It'S Not About You T. Collins, 2015-08-28 *Its Not About You* sets before evangelical Christians a threefold challenge take stock of one's life assess the depth of commitment to promoting oneself at God's expense and follow Jesus

Christ completely in faithful obedience T Collins an experienced teacher and international medical missionary draws upon background as a physician and an author to diagnose the human condition of idolatry in which individuals place themselves and their desires ahead of God and his will for their lives The discussion emerging from this diagnostic work will draw in readers with its reasoned use of Scripture its inclusive depictions of the human condition and its passionate appeals for Christians to turn their lives over to Jesus Christ Spanning three sections Its Not About a Lot of Things Its Not about Your Blessings and Making It Not About You the twenty five chapters in Its Not About You offers readers a rigorous and comprehensive assessment of their lives culminating with a call to discipleship As the last chapter notes Contrary to what our society would like to believe theres only one way to follow Jesus completely If you have found your life lacking focus and purpose if you doubted that endlessly chasing the worlds bright and shiny trinkets was the ultimate point of living and if you have found Jesus call to follow him beguiling you to respond then Its Not About You will serve as your guide to replacing your own self with God at the center of your life

The Way, the Truth, and the Light According to the Gospel and Revelation of John Victor Pierobon, 2021-10-10 John best described the Way the Truth and the Light in the New Testament Jesus Christ is the only sinless and selfless Man with the Holy Spirit of Truth and the Light and Breath of God residing in Him becomes our Lord and Judge most favored by God The book is an analysis of all the works of John line by line John s Christ often contradicts many modern Christian denominations This book points out these discrepancies It also provides a clear trace of Adam and his fall to his lineage of Mankind as well as the divine evolutionary interventions that shaped our species evolution of humanity and their divine souls In the Final Days of Revelation and Matthew s Gospel both state to let Evil be evil and Good be good Revelation reveals the harvest of the Good from Earth as Earth slowly gets scorched and destroyed by God God destroys the Evil ones that destroyed the Earth A new City of God along with a new Earth and a New Heaven is created for those Good souls spared from the Second Death the death of the soul A complete summary of this book is presented in the third Chapter The Christian Beliefs Events and Definitions The Appendix also provides comparative ideas and facts from other religions science philosophy spiritual works and Near Death accounts that verify John s New Testament writings This book supersedes and replaces my other two previous books How to Believe in Christ According to the Gospel of John and The City of God the Bride of Christ and the Second Death According to Revelation of John and these two previous books will no longer be updated and could be unpublished later on or a nominal price will be added for those who are curious on how this book evolved from past editions

Cross and Cosmos John D. Caputo, 2019-07-23 The renowned theologian brings Luther and cosmology into dialogue with radical theological movements that have their point of departure in deconstruction George Pattison author of Eternal God Saving Time John D Caputo stretches his project as a radical theologian to new limits in this groundbreaking book Mapping out his summative theological position he identifies with Martin Luther to take on notions of the hidden god the theology of the cross confessional theology and natural theology Caputo also confronts the dark side of

the cross with its correlation to lynching and racial and sexual discrimination Caputo is clear that he is not writing as any kind of orthodox Lutheran but is instead engaging with a radical view of theology cosmology and poetics of the cross Readers will recognize Caputo s signature themes hermeneutics deconstruction weakness and the call as well as his unique voice as he writes about moral life and our strivings for joy against contemporary society and politics This work will be eagerly awaited and immediately read by John D Caputo s many followers They will be looking for him to fill out the big picture which makes manifest for the first time all the parts and pieces he has contributed to the theological project he launched early in the previous decade Carl Raschke author of Postmodern Theology Caputo is always distinctive George Pattison author of Eternal God Saving Time

Dark Metropolis: Medusa Rising H. G. Lee,2019-09-12 Of all of the stories told about ancient Greece one story has been told and retold many times and in many ways That is the story about Medusa the evil woman who was cursed by Athena But is this the real story of Medusa No it is not I know the real story of Medusa Medusa Rising is the third and final chapter of the Dark Metropolis Trilogy

Mortality's Muse D. T. Siebert,2013-10-10 The inevitability of death that of others and our own is surely among our greatest anxieties Mortality s Muse The Fine Art of Dying explores how art mainly literary art addresses that troubling reality While religion and philosophy offer important consolations for life s end art responds in ways that are perhaps more complete and certainly more deeply human Among subjects treated the ars moriendi or art of dying tradition the contrast between past and more recent cultural values the religious consolation s value but shortcoming for some people the role of art in offering a secular consolation dying as a performing art the philosophic ideal of good death the lively appeal of carpe diem or living for the present moment the elegiac sense of life and the two opposite parts Mortality s Muse has played in dealing with war the most senseless and unnecessary cause of death The idea of an aesthetic sense of life forms the basis of these discussions Human beings are makers in the largest sense of the word and art represents everything they make civilization itself with all its greatness and failings Our civilization may ultimately be nothing but an evanescent blip in the cosmos Even so the creation of beauty meaning and purpose from disorder and suffering defines us as human beings In the words of Robinson Jeffers even if monuments eventually crumble and all art perish yet for thousands of years carved stones have stood and pained thoughts found the honey of peace in old poems

The Fourfold Gospel, Volume 4 John DelHousaye,2025-07-14 In the medieval participationist tradition of reading Scripture the four senses Quadriga or PaRDeS The Fourfold Gospel invites the reader into the mystery of union with Christ Meditating on the literal canonical moral and theological senses of the Gospels allows space for the Spirit s leading and growth This fourth and final volume focuses on the unitive stage of the journey eschatology passion and resurrection

Mr. Michael Presents the Five "S" Mr. Michael,2010-12-06 There are those who would have you believe chivalry is dead in modern society Stereotypically men have lost the soft touch Men have forgotten romance and the image of a knight in shining armor is long past Mr Michaela man who has learned the many aspects of love in his own marriagewould say

otherwise Mr Michael would have the sadness wiped from the eyes of the beautiful women of this world He received many wonderful gifts from God including his wife and the love they share Through his enlightened life lessons described in Mr Michael Presents the Five S he would like to share the love he found with the world A true spiritual connection with a higher power paves the way to love on earth The key to ending loneliness is in giving life to the divine and fulfilling mortal relationships will follow True love will follow if only you discover the pure God energy within yourself It is time to love one another with humbleness compassion and honor **Touch the Earth, Kiss the Sky** Diotima Mantinea,2020-03-08 Discover a Powerful Integration of Science Spirit Magic Touch the Earth Kiss the Sky is a fascinating blend of spiritual practice and cutting edge science Follow the eight Stations of the Sun through an astronomical year with Touch the Earth exercises designed to help ground your experience in nature as well as Kiss the Sky exercises that will help you get in contact with the Divine and your own inner sense of the sacred Within these pages you will explore a scientific account of consciousness and its relationship to magical practice spiritual energy and the subtle realms Profound meditations and exercises lead you to a deeper sense of personal meaning and show you how to make magical changes in your life and the larger reality around you **Ancient Scepticism** Harald Thorsrud,2014-12-05 Scepticism a philosophical tradition that casts doubt on our ability to gain knowledge of the world and suggests suspending judgement in the face of uncertainty has been influential since its beginnings in ancient Greece Harald Thorsrud provides an engaging rigorous introduction to the arguments central themes and general concerns of ancient Scepticism from its beginnings with Pyrrho of Elis c 360 c 270 BCE to the writings of Sextus Empiricus in the second century CE Thorsrud explores the differences among Sceptics and examines in particular the separation of the Scepticism of Pyrrho from its later form Academic Scepticism which arose when its ideas were introduced into Plato's Academy in the third century BCE He also unravels the prolonged controversy that developed between Academic Scepticism and Stoicism the prevailing dogmatism of the day Steering an even course through the many differences of scholarly opinion surrounding Scepticism Thorsrud provides a balanced appraisal of its enduring significance by showing why it remains so philosophically interesting and how ancient interpretations differ from modern ones **Some Thoughts on God and Other Things** Jerome Gleich,2016-01-11 Our cities states countries and seemingly the whole world seem to be coming apart at the seams While many of us live in relative comfort the wars killing economic strife lack of morals decency and just common sense take a heavy toll on our spirits and psyches But how do we as individuals overcome the enormity of hate prejudice selfishness greed corruption and all the other bad things going on in our world It starts with getting our moral imperatives back and it is no coincidence that our slide into unprincipledness is accompanied by less interest in religion and belief in God in our world However understand that this is not a book about religion or bringing you back to religion Religion like our governments corporations organizations schools institutions and even our science are corruptible fallible misguided and possibly worse The fact is that us and everything in our world our

universe is imperfect flawed and finite This book is about trying to understand and accept that there is a different perfect infinite plain of existence and that there is a perfect being that dwells there And that can lead us into becoming more moral people and change our world

Queer Devotion Charlie Claire Burgess,2025-05-20 A liberating exploration of the queer divine in deities and figures of myth and legend that opens pathways for LGBTQIA people to revere the divinity within and create an affirming spiritual practice Queer people have always existed and queerness has always been divine Queer Devotion by tarot teacher and deck creator Charlie Claire Burgess reminds us of this by re examining sacred stories through a queer and gender expansive lens With exercises reflection prompts and ritual suggestions readers can discover a deeper spiritual relationship with themselves and the divine and begin building an affirming personal practice of self defined queer devotion From gay Greek gods to genderfluid Norse ones from transgender Catholic saints to queer Arthurian legends Queer Devotion reveals that spirituality has always been far queerer than we ve been led to believe In the beginning the gods were queer and they still are

Gods Like Us Introduction

In today's digital age, the availability of Gods Like Us books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Gods Like Us books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Gods Like Us books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or

professional purposes. By accessing Gods Like Us versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Gods Like Us books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Gods Like Us books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Gods Like Us books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Gods Like Us books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Gods Like Us books and manuals for download and embark on your journey of knowledge?
