**Didier Musso**

## **Gogol's Ghost Life In St Petersburg Between Communism And Capitalism:**

**Gogol's Ghost** Peter Konecny, 2002-08-05 What really happened to Russia following the collapse of the USSR This book tries to provide some answers by examining aspects of life in St Petersburg Russia's second largest city in the early years of Russia's transformation from a Communist state to a democracy Rather than offering an account of the political changes that occurred after December 1991 the author uniquely sketches the personal and social dimensions of the lower depths of a revolution that produced sweeping changes to the lives of average Russians Written in an accessible style from the perspective of a historian who lived in St Petersburg in 1991-92 and subsequent periods the book brings to life a number of fascinating changes that took place to the state and society Essays describe changes to the consumer culture and the new landscape of capitalism in St Petersburg cultural currents in the city changing behaviour in public places and the strains placed on the average Petersburgers the lingering tension between old bureaucratic ways and new rules and regulations and a snapshot of some faces of the younger generation and the ways in which they coped with their new lives **Энтелехия**, 2009

**Dead Souls** Nikolay Gogol, 2004-07-29 Chichikov a mysterious stranger arrives in the provincial town of N visiting a succession of landowners and making each a strange offer He proposes to buy the names of dead serfs still registered on the census saving their owners from paying tax on them and to use these souls as collateral to reinvent himself as a gentleman In this ebullient masterpiece Gogol created a grotesque gallery of human types from the bear-like Sobakevich to the insubstantial fool Manilov and above all the devilish con man Chichikov **Dead Souls** Russia's first major novel is one of the most unusual works of nineteenth century fiction and a devastating satire on social hypocrisy **Petersburg Stories** Nikolai Gogol, 2024-05-09 This is a new translation from the original Russian manuscript of Gogol's collection **Petersburg Stories** This edition contains an Afterword by the Translator a timeline of Gogol's life and works and an Index of Gogol's individual works This collection focuses on life in the urban landscape of St Petersburg blending the mundane with the supernatural This collection contains his most famous stories **Nevsky Avenue or Nevsky Prospekt** **Nose** **Portrait** **Overcoat** **Diary of a Madman**

**Diary of a Madman, The Government Inspector, & Selected Stories** Nikolay Gogol, 2005-12-01 Author dramatist and satirist Nikolay Gogol 1809-1852 deeply influenced later Russian literature with his powerful depictions of a society dominated by petty bureaucracy and base corruption This volume includes both his most admired short fiction and his most famous drama A biting and frequently hilarious political satire **The Government Inspector** has been popular since its first performance and was regarded by Nabokov as the greatest Russian play ever written The stories gathered here meanwhile range from comic to tragic and describe the isolated lives of low ranking clerks lunatics and swindlers They include **Diary of a Madman** an amusing but disturbing exploration of insanity **Nevsky Prospekt** a depiction of an artist besotted with a prostitute and **The Overcoat** a moving consideration of poverty that powerfully influenced Dostoevsky and later Russian literature

## Unveiling the Magic of Words: A Report on "**Gogols Ghost Life In St Petersburg Between Communism And Capitalism**"
