Brauninger, 2001 Many modern Christians yearn for a deeper spiritual life a relevant relationship with a God who still matters and who thinks we still matter However Dallas Brauninger tells us we are not good at listening and talking with God What we are good at is hurling questions at the Almighty and Brauninger says that questions are what we are all about if we are to continue to grow spiritually And so is confession We doubt We fear We stretch to the limits of our patience We wonder if tenacity will prevail or if we will sink We have moments of bliss and ponder anew the mystery of God We wonder and grieve about the world Brauninger believes that question and confession are two forms of our prayer and for many of us these conversations with God are as brief and instant as an e mail In Holy E Mail she inventively casts fourteen sermons based on Cycle A lectionary epistle texts in the form of extended e mail messages to God It s as if congregations and pastors were privy to someone s private ponderings that reflect our own spiritual roaming This volume is not only a creative resource for preachers it s also directed to the everyday person in the pew Crafted to help hearers connect with God and each other these sermons address universal queries of the human soul By uniting sermon with prayer they re excellent for use as readings for personal meditation Brauninger takes the reader on a spiritual journey from the beginning of Advent through the Transfiguration of our Lord This book offers much food for thought as you prepare sermons not only will your mind be stretched your soul will be inspired as you read from the Introduction Clarence M Clip Higgins Former Conference Minister Nebraska and Ohio Conferences United Church of Christ Dallas Brauninger writes with the discernment of a saint and the ear of a poet These sermons are a joy to read They are a joy because they are crafted by one who is a master with language They are a joy because they track life carefully They are a joy because they expose deep recesses of the soul that light seldom reaches They are a joy because they prompt each of us to reflect on our own faith pilgrimage Most of all they are a joy because they affirm God who offers joy not just to some but to all Dr George S Worcester Conference Minister Nebraska Conference United Church of Christ To me the hallmark of a good sermon has always been the new pathways of thought and insight which it opens up for me long after hearing or reading it These are GOOD sermons Rachel S Scott Bemidji Minnesota Dallas A Brauninger a cum laude graduate of Albion College received her Master of Divinity degree and an honorary Doctor of Divinity degree from Chicago Theological Seminary A full time writer she has served churches in Colorado and Nebraska She and her husband both ordained ministers in the United Church of Christ live in Friend Nebraska Chinese Women Writers and the Feminist Imagination, 1905-1948 Haiping

There is but one way to avoid crossing Jordan alone That way is the Lord Jesus Christ and Him alone His word is everlasting true and infallible He was and is alpha and omega the beginning and the end There is irrefutable written documentation and historical records that verify that the Word of God is infallible From Genesis the first book of the Holy Bible to Revelation the final book of God s Word there are recorded truths that will guide all who will read hear and believe unto knowledge of the truth of God s plan of salvation There is one common thread that runs through the entire sixty six books of the holy bible If well understood they become the narrow lifeline to the strait gate and eternal life To be The Golden Thread it must run true in all passages of scripture and must ultimately lead the tracer to a perfect understanding of the will of God the Father and The Golden Thread Connection Its beginning is tangled in the limbs of the tree of eternal life in the Garden of Eden and ends anchored in the footstool of the throne of God **Age of the**

Gentiles and the White God Delusion Timothy Huges,2012-10-25 The book is a logical Bible study and in depth examination of Race Sex Power Politics and War The Author addresses the false doctrine and propaganda that has been fronted for centuries by Christianity and Judaism as to their supremacy above other religions and races He also examines the role these two religions have played in promoting these false doctrines which literally contradict the written laws of the Bible The book further looks at Islam where the Author acknowledges the origin and foundation of its original teachings as is likened by God s Commandments and as written in the Holy Bible and Holy Qur an The Author takes a scalpel to dissect race and religion to its core The Author separates the gentile dogma of Christianity and Judaism and highlights their contradiction to the Laws of God Lastly he dwells on separation of races based on their individual religious philosophies concluding in the introduction of Lucifer as a Chief Architect of Gentile religious doctrine and practices Lucifers mission is to maintain the delusion of the white God and its false power to rule over Black and Semite people Quotes from Author I am challenging the worlds Christian religious believers communities and the general masses to follow the true laws of God They should stop falling prey to the False Luciferian Doctrine and the delusion of White God I affirm to the world that I am a true servant of God who is challenging all religious ministers to debate evidence and facts referred to in this book through the lesson chapters so that they may distinguish the truth from the lie I challenge them to debate about the alleged religious authorities in reference to the Christian and Jewish faith in order to determine if truly their religious practices is of the God of Heaven and Earth I challenge all ministers to prove that they follow and believe in the commandments Laws and Statues of God as written in the scriptures I further challenge all of them to debate the true ethnology and race of Gods chosen people his first family being the black and Semite Hebrews who are identified by their skin pigmentation and coloration and their true religion to be Abrahamic This would also prove that True Israelites are cousins to the Ishmaelites In addition I challenge all

ministers of Jewish Authority to a debate as to the true ethnology of True Hebrews of the Land of Palestine and Canaan It is worth noting that the true Hebrews were removed from the Holy land and thereafter cursed by God and Scattered unto Gentile nations in all four corners of the earth And shall remain there until the second coming of Jesus as was prophesied in his Revelation war against the Christian Jewish Armies of Gog Europe and Magog America Israel and as foretold in the book of Revelations I challenge them to deny that it has been 2000 years of Christian Propaganda Crusade by the gentiles and gentile Jews and Theologians Philosophers and Historians to hide the true identity of the true Israelites Their mission has been to remove parts of and alter the Holy Scriptures thereby changing the Laws of God Their intention is to make everyone follow Luciferian Doctrine Because of this God gave Revelation unto Jesus Christ to bring forth the final Armageddon to all who changed His Laws This led to his prophecy against the Christians Nicolaitans and Jewish doctrine religion which He hated for they are the synagogue disciples of Satan
