Gods Party A Guide To New Forms Of Worship:

God's Party David James Randolph, 1975 **A History of Contemporary Praise & Worship** Lester Ruth, Lim Swee Hong, 2021-12-07 Christianity Today 2023 Book Award Finalist History Biography New forms of worship have transformed the face of the American church over the past fifty years Drawing on a wide range of primary sources including interviews with dozens of important stakeholders and key players this volume by two worship experts offers the first comprehensive history of Contemporary Praise Worship The authors provide insight into where this phenomenon began and how it reshaped the Protestant church They also emphasize the span of denominational regional and ethnic expressions of contemporary worship **The Purpose, Pattern, and Character of Worship** L. Edward Phillips, 2020-10-06 Within the broad range of Christianity we find diverse understandings of what makes for good worship The Purpose Pattern and Character of Worship develops a typology of Christian worship to provide a method of assessing the decisions of congregations and leaders in forming and changing the orders of their worship Among contemporary western Protestants we identify at least six discrete characteristics of worship the Revival the Sunday School the Aesthetic Revival the Pentecostal holiness movement the Prayer Meeting the twentieth century Catholic Liturgical Renewal These patterns define contemporary expression as Seeker Worship Creative Worship Traditional Worship Praise Worship House Church Worship Word and Table Worship Absent an overall authority for the structure of worship such as the Episcopal Book of Common Prayer many Protestant congregations have developed a conflation of patterns which often creates incoherent worship This book helps leaders define the purpose character and pattern of their community s worship [Catalog of Copyright Entries.
