**The Gods of the Ancient Slavs** Myroslava T. Znayenko, 1980      **Russian Folk Belief** Linda J. Ivanits, 2015-03-04 A scholarly work that aims to be both broad enough in scope to satisfy upper division undergraduates studying folk belief and narrative and detailed enough to meet the needs of graduate students in the field Each of the seven chapters in Part 1 focuses on one aspect of Russian folk belief such as the pagan background Christian personages devils and various other logical categories of the topic The author's thesis that Russian folk belief represents a double faith whereby Slavic pagan beliefs are overlaid with popular Christianity is persuasive and has analogies in other cultures The folk narratives constituting Part 2 are translated and include a wide range of tales from the briefly anecdotal to the more fully developed narrative covering the various folk personages and motifs explored in Part 1      *Straddling Borders* Elaine Rusinko, 2003-01-01 The Subcarpathian Rusyns are an east Slavic people who live along the southern slopes of the Carpathian mountains where the borders of Ukraine Slovakia and Poland meet Through centuries of oppression under the Austro Hungarian and Soviet empires they have struggled to preserve their culture and identity Rusyn literature reflecting various national influences and written in several linguistic variants has historically been a response to social conditions an affirmation of identity and a strategy to ensure national survival In this first English language study of Rusyn literature Elaine Rusinko looks at the literary history of Subcarpathia from the perspective of cultural studies and postcolonial theory presenting Rusyn literature as a process of continual negotiation among states religions and languages resulting in a characteristic hybridity that has made it difficult to classify Rusyn literature in traditional literary scholarship Rusinko traces Rusyn literature from its emergence in the sixteenth century through the national awakening of the mid nineteenth century and its struggle for survival under Hungarian oppression to its renaissance in inter war Czechoslovakia She argues that Rusyn literature provides an acute illustration of the constructedness of national identity and has prefigured international postmodern culture with its emphasis on border crossings intersecting influences and liminal spaces With extracts from Rusyn texts never before available in English Rusinko's study creates an entirely new perspective on Rusyn literature that rescues it from the clichés of Soviet dominated critical theory and makes an important contribution to Slavic studies in particular and post colonial critical studies in general      **Slavic Mythology** Jan Hanuš Máchal, 2020-07-16 Slavic Mythology is a comprehensive study on myths folklore and legends of the Slavic people settled in Eastern and Central Europe with a meticulous approach to the spirits and ghouls found in Slavic mythical beliefs Thorough and comprehensive research covers various aspects of the theme from stories of spirits of the dead through folk tales of gods and beings of the households forests and water to legends of Slavic gods The study comprehends the mythology of Slavic people of the Elbe river and the Russians with a glance at the Baltic mythology      **Slavic Gods and Heroes** Judith Kalik, Alexander Uchitel, 2018-07-11 This book offers a radical reinterpretation of the Slavic pagan religion made on the basis of a thorough re examination of all reliable

reconstructions of the myths Charney and Slapak unearth the Slavic beliefs before their distortion first by Christian chroniclers and then by nineteenth century scholars seeking origin stories for their newborn nation states They reveal links not only to the neighboring pantheons of Greece Rome Egypt and Scandinavia but also the belief systems of indigenous peoples of Australia the Americas Africa and Asia Specially commissioned illustrations inspired by traditional Eastern and European folk art bring the stories and their cultural landscape to life *Bohemia* Francis Lützow (hrabě),1896

**Bohemia** Franz Graf von Lützow,1896      **Encyclopædia of Religion and Ethics: Sacrifice-Sudra** James Hastings,John Alexander Selbie,Louis Herbert Gray,1920 Scope theology philosophy ethics of various religions and ethical systems and relevant portions of anthropology mythology folklore biology psychology economics and sociology *Slavic Mythology* Sebastian Berg, This book takes you through all Slavic mythology s folklore legends and religious beliefs Not only will we be exploring the monsters that were birthed from the lands of Eastern Europe You ll be taken on a journey on the shores of the Baltic Sea celebrating and even partaking in their rituals and festivals in awe of their sacrifices traditions and offerings to the Gods all with our easy hands on methods and clear instructions suitable for beginners Throughout history chroniclers have found it rather hard to gather a conclusive record of the actual practice of the old Slavic religion due to the wide array of ethnic groups practicing it including but not limited to Russians Ukrainians and even Germans which caused a lot of the beliefs and rituals to differ from one nation to another *Celtic Mythology* John Arnott MacCulloch,1918 This historic book may have numerous typos missing text images or index Purchasers can download a free scanned copy of the original book without typos from the publisher 1918 Not illustrated Excerpt SLAVIC MYTHOLOGY CHAPTER I BELIEF IN SOUL AND GENII IN Slavic belief the soul is a being quite distinct from the body which it is free to leave even during life so that there are many stories of human souls coming forth from the bodies of sleeping persons and either dwelling in trees or in the shape of white birds fluttering about in the world and finally returning to their normal habitations It is inadvisable to go to bed thirsty lest the soul wearied by its search for water may weaken the body If a man faints his soul leaves his body and uneasily flutters about the world but when it returns consciousness is likewise restored Some individuals have lain like dead for three days during which time their souls dwelt in the other world and beheld all that might be seen either in heaven or in paradise A soul which leaves the body when asleep and flies about in the world is called Vjedogonja or Zduh Zduhacz Spirit by the Serbs and not only the souls of sleeping persons but even those of fowls and domestic animals such as cats dogs oxen etc may be transformed into Zduhaczs These genii regardless of nationality sex or age assemble on mountain tops where they battle either singly or in troops the victors bringing to their countrymen a rich harvest and success in breeding cattle but if a man s soul perishes in this fight he will never awake In Montenegro a distinction is drawn between Zduhaczs of land and sea the former causing drought and the latter rain so that the weather depends on which of these two wins A sudden storm points to a battle among such Zduhaczs but in all other respects these genii are considered good and sensible

and stand in high repute The Montenegrins personify the soul as Sjen or Sjenovik Shado
