Family Devotions Neil M. Phelan, Jr.,2005-06-14 Devotional material has always been of immeasurable value to Gods people Spurgeons Morning and Evening has encouraged many a pilgrim as they prepared for their day and sought comfort on their pillow at night We do not aspire to this caliber of thought or experience yet we feel a burden for the same work One reason is because there is always a need for contemporary authors people who live and breathe in this present world who may be identified as a living brother and companion in tribulation Another reason has given equal force to vent our hearts in written form There was once a day when families gathered together to discuss religious topics It was by those discussions however brief and unstructured they may have been that children became aware of their parents faith and ultimately their God Today we live in a busy world With computers television VCR s CD s and a world of entertainment at our fingertips this opportunity of teaching has become all but extinct Gadgets noise and electronics stifle familial communication Granted children may know that their parents believe in God because they go to church yet the dynamics of personal interactions between parent and child is all but lost Thus we come to this final reason for this collection of articles To give the parent some short meditations to enjoy personally and ultimately share with their family and children Our homilies are for the most part a condensed version of messages delivered to our congregation Surely if they were given us by the Chief Shepherd for the feeding of the gathered flock they will be beneficial to other sheep which are not of our immediate fold For your benefit we have included some helpful hints for parents at the conclusion of each devotion **The End of Spectator Church** Tony

Cooke,2023-03-21 Moving from Passivity to Purpose For many Christians church is defined by attending an occasional Sunday service mired in an audience mentality Virtually ineffective and having no impact we have become a cultural Christianity that creates passive believers Yet the Church is meant for so much more Tony Cooke challenges the way some see **Jesus' Family Tree** Rose Publishing (Torrance, Calif.),2014-01-01 Packed with REPRODUCIBLE pages timelines family trees and simple summaries this incredible reference book gives a fantastic overview of 30 key people in Jesus ancestry Perfect for students pastors Bible study teachers and those interested in seeing God s faithfulness throughout the Old and New Testament The remarkable heroes and heroines in the ancestry of Jesus teach us a lot about God s faithfulness

The Magnificent Goodness of God and How It Will Transform Your Life Timothy Rowe, 2012-07-10 The goodness of God is one of the most revolutionary truths of the Bible but our generation has lost faith in the goodness of God The image you carry in your heart of God and what He is like will dramatically affect your life character and destiny Do you believe God can be your hero Do you believe God has a good heart Do you believe that God can transform you into the type of Christian that you always wanted to be When we begin to understand and believe what it means when the Bible boldly declares that God is good always our lives will begin a breathtaking transformation as we rise up to be a mighty witness for our Lord Anyone who has been touched with the goodness of God cannot come away the same The goodness of God encompasses everything that God is and is a perfect representation of all His characteristics The goodness of God is the foundation of all His works plans and purposes If we are to understand what God is like we must first know that He is good and not evil The devil works tirelessly to keep the truth of the goodness of God lost in the mindset of this world and marshals all of his forces to cause confusion about the true character of our God The goodness of God is the pinnacle point of the spiritual battle that rages all around us Understanding the goodness of God is first and foremost in spiritual warfare because without this you can never stand for God faithfully
