Designed to involve the individual in systematic Bible study these twelve well organized lessons trace the Christian life from conversion to maturity The illustrative drawings helpful review questions and suggested Bible memory verses are valuable for personal research and for group discussions The Abundant Life analyzes the basics of the Christian experience one at a time picturing them as physical actions For example it compares Bible study to eating prayer to talking forgiveness to washing These simple analogies make the material easy to understand An effective tool for evangelism or individual study

Steven E., Lee Beard, 2005 Teachers entrepreneurs successes and stars come together in this volume to reveal their keys to personal success in relationships in business and in life From self realization guru Dr Wayne Dyer to basketball superstar Jerry Dr Memory Lucas each one of these contributors speaks to a slightly different perspective Overcoming obstacles perceiving your truest purpose finding the courage to be passionate about what you do best everyone can learn from these leaders in business training teaching and industry Success isn t a gift you have to seize it This is the manual *Where Is the Fear of God?* Charles Von Hammerstein, 2010-01-26 The loss of the fear of God has been the greatest devastation to our nation and to the body of Christ It is the sign of the end times the mark of falling away from the Lord O how we need to recapture the fear of God in this day so that we all might be found prepared for the Lord s return We are living in the very days before the Lord s return when the prophecies of scripture are being fulfilled all around us Yet few are being prepared for his return with the holiness that He will demand We must follow after holiness without which no man shall see the Lord Heb 12 14 Such holiness cannot be obtained without the fear of the Lord being brought back into the church and especially into its leadership This book shows how the fear of God has been forsaken and it exposes the heart of compromise that is the spirit of our age Ask yourself how are you being prepared by the preaching of the fear of the Lord so that your life meets Christ s holy eyes **Building a Relationship with God and with Others** John Onu Odihi, 2012-07-24 In a world that seems to be turning away from God author John Onu Odihi writes from his heart about the Christian life and its challenges in the modern era Even while our culture emphasizes independence and moral relativism Odihi is unafraid to remind us that our victory can come only through loving and trusting God and living in obedience to him Building a Relationship with God and with Others helps us do just that with essays on such topics as gratitude patience and the mystery of God s love But the essays go beyond the theoretical to the real dynamics in our relationship not only with God but also with each other

Reflections on how to live out our Christian faith address forgiveness encouragement the value of confession and ways to cope with fear You ll even find an essay on the difficult challenge of how to lovingly confront someone who is in the wrong Each section is followed by suggested biblical passages that you can return to again and again for support and reference Throughout this book is an emphasis on the joy and fulfilment that is ours when we learn to truly love not only our neighbours but our enemies Jesus ultimate message as we work to bring his kingdom to this earth Whether you re a new Christian or have been one for many years you ll welcome this chance to learn more and to deepen your understanding of what it means to walk with God

The Twelve Gifts of Life Cindy Champnella,2012-08-27 The truth is that most of us never get a chance to make our mark of greatness on the world which doesn t negate our basic human desire to find meaning in our story We all want our lives to matter and for the world to be marked in some small way by our journey And then there are the questions how do we hold onto hope when all indicators point to floundering financial futures How do we feel joy in a society of failing families and facebook limited friendships How do we find purpose when just paying the bills has to be our priority How do we believe when God is silent How do we know that our lives matter If you ve ever asked any of these questions The Twelve Gift of Life will change your perspective A collection of powerful poignant narratives with a punch of humor these true life vignettes will help you discover meaning in the midst of the mundane Buried within even the most challenging circumstances are the gifts of life for those discerning enough to discover and embrace them Life is not meant to be survival of the fittest Life is not meant to defeat us Life is not meant to beat us down The gifts of life restore us They give us hope They give our life meaning They are meant to be savored The gifts belong to all of us Discover them through this inspirational soon to be bestseller

The Way, the Truth, and the Life: The Way Rev. Charles Thomas Comella,2016-10-14 The earliest Christian church was called The Way It was called this because Jesus Christ s advent life death and resurrection did not focus upon theology as such or doctrines as such or upon achieving warm fuzzy feelings as such Jesus s teachings and life were all focused upon a way of life A way of life focused upon a relationship with God and a way of life focused upon our relationships with our fellow men and women Jesus shined a spotlight on how we are to live yearly weekly daily act by act step by step decision by decision under the watchful eyes of a gracious loving God who knows us and calls us by name Even Jesus s death and resurrection were pointers revealing the way the way of the journey we will all take one day This small book is called The Way because it focuses as Jesus did upon the how tos needed to cope with an increasingly irreligious if not anti Christian culture How do I deal with fear How do I deal with my guilt How do I From my observation and experience these are the questions in the mind of the man or woman in the pew There are ways There is a way They were pioneered for us by Jesus He and his way is The Way
