Meyer,2004-01-01 **Discerning & Understanding God's Will for Your Life** Osbourne Murray,2017-02-13 The book is about the importance of knowing God s will for one s life which is paramount in having a harmonious and fulfilling relationship with God When there s uncertainty concerning the will of God in any aspect of one s existence it results to confusion and anxiety Too many Christians go through life and never realize God s perfect will during their sojourn in time In doing so believers are robbed of the privilege of experiencing God s best for their lives It also deprives them of having an overcoming fruitful spirit filled joyful and peaceful life Not discerning God s perfect will for your life will cause you to live far below your rights and privileges in Christ The recognition of God s purpose for your life will provide a sense of identity belongingness vocation and guidance which serves to connect you to a higher purpose the Kingdom of God The truth is that not much attention is paid to this very critical area of Christianity today However it is the very heart of efficient and authentic Christian living Without a clear understanding of God s will in one s life one may feel like or even become a square peg in a round hole especially as it pertains to identifying the appropriate
