Jesus Many people feel isolated in their illness They feel separated from God They wonder if He knows about the situation they re facing and if He could possibly care about what they re going through The simple and wonderful answer to that question is Yes He knows and yes He cares I want you to know that And when you understand what God reveals about Himself in His own Word the Bible which I ll teach you about in this book you ll see that He also has the desire and the power to do something about it to set you free and make you whole again When Jesus walked this earth more than 2 000 years ago He never turned away anyone who came to Him for healing and you can be assured He won t turn you away either He is a Healing Jesus and I believe He wants to heal you Sourcebook for Sundays, Seasons, and Weekdays 2016 , This book is the essential pastoral resource to help you prepare the liturgy each day of the liturgical year If you are a priest or deacon liturgist music director worship team member religious educator or simply interested in more information about Catholic liturgy this publication will be an invaluable tool *Sent Out into the World* Michael McGourty,2024-01-29 *Sent Out into the World* contains a liturgical theology for a parish community and the new evangelization that is derived from a reading of The Order of the Dedication of a Church For this reason its content can be attributed directly to a liturgical rite of the Catholic Church It is not the creation of any one person but rather an exercise in *lex orandi lex credendi* It presents a vision of the parish that comes directly from a rite of the church and focuses the parish community and its members on the mission that it has within the body of Christ Applying the content of the ordo to a parish community it presents a theology for those communities in which most Catholics meet the Lord and practice their faith The liturgical theology for a parish community that is presented here focuses all parish communities on Christ and his presence in the liturgical celebrations that take place in the parish churches As this ritual powerfully reminds the baptized from the liturgical and sacramental celebrations in which they encounter Christ in their parish church the faithful are to be sent out into the world as ministers of the new evangelization By reading this book every Christian who practices his or her faith within a parish community will be reminded of the mission which they are called to live as members dismissed to go into the world at the end of every eucharistic celebration *Liturgy and Music* Robin A.
