God's Everyday Miracles can often go ignored or forgotten wiped away as coincidence or just good fortune God is constantly working in our lives and we simply become oblivious to it I don't believe that this is our intention but the world can unknowingly skew our vision This workbook is intended to aid us in removing the blinders over our eyes It is also partly intended to function as a journal so that you the reader may use it as a tool to regain your vision Let's start retraining ourselves to see and acknowledge where we should be singing God's praises Let's train ourselves to begin looking into our lives and notice where He has been at work Let's develop a God microscope to help us interpret our crazy lives and see where we have experienced God's mighty hand I have both heard and experienced countless acts of God We all have God is constantly active in our lives Let's stop sweeping His miracles under the rug Instead let us start uncovering them Let's start training ourselves to notice them so we can sing about them Let's praise His mighty name

My Life's Journey of Miracles, Heartaches, and Spiritual Warfare Glenda Holdridge, 2025-06-26 Glenda Holdridge faced a new season in life after suffering a stroke in February 2021 She had been the leader of an incredible church Celebrate Recovery in Pittsburg Texas With other church leaders she had taught members the basics of salvation and shared a Holy Spirit given love for the one who had brought them out of their lowest pit She had been told many times If this hadn't worked I would have left and taken my life Then she had watched those same people raise their hands to worship their holy God every Sunday How could she give that up In this memoir the author looks back at the challenges she has overcome and celebrates how the Lord took the most horrible things in her life and turned them into the fuel to ignite a ministry Even though she divorced in 1965 which such a thing was unheard of among churchgoers had a child out of wedlock and contended with a child who strayed from the Lord she surrendered everything she had to God and that made all the difference

The Miracles In You Mark Victor Hansen, 2015-04-14 Mark Victor Hansen co author of Chicken Soup for the Soul authors the ultimate book on personal and spiritual success for the 21st century

My Journey With Breast Cancer and God's Miracles That Sustained Me Cathy Suitor Riley, 2007-12-05 Cathy Suitor Riley decided to write this book during her treatments for bilateral breast cancer It seemed to help to put her experiences on paper and she was hoping that her story would inspire and strengthen anyone that was going through any type of trial not just breast cancer It is obvious throughout this book that God was ever present during her journey and carried her when she couldn't carry herself The faith that Cathy was taught during her childhood from the two Christian parents she was blessed with is what made all the difference in her life She knows that without those teachings and lessons in faith she may have given up from the very first day of her diagnosis Cathy had always said she didn't see how any woman could go through breast cancer because she would have to give up her hair and breasts the two main things that make a woman feel feminine It is obvious now that the way a woman gets through this is from the strength given to her by God Only God can carry any of us through the trials we will face in this life and there will always be trials as long as we live on this earth It is this author's hope that this book will give you strength hope faith and the knowledge that your God

is always with you and He is waiting for you to seek Him and depend on Him for everything He is as close as our next breath and He is our very best friend Always draw near to God and He will carry you through all things of this world May God bless you as you read and meditate on this book **God, The Joy of My Life: A Biography of Saint Teresa of the Andes**
