Liturgy and Life Study Bible Paul Turner, John W. Martens, 2023-07-13 How does the Bible form our worship practices? How does liturgy incorporate the Bible? The Liturgy and Life Study Bible explores these questions and provides answers for today's church. This indispensable guide includes essays from the world's top liturgical and biblical scholars on a variety of subjects including Jewish liturgical traditions, Psalms as liturgical prayer, early church worship, social justice, sacraments, the Last Supper, and more. Throughout the biblical text, brief comments flag passages that contain something of liturgical or personal prayer interest. A correlation chart highlights the intersection between biblical passages and the Catholic liturgy, listing every place where a verse of the Bible appears in any liturgical book: the Missal, the orders of sacramental rites, even the Roman Gradual and the Martyrology. This one-of-a-kind tool will serve researchers, catechists, preachers, and anyone studying the Bible for the purposes of prayer and meditation. Uses the New American Bible, Revised Edition. Cover art by Jan Richardson. Includes eight full-color map images. **Africa Study Bible, NLT** John Jusu, 2017 The Africa Study Bible brings together 350 contributors from over 50 countries, providing a unique African perspective.
