seem a small matter the reader should know that Mormonism is not a new religion Those who accept it do not so regard it it makes no such pretensions The institution commonly called the Mormon Church is not a new church it makes no such pretensions as will be seen by its very name the Church of Jesus Christ of Latter day Saints This of itself discloses what The Mormon Church claims to be the Church of Jesus Christ and to distinguish it from the Church of Jesus Christ that existed in former days the phrase of Latter day Saints is added Mormonism I repeat is not a new religion it is the Old Religion the Everlasting Gospel restored again to the earth through the revelations received by Joseph Smith At a glance the reader will observe that these claims in behalf of Mormonism pre suppose the destruction of the primitive Christian Church a complete apostasy from the Christian religion and hence from the standpoint of a believer Mormonism is the Gospel of Jesus Christ restored and the institution which grows out of it the church is the Church of Jesus Christ re established among men During the three quarters of a century that have elapsed since the first revelation was announced by Joseph Smith the world has been flooded with all manner of rumors concerning the origin of Mormonism its doctrines its organization its purposes its history Books enough to make a respectable library as to size have been written on these subjects but the books in the main are the works of avowed enemies or of sensational writers who chose Mormonism for a subject because in it they supposed they had a theme that would be agreeable to their own vicious tastes and perverted talents and give satisfactory returns in money for their labor This latter class of writers have not only written without regard to truth but without shame They are ghouls who have preyed upon the misfortunes of an unpopular people solely for the money or notoriety they could make out of the enterprise That I may not be thought to overstate the unreliability of anti Mormon literature I make an excerpt from a book written by Mr Phil Robinson called Sinners and Saints Mr Robinson came to Utah in 1882 as a special correspondent of The New York World and stayed in Utah some five or six months making Mormonism and the Latter day Saints a special study On the untrustworthiness of the literature in question he says Whence have the public derived their opinions about Mormonism From anti Mormons only I have ransacked the literature of the subject and yet I really could not tell anyone where to go for an impartial book about Mormonism later in date than Burton s City of the Saints published in 1862 But put Burton on one side and I think I can defy any one to name another book about the Mormons worthy of honest respect From that truly awful book The History of the Saints published by one Bennett even an anti Mormon has styled him the greatest rascal that ever came to the West in 1842 down to Stenhouse s in 1873 there is not to my knowledge a single Gentile work before the public that is not utterly unreliable from its distortion of facts Yet it is from these books for there are no others that the American public has acquired nearly all its ideas about the people of Utah To be continue in this ebook     *Your Gift from God the Holy Spirit Matters* Charles Elias Mahlangu,2016-08-22 *Your Gift from God the Holy Spirit Matters* Book 1 This book is part of a 3 book series In *Your Gift from God the Holy Spirit Matters* Charles takes the reader on a hunt to explore how the individual believer is granted a supernatural gift He persuades and convinces the believer to discover his individual

strategic gifting He defines and illustrates the gifts and tackles the controversial Charles says Ministry gifts were given to prepare the saints for the work of service and not to do the work of the ministry He shows how Pentecostal Evangelicals Charismatic Evangelicals and Traditional Evangelicals have been uniquely gifted and what must be discovered at the individual level according to the divine strategy of God the Father God the Son and God the Holy Spirit Spiritual Gifts Welcome to the church Book 2 In Spiritual Gifts Welcome to the Church Charles defines and describes each gift He persuades the believer to connect with individual gifting according to the will of God the Father God the Son and God the Holy Spirit He urges that every believer is entrusted with a gift that can be known and used to benefit many Spiritual gifts Church Under Siege Book 3 In Spiritual gifts Church Under Siege Charles laments over how ministry gifts which were intended to prepare saints have been woefully neglected He argues that believers are granted abilities and leaders are needed who are willing to invest in them He moans that those with ministry gifts of the Lord Jesus Christ have behaved as if they are not committed to training individual believers The Black pulpit has ignored the pews in the department of gift identification and developing He pleads with the leaders as ministers of the Lord Jesus Christ to fulfil the number one functional dynamic in this life

In Christianity today the most frequently discussed issues are salvation from sin and the indwelling of the Holy Spirit However few people have precise knowledge of these two ideas despite the fact that they are the two most important concepts in Christianity What is worse they cannot find any biblical writing that clearly teaches us about the issues mentioned above There have been lots of Christian authors glorifying the gifts of the Holy Spirit or describing the Spirit filled lives But any of them doesn't dare to deal with the fundamental question How can a believer surely receive the Holy Spirit Why Surprising truth is that they couldn't write about it in full scale because they didn't have exact knowledge of it As Prophet Hosea cried out My people are destroyed for lack of knowledge nowadays not a few Christians are drawn into religious fanaticism hoping to receive the Holy Spirit They believe that they will receive the Holy Spirit by reaching a state of frenzy and hysteria But it is no exaggeration to say that their so called faith reduces Christianity to mere shallow Shamanism and that such fanaticism derives from Satan The author Rev Paul C Jong dares to proclaim the truth He deals the essential subjects in full scale which most spiritual writers have evaded for a long time He first defines the meaning of being born again and the indwelling of the Holy Spirit and explains the inevitable relationship between the two pivotal concepts Then he runs the whole gamut of description concerning the Holy Spirit from how to discern the spirits to the way to Spirit filled lives If you would like more sermons that accurately explain the Word of the Bible including the contents of this book we strongly urge you to check out the free e books and audiobooks provided on The New Life Mission website The New Life Mission <https://www.bjnewlife.org> Cowboy in the Jungle Bill Trotter, 2022-12-06 Trying to decide what you're going to do for the rest of your life is not an easy decision to make But this is the quandary that Hank Stuart finds himself in Motivated by do gooder tendencies Hank who comes with an agricultural and ranching background is concerned whether or not the world will be able to feed itself over the next 30 40 years With this motivation and these concerns Hank decides to leave his beloved family ranch in the Sandhills of Nebraska to search for answers and his individual purpose in life Initially his departure leads him to Arizona State University with a goal in obtaining a Master's Degree in International Agriculture Following graduation he departs for Central and South America visiting farms and ranches as well as meeting people from all sorts of various backgrounds Two years later while living on a ranch in Paraguay Hank is confronted by a decision where he must decide his purpose as it relates to the future of his family and ranch in Nebraska and to the agricultural dilemma confronting the world and the process of feeding the people of the world **God's Medicine Cabinet Second Edition** Michael Fugett, 2005-05 A Lost Truth Reginald Heber Starr, 1893 *A New Witness for God* Brigham Henry

Stein,2023 In the second half of the twentieth century Reiki went from an obscure therapy practiced by a few thousand Japanese and Japanese Americans to a global phenomenon By the early twenty first century people in nearly every corner of the world have undergone the initiations that authorize them to channel a cosmic energy known as Reiki to heal body mind and spirit They lay hands on themselves and others use secret symbols and incantations to send Reiki to distant recipients and strive to follow five precepts to cultivate their spiritual growth Reiki s international rise and development is due to the work of Hawayo Takata 1900 1980 a Hawai i born Japanese American woman who brought Reiki out of Japan and adapted it for thousands of students in Hawai i and North America shaping interconnections across the North Pacific region as well as cultural transformations over the transwar period spanning World War II Alternate Currents Reiki s Circulation in the Twentieth Century North Pacific analyzes how from her training in Japan in the mid 1930s to her death in Iowa in 1980 Takata built a vast trans Pacific network that connected Japanese American laborers on Hawai i plantations to social elites in Tokyo Hollywood and New York middle class housewives in American suburbs and off the grid tree planters in the mountains of British Columbia Using recently uncovered archival materials and original oral histories Stein examines how these relationships between healer and patient master and disciple became deeply infused with values of their time and place and how they interplayed with Reiki s circulation performance and meanings along with broader cultural shifts in the twentieth century North Pacific Highly readable and informative each chapter is structured around a period in the life of Takata the charismatic rags to riches architect of the network in which Reiki spread
