give a verse by verse analysis in context and provide points of application for passages illuminating the biblical text in practical and relevant ways God in the New Testament Dr. Warren Carter, 2016-11-01 Author Warren Carter addresses the ways in which New Testament writings present God by asking four questions about how God relates to others How is God presented in relation to Israel How is God presented in relation to Jesus and the Spirit How is God presented in relation to believers disciples the church How is God presented in relation to the world Carter uses these questions to help draw out the most important factors in each of the New Testament writings discussed Rarely does one exclaim This is a real page turner when describing a book on the New Testament but I must say it With his characteristic concision and clarity not to mention wit and conversational style Carter leads us on a tour of God at Work in fifteen closely read texts What claims do the various texts make about God What questions or red flags do these texts raise What effect do or should these texts have upon us as readers today Carter intrepidly takes up some of the more challenging and cryptic NT texts and asks aloud many of the uncomfortable questions we've wondered about but might not have voiced so pointedly He does not provide tidy answers but his approach entices us not to give up but rather to dive even deeper into the texts their world and ours In reading this book I was variously educated entertained challenged and even moved Jaime Clark Soles Professor of New Testament and Altshuler Distinguished Teaching Professor Perkins School of Theology Southern Methodist University Dallas Texas **The MacArthur New Testament Commentary Set of 30 volumes** John MacArthur, 2011-02-21 This set includes the entire collection of the MacArthur New Testament Commentary series Matthew 1 7 Matthew 8 15 Matthew 16 23 Matthew 24 28 Luke 1 5 Luke 6 10 Luke 11 17 John 1 11 John 12 21 Acts 1 12 Acts 13 28 Romans 1 8 Romans 9 16 1 Corinthians 2 Corinthians Galatians Ephesians Philippians Colossians Philemon 1 2 Thessalonians 1 Timothy 2 Timothy Titus Hebrews James 1 Peter 2 Peter Jude 1 3 John Revelation 1 11 and Revelation 12 22 The MacArthur New Testament Commentary series continues to be one of today's top selling commentary series These commentaries from respected Bible scholar and preacher John MacArthur give a verse by verse analysis in context and provide points of application for passages illuminating the biblical text in practical and relevant ways *Israel and the Covenants in New Testament Times* Peter Williams, 2016-05-23 Second Edition Updated and Revised A Bible student reference A New Testament prophecy of a falling away from truth into apostasy and lawlessness in the final generation before Jesus Christ returns in glory is being fulfilled now and is shortly to end Yet Christianity has overwhelmingly moved so far from its first century roots that it could not even recognise this or that Christ's return is therefore now almost upon us How and why this is the case is here explained thoroughly and logically with many examples directly from the word of God In God's saving plan for the world everyone must in time make a free will choice to become part of the Israel of God in order to access eternal life in the kingdom of God The route to take is the strait and narrow way Mat 7 13 14 that very few have so far found and it involves the biblical new and old covenants which both apply to this Israel Embark on this voyage only if you are willing to be challenged about some basic Christian preconceptions

be a serious open minded Bible student and trust what the Bible teaches but remember that time is short What the Bible has taught me I see as both vital and urgent for our eternal salvation yet I know of no church or individual theologian who teaches what this book deals with in any substantive way Be prepared for major challenges to your understanding just as God has challenged me In the epistles Paul refers to two Israels whom he calls Israel after the flesh I Cor 10 18 and the Israel of God Gal 6 16 I focus mainly on the latter but I also explain an unexpected but critically important connection between them Dependent on the teaching nearly all Christian denominations either teach nothing at all on it or almost the opposite of what Scripture repeatedly showed me Looking back I find this absolutely staggering Very few Christians understand that the new covenant also only applies to Israel as I will clearly show I no longer believe that the NT New Testament can be fully understood without this extra Israel dimension Had I felt I could deliver this in a more light hearted way I would have done so but its implications are too awesome and fundamental to our eternal life prospects for that **The Child in the Bible**

Marcia J. Bunge, Terence E. Fretheim, Beverly Roberts Gaventa, 2008-09-15 In this volume nineteen biblical scholars collaborate to provide an informed and focused treatment of biblical perspectives on children and childhood Looking at the Bible through the lens of the child exposes new aspects of biblical texts and themes Some of the authors focus on selected biblical texts Genesis Proverbs Mark and more while others examine such biblical themes as training and disciplining children and the image of God the metaphor of Israel as a child and so on In discussing a vast array of themes and questions the chapters also invite readers to reconsider the roles that children can or should play in religious communities today Contributors Reidar Aasgaard David L Bartlett William P Brown Walter Brueggemann Marcia J Bunge John T Carroll Terence E Fretheim Beverly Roberts Gaventa Joel B Green Judith M Gundry Jacqueline E Lapsley Margaret Y MacDonald Claire R Mathews McGinnis Esther M Menn Patrick D Miller Brent A Strawn Marianne Meye Thompson W Sibley Towner Keith J White **Life Application New Testament Commentary** Livingstone, 2016-07-01 Based on the best selling Life Application Commentary series this single handy volume holds practical concise insight on every verse in the New Testament Now readers can get all the useful background information they need without a lot of obscure facts they don t need A key resource for every Bible teacher and anyone else who wants to understand the New Testament and how it applies to real life

McFarland,2022-02-03 Modern Christian denominations are deeply split about whether or not heterosexual relationships between one man and one woman are the only sexual relationships permitted by God Several denominations including the one to which the author belongs consider evidence of any sexual relationships other than heterosexual relationships to be sufficient evidence to bar the participants from church membership The book you are holding contains the story of the author s extensive search through scripture coupled with his direct experiences with LGBT lesbian gay bisexual and transgender people all of which led him to a different conclusion than that of his church May this book bring comfort and hope to those LGBT people everywhere who are sincerely searching for Christian fellowship And may it help them find grace and acceptance as both gay and straight Christians work in peace and harmony while praising God above all trusting in Christ s death and resurrection for salvation and showing sacrificial love in all things including their sexual lives *The Evangelical Parallel New Testament* John R.
