Gods Will Or Mans Will:

Man'S Will Versus God'S Will Advocate James Clark,2013-10-01 Mans demise has always been situated predominantly in the fact that he does not want to abide in Gods Will Man wants to do and achieve everything on his own steam and energy This book shows mans weaknesses and reveals to man the way back into Gods Will including the results of such a dedicated life In this book it is also then downplayed against the life beyond Gods Will with the consequences of such a life The Spiritual Man Watchman Nee,1998 An intriguing exploration of the great transition between life and the after life **God's Foreknowledge and Man's Free Will** Richard Rice,2004-01-27 This book is a thought provoking study of some issues concerning the historic Calvinist Arminian debate Does God know absolutely everything that s going to happen Can He foresee future moral choices and actions which have not yet been made If one s future responses and behavior are totally foreknowable is she truly free Dr Richard Rice explores these and other fascinating questions which have sometimes divided Christians The author gives new perspective on one of the most fundamental issues of the Christian faith the relationship of God to His creation and the reality and extent of human freedom Carefully scrutinizing the Scriptures on this subject the author challenges the reader to examine for himself this critical issue of theology With strong theological background and sound biblical scholarship Dr Rice presents his viewpoint in a convincing and readable style **The Judgement of Mr. P. Demonic Spirits Have Invaded Human Bodies Donald R. Evans, 2024-07-06 Denying Jesus Christ the Son of the Living God is the greatest mistake the entire world has made in the past and present and will continue to make in the future Without Jesus Christ as Lord and Savior in one's life how can a person live coexisting with spirit beings known as demons wicked spirit persons who have inhabited the earth the entire time mankind has been on earth Yet the world lives as though we don't coexist with spirit beings and to reject or deny the only person whom these spirit beings obey is like living without a cause People the world in general it's imperative to acknowledge that demon spirits have invaded human bodies Demonic forces whom we can't see nor control are in control of multitudes of human lives which have persons in spiritual warfare with invisible demons as enemies in mankind and fighting a battle within themselves and against others like themselves These demons which are also named evil spirits are in human bodies as demon control spirits sometimes called devils as they became dominant spirit forces Demons have been assigned to us in the body of humankind to harm kill and destroy lives by any means Demons have been assigned to our children to possess as their own to harm steal or destroy lives and family livelihood The power of Jesus Christ's name provides protection for all mankind in the spirit realm believers as well as nonbelievers

The Gospel of Inclusion Carlton Pearson, 2009-03-10 Fourth generation fundamentalist Carlton Pearson a Christian megastar and host takes a courageous and controversial stand on religion that proposes a hell less Christianity and a gospel of inclusion that calls for an end to local and worldwide conflicts and divisions along religious lines In *The Gospel of Inclusion* Bishop Carlton Pearson explores the exclusionary doctrines in mainstream religion and concludes that according to the evidence of the Bible and irrefutable logic they cannot be true Bishop Pearson argues that the controlling dogmas of religion are the source of much of the world's ills and that we should turn our backs on proselytizing and holy wars and focus on the real good news that we are all bound for glory everybody is saved and if we believe God loves all mankind then we have no choice but to have the same attitude ourselves Bishop Pearson tells the story of how he had gone from a powerful religious figure once preaching to an audience of over 6 000 people to watching everything he had built crumble around him due to a scandal Why He didn't steal money nor did he have inappropriate sexual relationships Following a revelation from God he began to preach that a loving God would not condemn most of the human race to hell because they are not Christian He preaches that God belongs to no religion *The Gospel of Inclusion* is the inspiring journey of one man's quest to preach a new truth
