deeply troubling questions regarding their roles among us Earlier analyses including Herberg s Protestant Catholic Jew showed that these three branches of the Judaeo Christian tradition correspond to three forms of the American way of life while Kruse s One Nation Under God showed how Christian America was shaped by corporate America Willem H Vanderburg s Secular Nations under New Gods proceeds based on a dialogue between Jacques Ellul s interpretation of the task of Christians in the world and Ellul s interpretation of the roles of technique and the nation state in individual and collective human life He then adds new insight into our being a symbolic species dealing with our finitude by living through the myths of our society and building new secular forms of moralities and religions If everything is political and if everything is amenable to discipline based scientific and technical approaches we are perhaps treating these human

creations the way earlier societies did their gods as being omnipotent without limits Vanderburg argues that until organized Christianity becomes critically aware of sharing these commitments with their societies it will remain entrapped in the service of false gods and thereby will continue to turn a message of freedom and love into one of morality and religion
