School library journal ISSN 0000 0035 called Junior libraries 1954 May 1961 Also issued separately When God Stops Working Keith Ruckhaus,2002-11-15 Christians today are desperate for biblical answers to the exhaustion that so many of us suffer from the pace and demands of modern life Keith brings words of liberation and challenge to us all articulating in this thoughtful exposition of scripture a higher demand than the clamor of culture Savor in these pages the life giving word of God s command that we find and make time for rest Author and Pastor Dave Cheadle Denver Colorado Ruckhaus s study calls us back to the basics and in so doing calls into question the very way we do our faith The subject of God s Sabbath is therefore not just another doctrine or issue How we grasp and understand this Day of days defines the kind of discipleship we are willing to profess and practice This book will exact an effort on your part which means it will demand your time Alas time you perhaps don t have Ah this could then be the first step toward keeping the Sabbath You will have to lay aside something if you are to grasp the significance of Ruckhaus s insights Don t just read this book enter it Let it affect you For it demands a response Take it up into your life and your lifestyle Enter the rest God is giving And don t forget to take others along Charles E Moore Plough Publishing Spring Valley Bruderhof PA **Commerce and Finance** ,1928 God of Justice David E. Leininger,2007 With the Ten Commandments such an integral part of today s culture wars it would seem to be a safe assumption that most people are familiar with what the commandments actually say Yet many surveys indicate otherwise and even when people can name all of the commandments they often misinterpret their meaning For example Do not take the Lord s name in vain has nothing to do with avoiding getting one s mouth washed out with soap Remember the sabbath day is not about going to church Honor your father and mother is not a way to get recalcitrant kids to clean up their rooms and despite what most folks think You shall not commit adultery is not primarily about sex In God of Justice David Leininger sets the record straight with a new look at this ancient document He examines the commandments in the context of today s social cultural and political environment and he concludes that rather than the traditional view of them as ironclad laws the commandments are actually God s policy statements about what is the bedrock of a good decent and just society When properly understood the commandments offer God s guidance in establishing a healthy way of life that is rewarding for everyone With discussion questions included for each chapter God of Justice is an excellent study resource for adult classes and clear and accessible reading that will be stimulating and rewarding for any thoughtful Christian David E Leininger is the pastor of First Presbyterian Church in Warren Pennsylvania He has also served congregations in North and South Carolina Georgia and Florida Prior to entering the ministry Leininger worked for almost twenty years in radio and television He is the author of A Color Blind Church and Lectionary Tales for the Pulpit Series VI Cycle A and his sermons have appeared in the

Rauh, 2024-09-02 This study analyzes the religious mentality commercial practices and social composition of Roman trade society at the celebrated Hellenistic Greek Roman Republican emporium of Delos 166-87 B C The remains of this site date largely to the late second and early first centuries B C when Delos was the nerve center of the trans Mediterranean luxury and slave trade of Roman Italy Repeated military assaults between 87 and 69 B C destroyed the community and its trade importance declined But as an archaeological site it offers the earliest and most detailed remains of a Roman trade community to survive anywhere in the Mediterranean world including the city of Rome itself This study marks the first reassessment and interpretation of these remains from the vantage point of Roman trade in more than seventy years Among the subjects discussed are the religious character of the remains of Delian marketplaces and their likely commercial function the role of oaths and more particularly of the gods Mercury and Hercules in Roman commerce the tendency of Roman traders to organize themselves according to

religious fraternities and the manner in which this enhanced trade activities such as finance the social status of these traders in wider Roman society as reflected by their house remains and finally the identity of the mysterious Agora of the Italians
