Bird,2019-11-20 Harlot or Holy Woman presents an exhaustive study of qede ah a Hebrew word meaning consecrated woman but rendered prostitute or sacred prostitute in Bible translations Reexamining biblical and extrabiblical texts Phyllis A Bird questions how qede ah came to be associated with prostitution and offers an alternative explanation of the term one that suggests a wider participation for women as religious specialists in Israel s early cultic practice Bird s study reviews all the texts from classical antiquity cited as sources for an institution of sacred

prostitution alongside a comprehensive analysis of the cuneiform texts from Mesopotamia containing the cognate qadi tu and Ugaritic texts containing the masculine cognate qd Through these texts Bird presents a portrait of women dedicated to a deity engaged in a variety of activities from cultic ritual to wet nursing and sharing a common generic name with the qede ah of ancient Israel In the final chapter she returns to biblical texts reexamining them in light of the new evidence from the ancient Near East Considering alternative models for constructing women s religious roles in ancient Israel this wholly original study offers new interpretations of key texts and raises questions about the nature of Israelite religion as practiced outside the royal cult and central sanctuary

Fetishism as Cultural Discourse Emily S. Apter, William Pietz, 1993

The Malevolent Eye Pierre Bettez Gravel, 1995 The Evil Eye is one of the most wide ranging systems of beliefs in the world and in history It is more widespread than the belief in one God Yet it is misunderstood and remains rather puzzling and mysterious An explanation of its origins is given here by focusing on the meaning of the eye as symbol rather than on defining the Evil Eye as a problem of vision and gaze As symbol it is presumed to have its roots in pervasive fertility rituals dating back to prehistory The very idea of fertility is the beginning and the end of survival in all subsistence societies This pervasive obsession with production and reproduction not only characterized prehistory and the preindustrial world but has persisted with important modifications into the world of money markets while at the same time retaining the ancient symbols The eye is one such symbol
