Medievalism in the Modern World Richard J. Utz,T. A. Shippey,1998 The twenty six essays in this volume examine the process of creating the Middle Ages In doing so they honour Leslie Workman who has led the revival of the study of medievalism in the past two generations and leads this sub discipline towards the comprehensiveness that Lord Acton as early as 1859 had promised Two great principles divide the world and contend for the mastery antiquity and the Middle Ages These are the two civilizations that have preceded us the two elements of which ours is composed All political as well as religious questions reduce themselves practically to this This is the great dualism that runs through our society While
