Gods Will You Can Know It:

The God You Can Know Dan DeHaan,2001-01-01 Questions concerning various topics such as knowing God s will assurance of salvation home life and even dating relationships result from a lack in comprehending the Person of God the Father Dan DeHaan puts God the Father back into the Christian perspective of what it means to live this way of life called Christianity in The God You Can Know Burdened by contemporary Christians lack of understanding of the nature of Almighty God he wrote this book to help readers become intimate with God by studying His characters and attributes Knowing Gods Will Bob Gass,2014-08-01 Knowing what God wants you to do and learning to recognize His voice when He speaks to you is the secret of living with a greater sense of direction purpose joy and confidence This practical step by step book answers some of the most commonly asked questions and shows you how to know God s will for your life In Search of God's Will Trevor Hudson,2024-11-05 Have You Ever Asked What Is God s Will for My Life A trusted voice of the Christian faith in spiritual formation and discipleship deeply shaped by the wisdom of Dallas Willard and St Ignatius Trevor Hudson has crafted a users guide to discern God s personal will for our lives After serving the local congregation as a Methodist pastor in South Africa for almost fifty years Trevor now lectures teaches and offers spiritual retreats both locally and internationally Over the years this question about discerning God s will is one that he has heard again and again In Search of God s Will creates a biblical imagination around the concept of discernment and provides practical ways to discern God s personal will for your life ultimately helping you to become the unique person God wants you to be You ll be equipped and encouraged in your faith on how to align your heart with the heart of God attune yourself to your calling listen to God in Scripture pray the Scriptures pay attention to the movements of the Spirit in your heart uncover and exercise your God given giftedness notice God s presence and activity in daily life engage in sacred conversations with trusted companions make faithful decisions take the initiative when God seems silent and more Each concept includes a discernment exercise so that you can experience what you are learning If you have ever wondered about God s personal will for your life how your desires and God s desires intersect and how God is present and active around you In Search of God s Will can help you catch glimpses of what it means to become the person that from eternity you were destined to be Youth Devotions Josh McDowell,Ed Stewart,2003-08-04 Presents Scripture verses and readings for each day of the year designed to help young people make good choices in their daily lives **I LOVE GOD, NOW WHAT? Book I Days 1 - 91** Steve Haines,2025-08-21 Like any professional Pastors can be busy people Often the demands upon their time are myriad The time when I first came to accept Christ as my Lord was wonderful beyond measure Although my Pastor was eager to introduce me to Christ he was not as intimately available to guide me in the aftermath of that wonderful moment You see having accepted Christ as Savior guarantees the blessing of eternity with Christ but the new believer still has the rest of his or her life to negotiate There are lots of things to learn but in big churches people can get lost in the crowd and fall through the cracks and in small churches well there is only so much a

small staff can do So I stumbled around for a long time very gradually figuring out how to navigate the world and still hold to my faith in Christ I remember thinking There has to be a better way than this These discussions are part commentary part history part blessing and part questioning There s a little bit of everything I ve put considerable thought into writing these things and I want you to get some benefit some blessing from them Think about what you read You might be provoked to irritation or to curiosity or to laughter Try to apply the thoughts to your life But the bottom line is if you don t read you won t benefit This first book that you are holding tries to answer some basic questions Why should I fear God Why should I trust Him Who am I in Christ What is the nature of sin Following books talk about the Jewish Festivals and their profound meaning about God s Constitution Matthew chapters 5 7 about God s manifested love what it means to be Grafted In to God s family how to know Jesus and what it means to abide in Christ I hope you stick around to the end Every life has its ups and downs and after several cycles of this I was fed up and began to look for answers I found this crazy new church which was meeting in a hotel conference room I remember people all around me speaking in these strange indecipherable ways people falling down on the floor and generally acting nuts I remember thinking Why am I here God had a plan but I was not awake to it But I stayed out of curiosity if nothing else and eventually God began to draw me in Since then God has led me on a wonderful journey Where once I had a sort of vague notion of God He used personal struggle to draw me closer to him Where once I looked at everything from a performance oriented point of view He taught me the true value of the love of Christ Where once I had to be doing things for Christ He taught me the value of resting in the presence of Christ I want people to understand these things I want everyone to experience the intimate presence of Christ in their lives I want everyone to see real time answers to prayer as I have I want people to understand that humble submission to God is the answer to every struggle every problem and every stress

Worshipping the One True God Keith J. Daniels, 2007-11 Worshipping the One True God Human nature has changed very little over the centuries Overtime men have forsaken God s ways and created their own ways to worship God Instead of creating idols made by hands they create idols with their imaginations Jesus Christ in his time was at constant loggerheads with the religious leaders of his time Most of them thought that they had all the right answers Most of them believed that they did not need Jesus ministry He became a stumble stone and a rock of offense to them Man s way is never God s way God has desired a family who will listen to him believe him and do his will Each member of God s family is important and has a special purpose in the body of Christ Each member is endued with power from on high and can perform signs miracles and wonders While attending the University of Rhode Island in the middle 1970 s the author encountered a group of Christian students the introduced him to God s Word He took several biblical classes with this group Over the following thirty two years he has taken several more from various groups He has run bible fellowships in his home over the years He obtained his Bachelor of Science degree from the University of New York at Albany He currently is a middle school teacher in Rhode Island He and his wife Diana have nine year old triplets and they run a family fellowship in
