Contemplative Healing Francis Geddes, 2011-02-14

Jesus introduced healing into the Judaism of his day and for the Church's first three hundred years healing was an important spiritual practice. In *Contemplative Healing*, author Francis Geddes describes healing prayers, importance, and recommends congregations renew this ancient Christian practice. Geddes presents an overview of Christian healing for the church and beyond. It addresses society's need for loving connection with one another and the source of our being within a broad Christian context. *Contemplative Healing* demonstrates the following essential points: Everyone can be a healer. Science and healing need not be at odds. Jesus introduced healing as a transforming spiritual practice. Healing is grounded in love. *Contemplative Healing* communicates how the loving spirit of God and Christ function in a community by alleviating pain and bringing wholeness. Praise for *CONTEMPLATIVE HEALING*: This book's treatment of healing as a spiritual and Christian practice is important for Christians and the church in our time. It creates a framework for seeing healing within the practice of Jesus and early Christianity, attends to the relationship between healing and contemporary medical science, and describes how to introduce the practice of healing into local congregations. **MARCUS J BORG** *AUTHOR THE HEART OF CHRISTIANITY*

Spiritual Abuse Recovery Barbara M. Orlowski, 2010-01-01

What factors contribute to active Christians in ministry leaving their church and becoming exiting statistics? Every year dedicated Christian people leave churches because of spiritual abuse. The stories of people who left their home church because of a negative and hurtful experience paint a picture of a widespread occurrence which beckons consideration by church leaders and church congregants alike. Spiritual abuse, the misuse of spiritual authority to maltreat followers in the Christian Church, is a complex issue. This book shows how people processed their grief after experiencing spiritual abuse in their local church and how they rediscovered spiritual harmony. Their spiritual journey shows how one may grow through this devastating experience. This book offers a thoughtful look at the topic of spiritual recovery from clergy abuse through the eyes of those who have experienced it. It invites church leaders to consider this very real dysfunction in the Church today and aims to demonstrate a path forward to greater freedom in Christ after a season of disillusionment with church leadership.

Charismatic Renewal and Pentecostalism

Isidore Iwejuo Nkwocha, 2021-09-30

The Holy Spirit is a *sine qua non* in the life of the church and in all Christian life and experience. The importance of the experiential and praxis-oriented theology of the Charismatic Renewal and Pentecostalism cannot be overemphasized in the realization of the potentials of a Spirit-animated church. In fact, Charismatic Renewal in the Nigerian Catholic Church is an essential part of the changing face of the Catholic Church in Nigeria. This work is therefore using Charismatic and Pentecostal theology and praxes to argue for the renewal of the Nigerian Catholic Church. It avers that the praxis-oriented and experiential theology of the Charismatics and Pentecostals, which characterize them as Spirit-filled groups and churches, are enabling the Nigerian Catholic Church to realize the

potentials of a Spirit driven church It upholds that the Nigeria Catholic Church through the Nigerian Catholic Charismatic Renewal which is an indispensable part of the changing face of the Catholic Church in Nigeria has wittingly or unwittingly begun the renewal of her pneumatological ecclesiological and liturgical doctrines and practices in accord with those of a truly Spirit animated church Healing Worship: Bruce G. Epperly,2006-10-01 Healing Worship Purpose and Practice is a resource to enable pastors and other church leaders to integrate healing services into the total life of the church using a wholistic approach that connects healing liturgies with the theology pastoral care and social concerns of the church This book provides practical tools for healing homilies and liturgies theological reflection on the healing ministry of the church pastoral self care and congregational health care ministries **From Brokenness to Wholeness: How God Heals Our Hearts** Margaret Light,2025-03-29 From Brokenness to Wholeness How God Heals Our Hearts explores the transformative journey of emotional and spiritual healing through God s love and power This book takes readers on a path from acknowledging pain and hurt to embracing the healing process that only God can provide Through biblical teachings personal stories and practical guidance it shows how surrendering to God s will seeking forgiveness and trusting in His promises lead to restoration and wholeness Ultimately it encourages readers to find peace joy and purpose in the healing journey knowing that God s healing touch can restore even the deepest wounds *Soul Revolution: How Imperfect People Become All God Intended* John Burke,2008 Healing Miracles in Acts of the Apostles Paul Feider,2021-07-20 Life has many challenges and some illnesses but none of these can withstand the miraculous and healing power of the Holy Spirit This unique book takes a person into the incredible healing power of the Spirit seen in the early Christian community and then shares stories of that healing love changing lives today The author has both a keen understanding of these dynamic biblical accounts and personal experience to draw people into a life lived in the power of the Holy Spirit The compelling texts teachings stories questions and practical applications awaken the human heart to the holy love of God who desires the fullness of life for each person The book leaves one wanting that much more of life the full outpouring of the Holy Spirit It is a book of hope filled with stories of miracles *The Great Open Dance* Jon Paul Sydnor,2024-04-24 The Great Open Dance offers a progressive Christian theology that endorses contemporary ideals environmental protection economic justice racial reconciliation interreligious peace gender equality and LGBTQ celebration Just as importantly this book provides a theology of progress an interpretation of Christian faith as ever changing and ever advancing into God s imagination Faith demands change because Jesus of Nazareth started a movement not a tradition He preached about a new world the Kingdom of God and invited his followers to work toward the divine vision of universal flourishing This vision includes all and excludes none Since we have not yet achieved the world that Jesus describes we must continue to progress The energizing impulse of this progress is the Trinity Abba Jesus and Sophia three persons united by love into one perfect community God is fundamentally relational and humankind made in the image of God is relational as a result We are inextricably entwined with one another

sharing a common purpose and a common destiny In this vision we find abundant life by practicing agape the universal unconditional love that Abba extends Jesus reveals and Sophia inspires *Encyclopedia of Religious Controversies in the United States* Bill J. Leonard,Jill Y. Crainshaw,2012-12-05 This book provides a thorough introduction to historical and contemporary issues in American religion tackling controversial hot button topics such as abortion Intelligent Design and Scientology Surveying key aspects of the controversial issues persons and religious groups of today Encyclopedia of Religious Controversies in the United States Second Edition is a thorough update and expansion of the first edition of this book This two volume work contains many new entries that reflect current 21st century religious controversies Written by a variety of scholars with varying specializations the content covers major people ideas terms institutions groups books and events The A Z format allows for easy location of materials a chronology of developments and events enables readers to trace the development of contentious topics over time and a section of primary document excerpts gives readers further perspective on the issues **Spirituality and Religion Within the Culture of Medicine** Dr Michael Balboni,Dr John Peteet,2017-05-10

Spirituality and Religion Within the Culture of Medicine addresses the need to better understand the broad relevance of religion and spirituality to the culture of medicine The authors focus on the critical need to establish evidence based recommendations for clinicians of various specialties who engage in the spiritual dimension of practice **Salvation Means Creation Healed** Howard A. Snyder,Joel Alan Scandrett,2011-07-13 The Bible promises the renewal of all creation a new heaven and earth based on the incarnation life death and resurrection of Jesus Christ For centuries this promise has been sidelined or misunderstood because of the church s failure to grasp the full meaning of biblical teachings on creation and new creation The Bible tells the story of the broken and restored relationship between God people and land not just God and people This is the full gospel and it has the power to heal the church s long theological divorce between earth and heaven Jesus resurrection in the power of the Holy Spirit is the key and the church as Christ s body is the primary means by which God is reconciling all things through Jesus Christ Jesus ultimate healing of all creation is the great hope and promise of the gospel and he calls the church to be his healing community now through evangelism discipleship and prophetic mission

God and Globalization: Volume 2 Max L. Stackhouse,Peter J. Paris,Don S. Browning,2001-03-01 A trenchant study of the impact of globalization on the world s major institutions shows how the new authorities are influenced by religious and spiritual principles Original **Pentecostal Theology** Wolfgang Vondey,2017-07-13 Winner of the Pneuma Book Award 2018 from The Society for Pentecostal Studies Pentecostalism is the most rapidly growing branch of Christianity since the 20th century yet it does not lend itself well to a singular doctrine and there is therefore no single comprehensive account of Pentecostal theology worldwide In this volume Wolfgang Vondey suggests an account of Pentecostal theology that is genuine to Pentecostals worldwide while allowing for different adaptation and explication among the various Pentecostal groups He argues that Pentecostal theology is fundamentally concerned with the renewal of the Christian life identified by the

transforming work of the Holy Spirit and directed toward the kingdom of God The book unfolds in two main parts illustrating the full gospel story and theology Eleven chapters identify the spiritual underpinnings and motivations for Pentecostal theology formulate a Pentecostal theology of action translate apply and exemplify Pentecostal practices and experiences and integrate Pentecostal theology in the wider Christian tradition

The Empathic God Frank Woggon, 2024-05-07 What if Jesus did not come to die for our sins What if instead Jesus's life and death was intended to provide a way out of our shame While traditional Christian teachings about the atonement emphasize sin as guilt and transgression against God's will and commandments Frank Woggon points out that clinical spiritual care reveals that the human condition is predominantly marked by shame rather than guilt In *The Empathic God* Woggon examines myopic readings of the Jesus event that in turn have embedded distortions into traditional paradigms of the atonement In contrast Woggon mines narratives of the human condition to engage in a critical examination of the Jesus story As a clinician and ordained Baptist minister Woggon presents the Jesus event as God's empathic initiative toward humanity and convincingly argues that salvation comes through empathy rather than forgiveness Woggon's work constructs a clinical theology of atonement from the perspective of clinical spiritual care *The Empathic God* calls for a practical response of caring participation in God's ongoing work of salvation through an empathic praxis of spiritual care Most importantly *The Empathic God* takes seriously that lived human experience is the starting point for theological exploration rather than doctrine This book will help practitioners and students of spiritual care in the Christian tradition to reflect more critically on the intersection of spiritual care practice and theology The book also will challenge pastors ministers of pastoral care chaplains pastoral counselors spiritually oriented therapists to interrogate and re-interpret traumatic shame-filled Christian teachings about the atonement so that they too can join in God's ongoing and liberating work of salvation

Evangelism Renewed Henry H. Knight, 2025-04-08 Evangelism has entered a new day From the 1980s to the present a vast array of new forms of evangelism have emerged shaped and informed by theological reflection on the good news of Jesus Christ and the mission of God Rejecting the reduced and formulaic forms of evangelism typical of most of the twentieth century these newer approaches speak more of the reign and love of God relationship and community and both personal and social transformation They are very diverse but each has something to contribute to how we understand and practice evangelism This book is a doorway into these theologies of evangelism and their fresh and dynamic ways of sharing the good news

A Counterfeit Veil Terresa Tasabia, 2021-04-12 Where was God when I was sexually abused This is the great unspoken question of women silently suffering in our churches today followed closely by a second How can God claim to care about me when I was forced to endure such unspeakable acts The Bible openly covers a lot of territory on sexual abuse It holds the keys to unlock deep-seated shame guilt and bitterness that fuse to the soul as a result of sexual violation *A Counterfeit Veil* is an invitation to trade those unrelenting feelings of worthlessness and brokenness for a pure hope *A Counterfeit Veil* is a guided tour that uncovers truth about the extreme harm sexual abuse

inflicts throughout a woman's life affecting her mind spirit and relationships You will encounter and interact with scripture perhaps in a way you never have before as you recover your authentic spiritual identity You are not alone Scripture does not shy away from the reality of your pain You will find honest answers where there is freedom to ask the unspoken questions and take off shame like an old garment As you journey through this study you will find grace and acceptance that unfold both the promise and power of Christ to restore the beauty hidden beneath your unhealed scars **Thinking about God**

Dorothee Soelle, 2016-08-05 Developing out of a series of public lectures given to a large audience of non theologians this is one of the most attractive introductions to theology which has appeared so far Perhaps as Dorothee Soelle points out in fact introduction is not the right word for this is above all an invitation to share her enthusiasm for theology her delight in the beauty and the power of religious and theological language and the themes it expresses The book covers all the major areas of modern theology After discussing the nature of systematic theology and comparing orthodox liberal and radical approaches it looks at the use of the Bible in theology Then follow chapters on creation sin feminist liberation theology the understanding of grace Black theology Jesus cross and resurrection the kingdom of God and the church the theology of peace the end of theism and the question of God Each chapter is followed by a bibliography and Dorothee Soelle who is familiar with theology on both sides of the Atlantic has herself revised these for the English language edition **Health, Healing**
