Goethe Two Addresses By Albert Schweitzer:

Goethe Albert Schweitzer, 1948 *Albert Schweitzer's Ethical Vision A Sourcebook* Predrag Cicovacki, 2009-02-02 The philosophy of Albert Schweitzer has proved widely influential in modern thinking especially in the field of ethics His leading ethical idea can be summarized in the phrase reverence for life namely that good consists in maintaining and perfecting life and evil consists in destroying and obstructing life For Schweitzer all life is sacred Ethics thus deals with human attitudes and behavior toward all living beings Unlike many moral philosophers Schweitzer argues that knowledge of human nature does not provide a sufficient foundation for any adequate moral theory That is why he bases his ethics on much broader foundations articulated in his philosophy of civilization and the philosophy of religion Schweitzer argues that the material aspect of our civilization has become far more important than its spiritual counterpart Even organized religion has put itself in the service of politics and economy thereby losing its vitality and moral authority Schweitzer's ethics of reverence for life argues Predrag Cicovacki offers a viable alternative at a time when traditional ethical theories are found inadequate Schweitzer's robust and un dogmatic idealism may offer the best antidote to the prevailing relativism and nihilism of the postmodern epoch His ethical vision directs us toward a new way of building a more just and more peaceful world Collecting sixteen of Schweitzer's most effective essays this volume serves as a compelling introduction to this remarkable thinker and humanist **Notable American Unitarians 1936-1961** Herbert Vetter, 2007-06-01 Concise biographies of over 100

American Unitarians 1936 1961 *Culture in the Anteroom* Johannes von Moltke, Gerd Gemünden, 2012-05-07 Culture in the Anteroom introduces an English speaking readership to the full range of Siegfried Kracauer's work as novelist architect journalist sociologist historian exile critic and theorist of visual culture This interdisciplinary anthology including pieces from Miriam Bratu Hansen Andreas Huyssen Noah Isenberg Lutz Koepnick Eric Rentschler and Heide Schlömann brings together literary and film scholars historians and art historians sociologists and architects to address the scope and current relevance of a body of work dedicated to investigating all aspects of modernism and modernity The contributors approach Kracauer's writings from a variety of angles some by placing them in dialogue with his contemporaries in Weimar Germany and the New York Intellectuals of the 1940s and 50s others by exploring relatively unknown facets of Kracauer's oeuvre by considering his contributions to architectural history the history of radio as well as other new media and museum and exhibition culture

The Christian Register, Unitarian, 1949 Catalog of Copyright Entries, Third Series Library of Congress. Copyright Office, 1948 The Social Thought of Ortega Y Gasset John T. Graham, 2001 *Albert Schweitzer* George Seaver, 2016-11-11 The definitive biography of one of the titans of our time together with a full appreciation of his revolutionary thought and writings is now revised to include new materials on the eighth decade of Dr Schweitzer's life and work at Lambarn The book tells two exciting stories the outward events of Schweitzer's life his childhood in Alsace his career in Strasbourg his organ studies and recitals his decision to become a medical missionary in Africa and his long labors

there and a review of his great intellectual and spiritual contributions his upsetting of Biblical criticism his profound insights into Christ St Paul Bach and Goethe his philosophy of civilization and reverence for life Seaver's book is without equal in opening to us simply and clearly a view of the life and mind of Schweitzer of Lambarene Africa Europe and the World Christian Century Mark this down as a great biography of a man whom many regard as our greatest living contemporary Living Church Step by step Seaver leads the reader to look at life with Schweitzer in order to understand his attitude toward Greek eudaemonism Kant Schopenhauer Nietzsche and finally the building up of his affirmation Reverence for Life Those of us who seek to understand the meaning of Schweitzer's life and thought and realized fellowship with the living Christ's must master this tiny book so filled with spiritual reality EDWARD H HUME Dr Seaver's excellent work should appeal not only to Schweitzer's many admirers but to those anxious to find a way out of the baffling labyrinth of current world conditions Christian Century This swift yet fundamental survey of one whole trend in the intellectual life of man is a remarkable piece of work It proves that Schweitzer is one of the great thinkers of our time JOHN HAYNES HOLMES **Albert Schweitzer** Nancy Snell Griffith, Laura Person, 1981 **Christian Register and Boston Observer**, 1949 **In Search of a Universal Ethics** Weishi Yuan, 2023-09-01 This book investigates Albert Schweitzer's research on China which first emerged in the 1910s and ended in 1939-40 Schweitzer's China research evolved alongside the development of his Kulturphilosophie research for over a quarter of a century In Part I In Preparation this book will mainly focus on the historical background against which Schweitzer formulated his Reverence for Life and established his networks with the China experts In Part II In Progress Schweitzer's periodic research outcomes which were presented in several of his publications and manuscripts will be studied Subsequently in Part III In Completion Richard Wilhelm's translation of the Yi Jing which lay down the fundamental principles for Chinese thought Schweitzer's final manuscript from 1939-40 under the title Geschichte des indischen und chinesischen Denkens and his final depiction of Chinese thought will be given special attention The starting point for Schweitzer's China research was his ideal ethical philosophy of Reverence for Life which he formulated in the context of the decline of the Western civilization and was heavily shaped by his religious and philosophical convictions Reverence for Life underscored humanistic concerns and its ideals eventually became Schweitzer's interpretative principles in his investigation of Chinese thought Schweitzer was never a specialist in Chinese thought and Chinese civilization Dependent on the research of European sinologists his China research served to justify the necessity for Reverence for Life as well as of the methods for applying this new ethical philosophy During his entire China research Schweitzer made great efforts to critically interpret and transform the knowledge that had been conveyed by European sinologists such as Richard Wilhelm Although in his final research Schweitzer had already seen great resemblance between classical Confucianism in China and his Reverence for Life he did not ultimately manage to verify his assumptions His final manuscript on Chinese thought from 1939-40 remained unpublished when he passed away in 1965 Albert Schweitzer Nils Ole

Oermann,2016-11-10 This biography provides a versatile insight into the life work and thought of Albert Schweitzer 1875 1965 Nils Ole Oermann offers a detailed account of the multifaceted life of Albert Schweitzer who was a theologian organist philosopher physician and medical missionary Schweitzer s life was not a straight path from the parsonage in Alsace to the University of Strasbourg then on to the hospital in Lambarene and ending with the Nobel Peace Prize in Oslo In every life there are highs and lows victories and defeats and Schweitzer s life was no exception These ups and downs however are barely discernible in Schweitzer s 1931 autobiography *Out of my Life and Thought* where he presents his life as an enormous purposefully constructed edifice the cornerstone of which was the principle of Reverence for Life and the almost inevitable outcome of which was the Nobel Peace Prize To date biographers journalists and hagiographers have told and retold the story of Schweitzer following this basic pattern with relatively little critical modification Their Schweitzer was a man whose demeanour and charisma set him apart from other intellectual giants of his time But not everything Schweitzer records in his autobiography corresponds with what is found in the archives and in his unpublished writings It is on the basis of these historical sources and more recent publications that Oermann attempts to sketch a more realistic picture of Albert Schweitzer Oermann draws on newly uncovered personal papers which shed light on Schweitzer s dealings with the East German authorities and his role in the anti nuclear movement He also builds on a number of interviews from those associated with Schweitzer most notably his daughter Albert Schweitzer in Thought and Action James Carleton Paget,Michael J. Thate,2016-12-09 In the 1940s and 1950s Albert Schweitzer was one of the best known figures on the world stage Courtied by monarchs world statesmen and distinguished figures from the literary musical and scientific fields Schweitzer was awarded the Nobel Peace Prize in 1952 cementing his place as one of the great intellectual leaders of his time Schweitzer is less well known now but nonetheless a man of perennial fascination and this volume seeks to bring his achievements across a variety of areas philosophy theology and medicine into sharper focus To that end international scholars from diverse disciplines offer a wide ranging examination of Schweitzer s life and thought over the course of forty years *Albert Schweitzer in Thought and Action* gives readers a fuller richer and more nuanced picture of this controversial but monumental figure of twentieth century life and in some measure of that complex century itself **Albert Schweitzer** Albert Schweitzer,1947 Selections from the writings of the philosopher theologian musician humanitarian With a chronological summary of Dr Schweitzer s life and a biographical introduction Book jacket *Reverence For Life* Marvin Meyer,Kurt Bergel,2002-10-01 Albert Schweitzer s system of ethics as a way of life in which individuals live with compassion and respect for all living things humans animals and plants or Reverence for Life is illuminated here through a series of compelling essays by Schweitzer and renowned contemporary Schweitzer scholars from around the globe The selection of Schweitzer s writings includes sermons letters and autobiographical and philosophical works chosen by the editors to outline the development of his thought throughout his lifetime **Theosophical Forum and the Theosophical Path and Lucifer** ,1949 **The National Union Catalog,**

Pre-1956 Imprints ,1968 **Philosophic Abstracts** Dagobert David Runes,1966 Index to Religious Periodical Literature American Theological Library Association,1949 *The New International Year Book* ,1933
