A Fragile Hope Charles R. Ringma,2021-10-12 We are living in challenging times And it is easy to escape pine for the good old days or unrealistically dream our way into the future

Instead we are invited in this book to face our troubled world to identify our inner struggles of faith and to voice our anxieties and pain And most importantly we are invited to wrestle with the God who so often seems absent Living with a fragile hope we are called by the gospel to nurture an inner life that responds with faith and courage to the brokenness of our world and the woundedness of our inner being Loving God, Loving Neighbor Peggy Kendall; Claire Smith; Tim Ke,2008-04-01 In almost every congregation there is a searching youth who is somehow different from the rest one who thinks more deeply asks more questions and wants to make a difference in the world This young person may be seen as a loner an upstart or someone who does not fit Youth workers may not know what to do with these inquisitive youth and a youth program that meets the congregation's expectations probably won't connect with the needs and interests of searching youth Eventually searching youth turn into searching adults who continue to stir things up and enrich the life of our congregations with their questions insights witness and service These young people have the capacity and ability to provide significant leadership in our congregations now and in the future Because of their unique gifts we are offering this book as a resource for pastors teachers and youth leaders who work with them In this book faculty members students and recent graduates of Saint Paul School of Theology look through the eyes of their academic disciplines and ministry experience to explore the foundations for ministry with searching youth and to offer designs for your ministry The God of Hope Dan R. McCaig,2010-05-06 What does it mean to be church Is it spending an hour on Sunday with people who look think and act much as we do Or is it something more incarnational that seeks out those who are different the ones living on the margins For centuries Christians have presumed that we are to take the gospel to the poor Instead Wendy McCaig invites us to receive the gospel from the poor Through a series of encounters with incarcerated homeless and impoverished individuals Wendy McCaig experienced the mysterious power of Christian hospitality that turns strangers into family Her gift for storytelling brings this mysterious transformation to life Inspired by the dreams of a homeless mother who wanted to help her neighbors McCaig started a

ministry that empowers formerly homeless individuals to live out their dreams Together these dreamers are transforming their city one person one community and one church at a time Her true stories of the least the lost and the forgotten in her community will show you the Good News becoming reality in the midst of injustice in ways that will inspire you and deepen your faith These twenty stories within a story about what ordinary people can do when they come together across racial economic and geographic divides to fight poverty will expand your vision of what it means to be the church With your eyes opened to the needs and gifts of your neighbors you too can begin to dream God sized dreams for a hurting world And as you pray thy kingdom come on earth you will be inspired to live in such a way as to make it happen in your own community

Cimperman, Maria , 2015-09-30 **A Hope-Filled Life** James R. Wilkes, 2021-03-02 Hope is part of the spiritual vocabulary of the believer in Jesus Christ The word is found abundantly in the Scriptures We speak of it in our testimonies and fellowship We sing about it in our corporate worship Yet it would seem at times that our concept of hope is understood in merely some vague way Hope seems like an abstraction something we consider only theoretically not something that really matters or makes a difference However biblical hope is a gospel grace that provides joy and endurance for our lives right now A Hope Filled Life seeks to define biblical hope and provide a practical theology for understanding and applying it to our lives Hope

is indeed not an optional add on but a vital necessity Embracing the many truths about hope in the Scriptures strengthens our hearts As we run the race set before us we must grow in our understanding that Jesus Christ is truly our great Savior and our sure and steadfast hope *A Heart for the Community* John Dr. Fuder,Noel Castellanos,2012-03-21 Islam gentrification AIDS and multiculturalism Where do we face these realities A few years ago it was in the city But today many city dwellers are moving to the suburbs either by choice or because of circumstances beyond their control And this shift is changing both the urban and suburban landscape With this shift in mind editors John Fuder and Noel Castellanos have gathered together a team of experts to help you minister effectively in both the urban and suburban context Divided into four sections Critical Issues Church Planting Models Ministering to Suburban Needs and Para Church Ministries *A Heart for the Community* is a rich resource designed to help you do ministry today *The Rapture Exposed* Barbara R. Rossing,2007-03-30 The idea of The Rapture the return of Christ to rescue and deliver Christians off the earth is an extremely popular interpretation of the Bible s Book of Revelation and a jumping off point for the best selling Left Behind series of books This interpretation based on a psychology of fear and destruction guides the daily acts of thousands if not millions of people worldwide In *The Rapture Exposed* Barbara Rossing argues that this script for the world s future is nothing more than a disingenuous distortion of the Bible The truth Rossing argues is that Revelation offers a vision of God s healing love for the world *The Rapture Exposed* reclaims Christianity from fundamentalists destructive reading of the biblical story and back into God s beloved community

The God of a Second Chance Oliver R. Phillips,1996-09 **Hope for the Oppressor** Patrick Oden,2019-07-26 The liberating work of God calls the oppressed out of oppression and the oppressor out of oppressing The challenge in seeking a thorough liberation of oppressors is to help them understand their need for freedom and how to seek this freedom in their own contexts Patrick Oden provides a holistic biblical historical and theological analysis that diagnoses the underlying motivations and inclinations that lead to oppression

Part one addresses the context of oppression in which most participants in oppression do not actively seek to harm others but are caught up in systems that tend toward the diminishment of others Part two examines the biblical and early Christian response to oppression discovering a thread that avoids condemning participation in society generally while also cautioning the people of God about being co opted by society Part three discusses how oppressors can withdraw from oppression through a constructive analysis of four contemporary theologians Wolfhart Pannenberg J rgen Moltmann Sarah Coakley and Jean Vanier each of whom contributes to a widening vision of liberated and liberating life in which the once oppressed and former oppressor can find peace together in community
