Healing America Calling Hearts Back To God Jeff Hovsepian, 2025-04-25 America was founded and grew upon faith in God and was blessed for it with great abundance and influence in the world But America has since turned away from God And God in response has given America over to life outside his blessings evidenced by the turmoil we see in culture today discord and division anger and hostility wickedness depravity and sin of all kind It is a pattern that played out many times in Biblical history when the people of Israel forgot God and his goodness toward them turned away from him and worshipped idols And God after repeated attempts to call them back removed his blessings and gave them over into the hands of their enemies Yet by way of his great faithfulness love and mercy God offers a way back which is the call of this book In Healing America Jeff discusses the foundations of faith in America its turn away from God the consequences of turning away from God the influences of Satan and his dark forces and offers three specific things we can do today to heal America and return to God s blessings
