Paul Marston,2013     **God's Strategy in Human History** Paul Marston,Roger Forster,2001-07-01     *God's Strategy in Human History* ,2013-06-01     God's Strategy in Human History Roger Forster,V. Paul Marston,1989 A look at divine sovereignty and human responsibility discussing issues of election and predestination Roger Forster is a house church style preacher and has co written several books with Paul Marston     *Tackling Tulip* Grant Ralston,Edward Ralston,2019-07-24 Tackling TULIP will help Christians understand the errors of Calvinism and why this theological system should be rejected and refuted This book includes a helpful investigation into the key passages that Calvinists use to defend their beliefs Romans 9 Ephesians 1 and John 6 are examined in light of the Calvinistic interpretation and are not seen to teach what Calvinists assert The theological errors that Calvinism presents are also exposed Questions like Do we have free will and Did Christ die for everyone are answered in the affirmative by both church history and biblical revelation Finally the practical problems of Calvinism are explained A belief in Calvinism eliminates the possibility for Christians to have assurance of salvation and tends to diminish the importance of holy living Tackling TULIP will equip the body of Christ to defend against the erroneous theology of Calvinism     **Themelios, Volume 34, Issue 1** D. Abasciano,2022-07-14 Brian Abasciano continues his project examining the use of the Old Testament in Romans 9 building upon his previous two volumes and their intertextual methodology This method incorporates into a thorough traditional

exegesis a comprehensive analysis of Paul's use of Scripture against the background of interpretive traditions surrounding the texts alluded to with great emphasis placed on analyzing the original contexts of Paul's citations and allusions Such an intertextual exegesis is conducted in Romans 9 19 24 with an awareness of the broader unit of chapters 9 11 especially and also the epistle as a whole Conclusions for the meaning of these passages and their theological significance are drawn

**The Re-Justification of God** J. D. Myers, 2015-01-21 No God did not decide from eternity past to send certain people to hell Not Esau Not Pharaoh Not anybody This is not how divine election works This book provides three keys to understanding the doctrine of election and then takes a careful look at Romans 9 10 24 to show what Paul taught about divine election Read this book to know that you have been elected by God and what this means for your life Hellfire and Destruction Paul Marston, 2023-12-13 To those of us who believe in the inspiration and authority of the Bible it must surely be a concern to know what it says will happen to the millions around us some of whom we love dearly who die without repentance or faith Does Scripture teach that at the last judgment those who remain unrepentant will be consigned to an unending existence of torment without hope Is that truly what Jesus and his apostles believed and taught This book presents basic evidence that what they really taught was that the final judgmental end for such people will be destruction taking its obvious meaning that they will cease to exist as conscious individuals The arguments are not complex because most of the New Testament writers make plain statements to this effect The book also looks at those parables and Revelation passages sometimes taken to indicate unending torment It links with academic works that in increasing numbers are making the same points but the book is not a contribution to academic scholarship Rather it is a careful readable and accessible account to challenge pastors church leaders and Christians generally to consider what the Bible actually says rather than rely on tradition **The God Who Risks** John Sanders, 2009-09-20 If God is all knowing and all powerful can he in any way be vulnerable to his creation Can God be in control of anything at all if he is not constantly in control of everything John Sanders says yes to both of these questions In *The God Who Risks* defends his answer with a careful and challenging argument He first builds his case on an in depth reading of the Old and New Testaments Then Sanders probes philosophical historical and systematic theology for further support And he completes his defense with considerations drawn from practical theology *The God Who Risks* is a profound and often inspiring presentation of relational theism an understanding of providence in which a personal God enters into genuine give and take relations with his creatures With this book Sanders not only contributes to serious theological discussion but also enlightens pastors and laypersons who struggle with questions about suffering evil and human free will **How Much Does God Foreknow?** Steven C. Roy, 2006-08-23 Steven C Roy provides a comprehensive review of biblical teaching from both Old and New Testaments which provides the basis for critically engaging today's philosophical and theological debates *Does God Desire All to Be Saved?* John Piper, 2013-09-30 Are There Two Wills in God Divine Election and God's Desire for All to Be Saved In this short theological essay John Piper builds a scriptural case that God's

unconditional election unto salvation is compatible with God's genuine desire and offer for all to be saved Helping us to make sense of this seemingly paradoxical relationship Piper wisely holds both truths in tension as he explores the Bible's teaching on this challenging topic graciously responds to those who disagree and motivates us to passionately proclaim the free offer of the gospel to all people      **Getting the Gospel Right - A Balanced View of Salvation Truth** Carl Gordon

Olson, 2005-11 A revised and abridged edition of *Beyond Calvinism and Arminianism An Inductive Mediate Theology of Salvation* In Which theologian missiologist Olson gives the fruit of a 25 year theological pilgrimage His inductive focus on Scripture results in a middle view of salvation truth thus resolving polarized extremes This edition is much more readable and accessible for most Christians The exegetical methodology emphasizes context word studies and grammar of all relevant passages with extensive support for eternal security and refutation of deterministic concepts of salvation In the foreword Dr Tim LaHaye refers to the incredible distribution of the academic edition which sold out in 3 years A revised academic edition is forthcoming in 2006      *Reasons for Faith (Foreword by Lee Strobel)* Norman L. Geisler, Chad V. Meister, 2007-10-26 Many Christians want to witness for their faith but they are afraid they will not be able to answer questions that others may ask of them First Peter 3:15 reminds believers to always be prepared to make a defense to anyone who asks you for a reason for the hope that is in you Norman Geisler and Chad Meister realize the fear of facing questions about the Christian faith Their book *Reasons for Faith* gives believers grounded biblical apologetics to help them defend their faith By covering the importance of apologetics and then applying apologetics to popular culture and theological issues these authors give all Christians the tools they need to stand firm in their faith and to be able to share that faith in today's society      *Untying God's "Nots"* Troy J. Edwards, 2016-07-12 If a nation marches against you know that I am not behind it Isaiah 54:15a The Voice A common phrase used by many Christians particularly when there is some tragic event is that God is in control Many people mean different things by the statement however the majority of those who use the statement believe that God initiated the tragic event and had a secret mysterious plan to bring some unknown good from it We believe that such a teaching casts aspersions on God's character Besides the origins of this teaching is not from the Bible but is derived from pagan philosophy Throughout these pages we will look at a number of arguments and Scriptures used by proponents of this teaching and show the reader that it does not line up with the Bible's teaching about God The reader will also learn that this teaching is a tool of Satan to keep Christians passive so that they will not stand against him in the authority of Christ's victory over him      [The Bible Reading of Young Evangelicals](#) Ruth H. Perrin, 2016-10-04 Young evangelicals in Britain often find themselves at odds with an increasingly secular society and yet the tradition persists and in some places flourishes Sociological studies into the faith of this demographic group are rare yet there is much to be explored as to how their faith functions and how it compares to other groups globally Similarly given the privilege evangelicals afford the biblical text how young believers engage with the ancient Scriptures they understand to be the word of God is particularly significant This work addresses that core question

How do young evangelicals make sense of the Bible today Based on qualitative data gathered from three diverse evangelical churches it compares the reading priorities ordinary hermeneutics and theological concerns of young adults Presenting age related focus groups with challenging biblical narratives the study compares strategies for negotiating the texts based on age gender and churchmanship It provides a unique insight into the realities of Bible reading and the faith of Generation Y and gives food for thought not only to those with scholarly interests but also those with a pastoral concern to shape and sustain the Christian faith of young adults in Britain and beyond

Christian Theology Adam Harwood,2022-10-19 The church has been entrusted with God s revelation and to steward the word of truth we must confess the Bible s teaching with clarity and conviction Adam Harwood s Christian Theology is both biblically faithful and historically informed providing a fresh synthesis of the essential doctrines of the faith Writing from a Baptist perspective Harwood brings fresh insights that many systematic theologies lack With readable prose suggestions for further study and discussion questions Christian Theology will equip students and pastors to clarify and articulate what they believe and why
