### **Going All The Way Teenager Girls Tales Of Sex Romance And Pregnancy:**

**Going All the Way** Sharon Thompson,1996-09-30 Describes the experiences of young American women coming of age in the late twentieth century and provides firsthand accounts of love desire popularity promiscuity sex birth control and motherhood *Romance and Sex in Adolescence and Emerging Adulthood* Alan Booth,Ann C. Crouter,Anastasia Snyder,2015-12-07 In this classic edition top scholars in family research examine the nature and origin of adolescents contemporary patterns of sexual and romantic relationships from the evolutionary roots of these behaviors to policies and programs that represent best practices for addressing these issues in schools and communities The text offers interdisciplinary expertise from scholars of psychology social work sociology demography economics human development and family studies and public policy Adolescents and young adults today face very different choices about family formation than did their parents generation given such societal changes as the rise in cohabitation the increase in divorce rates and families having fewer children This book examines these demographic trends and provides a backdrop against which adolescents and emerging adults form and maintain romantic and sexual relationships This book addresses such questions as What are the ways in which early family and peer relationships give rise to romantic relationships in the late adolescent and early adult years How do early romantic and sexual relationships influence individuals subsequent development and life choices including family formation To what extent are current trends in romantic and sexual relationships in adolescence and emerging adulthood problematic for individuals families and communities and what are the most effective ways to address these issues at the level of practice program and policy Ideal as a supplement in graduate or advanced undergraduate courses on interpersonal romantic relationships adolescent development human sexuality couples and or family and conflict sociology of children and youth family therapy taught in human development and family studies clinical or counseling psychology social work sociology communications and human sexuality this book also appreciated by researchers and clinicians counselors who work with families and adolescents

**Soul Searching** Christian Smith,Melina Lundquist Denton,2009-04-13 In innumerable discussions and activities dedicated to better understanding and helping teenagers one aspect of teenage life is curiously overlooked Very few such efforts pay serious attention to the role of religion and spirituality in the lives of American adolescents But many teenagers are very involved in religion Surveys reveal that 35% attend religious services weekly and another 15% attend at least monthly 60% say that religious faith is important in their lives 40% report that they pray daily 25% say that they have been born again Teenagers feel good about the congregations they belong to Some say that faith provides them with guidance and resources for knowing how to live well What is going on in the religious and spiritual lives of American teenagers What do they actually believe What religious practices do they engage in Do they expect to remain loyal to the faith of their parents Or are they abandoning traditional religious institutions in search of a new more authentic spirituality This book attempts to answer these and related questions as definitively as

possible It reports the findings of The National Study of Youth and Religion the largest and most detailed such study ever undertaken The NYSR conducted a nationwide telephone survey of teens and significant caregivers as well as nearly 300 in depth face to face interviews with a sample of the population that was surveyed The results show that religion and spirituality are indeed very significant in the lives of many American teenagers Among many other discoveries they find that teenagers are far more influenced by the religious beliefs and practices of their parents and caregivers than commonly thought They refute the conventional wisdom that teens are spiritual but not religious And they confirm that greater religiosity is significantly associated with more positive adolescent life outcomes This eagerly awaited volume not only provides an unprecedented understanding of adolescent religion and spirituality but because teenagers serve as bellwethers for possible future trends it affords an important and distinctive window through which to observe and assess the current state and future direction of American religion as a whole

Gender Through the Prism of Difference Maxine Baca Zinn, Pierrette Hondagneu-Sotelo, Michael A. Messner, 2016 Gender Through the Prism of Difference adopts a global transnational perspective on how race class and sexual diversity are central to the study of sex and gender In contrast with other books in this area which tend to focus on U S or European viewpoints this wide ranging anthology features many articles based on research done elsewhere throughout the world Now in its fifth edition the book opens with a revised and updated Introduction that sets the stage for understanding gender as a socially constructed experience Featuring twenty eight new readings this edition covers compelling subjects like transgendered people intersex issues men and masculinity sexual and gender violence disabilities obesity reproductive technologies educational testing aging and ageism and Occupy Wall Street

*Flirting with Danger* Lynn Phillips, 2000-11 How young women make sense of resist and negotiate conflicting messages on female sexuality and sexual agency In *Flirting with Danger* Lynn M Phillips explores how young women make sense of resist and negotiate conflicting cultural messages about sexual agency responsibility aggression and desire How do women develop their ideas about sex love and domination Why do they express feminist views condemning male violence in the abstract but often adamantly refuse to name their own violent and exploitive encounters as abuse rape or victimization Based on in depth individual and collective interviews with a racially and culturally diverse sample of college aged women *Flirting with Danger* sheds valuable light on the cultural lenses through which young women interpret their sexual encounters and their experiences of male aggression in heterosexual relationships Phillips makes an important contribution to the fields of female and adolescent sexuality feminist theory and feminist method The volume will also be of particular use to advocates seeking to design prevention and intervention programs which speak to the complex needs of women grappling with questions of sexuality and violence

**Not Under My Roof** Amy T. Schalet, 2024-05-31 Winner of the Healthy Teen Network s Carol Mendez Cassell Award for Excellence in Sexuality Education and the American Sociological Association s Children and Youth Section s 2012 Distinguished Scholarly Research Award For American parents teenage sex is something

to be feared and forbidden most would never consider allowing their children to have sex at home and sex is a frequent source of family conflict In the Netherlands where teenage pregnancies are far less frequent than in the United States parents aim above all for family cohesiveness often permitting young couples to sleep together and providing them with contraceptives Drawing on extensive interviews with parents and teens Not Under My Roof offers an unprecedented intimate account of the different ways that girls and boys in both countries negotiate love lust and growing up Tracing the roots of the parents divergent attitudes Amy T Schalet reveals how they grow out of their respective conceptions of the self relationships gender autonomy and authority She provides a probing analysis of the way family culture shapes not just sex but also alcohol consumption and parent teen relationships Avoiding caricatures of permissive Europeans and puritanical Americans Schalet shows that the Dutch require self control from teens and parents while Americans guide their children toward autonomous adulthood at the expense of the family bond

**The Essential Handbook of Women's Sexuality** Donna Marie

Castañeda,2013-01-24 This cutting edge two volume set with contributions by distinguished and internationally recognized scholars provides a comprehensive picture of contemporary issues in the field of women s sexuality emphasizing women s diversity and international perspectives The multifaceted field of women s sexuality has expanded as a field of inquiry over the last 25 years to encompass a wide range of new perspectives theories topics findings and controversies The chapters in this work review and question the utility of standard sexuality frameworks addressing purely biological models heteronormative definitions of sexuality and others and provide new insights and approaches to understanding women s sexuality The intersectional and contextual nature of women s sexuality and how it is inextricably connected to women s relational social economic and cultural contexts is highlighted The Essential Handbook of Women s Sexuality includes in depth coverage of a wide range of women s sexuality topics including sexual desire and satisfaction sexuality in relationships development across the lifespan sexuality concerns in diverse countries pornography lesbian bisexual and transgender women women from diverse backgrounds health and sexuality reconceptualizations of women s sexual problems trauma rape and intimate partner violence and mental health and therapy These volumes can serve as a resource for students researchers and anyone seeking a greater understanding of women s sexuality

*Regulating Romance* Shanti Parikh,2016-04-11

Drawing on ten years of ethnographic research two hundred fifty interviews and over three hundred youth love letters author Shanti Parikh uses lively vignettes to provide a rare window into young people s heterosexual desires and practices in Uganda In chapters entitled Unbreak my heart I miss you like a desert missing rain and You re just playing with my head she invites readers into the world of secret longings disappointments and anxieties of young Ugandans as they grapple with everyday difficulties while creatively imagining romantic futures and possibilities Parikh also examines the unintended consequences of Uganda s aggressive HIV campaigns that thrust sexuality and anxieties about it into the public sphere In a context of economic precarity and generational tension that constantly complicates young people s notions of consumption

based romance communities experience the dilemmas of protecting and policing young people from reputational and health dangers of sexual activity They arrested me for loving a school girl is the title of a chapter on controlling delinquent daughters and punishing defiant boyfriends for attempting to undermine patriarchal authority by asserting their adolescent romantic agency Sex education programs struggle between risk and pleasure amidst morally charged debates among international donors and community elders transforming the youthful female body into a platform for public critique and concern The many sides of this research constitute an eloquently executed critical anthropology of intervention

*Preventing Violence in Schools* Joan N. Burstyn, Geoff Bender, Ronnie Casella, Howard W. Gordon, Domingo P. Guerra, 2001-04-01 School violence is a burning issue these days This book provides an in depth analysis of violence prevention programs and an assessment of their effectiveness using data from observations individual interviews and focus groups as well as published data from the schools It is distinguished by its focus on the cultural and structural context of school violence and violence prevention efforts Where most other researchers use quantitative measures such as surveys to assess the effectiveness of violence prevention programs the authors of this book use qualitative research and ethnography to study the environment where such programs take place Thus this work one of only a few ethnographic studies of violence prevention programs in schools links previous quantitative research on the topic and critical ethnography Preventing Violence in Schools A Challenge to American Democracy includes voices of school students accused of practicing violence who have been participants in violence prevention programs analyzes a citywide peer mediation program who benefits and who does not who is mediated and who mediates and what the implications of these findings may be examines the kinds of violence recognized in schools and the ways schools themselves may perpetuate violence and describes a violence prevention program for students at an alternative school Preventing Violence in Schools A Challenge to American Democracy is highly relevant for students in courses on urban education foundations of education education and social policy youth and the law and qualitative research and for teachers administrators and other professionals such as school psychologists and guidance counselors at the middle and high school levels Lost in Transition Christian Smith, Kari Christoffersen, Hilary Davidson, Patricia Snell Herzog, 2011-09-01 Emerging adulthood is fraught with more problems than most people realize The bright side of freedom growth and opportunities for emerging adults is accompanied by a darker more troubling side Based on a major national study of emerging adults ages 18 23 this volume gives readers an inside view of some of the unsettling aspects of emerging adulthood and seeks to understand the deeper roots of such problems **Millennium Girls** Sherrie A. Inness, 1998 Riding the wave of a booming girl culture worldwide this collection of girls voices from across the globe invites the reader to learn more about their varied girlhoods From coming of age rituals in South Africa to the impact of computers and popular magazines on girls in Japan and Germany the book offers a vision of girlhood from around the world Though a universal experience girlhood is not always carefree Instead as this book documents many girls are not valued for who they

are whether culturally socially or intellectually      A Return to Modesty Wendy Shalit, 2014-05-20 Updated with a new introduction this fifteenth anniversary edition of *A Return to Modesty* reignites Wendy Shalit's controversial claim that we have lost our respect for an essential virtue modesty When *A Return to Modesty* was first published in 1999 its argument launched a worldwide discussion about the possibility of innocence and romantic idealism Wendy Shalit was the first to systematically critique the hookup scene and outline the harms of making sexuality so public Today with social media increasingly blurring the line between public and private life and with child exploitation on the rise the concept of modesty is more relevant than ever Updated with a new preface that addresses the unique problems facing society now *A Return to Modesty* shows why the lost virtue of modesty is not a hang up that we should set out to cure but rather a wonderful instinct to be celebrated *A Return to Modesty* is a deeply personal account as well as a fascinating intellectual exploration into everything from seventeenth century manners to the 1948 tune *Baby It's Cold Outside* Beholden neither to social conservatives nor to feminists Shalit reminds us that modesty is not prudery but a natural instinct and one that may be able to save us from ourselves      **Erotic Love in Sociology, Philosophy and Literature** Finn Bowring, 2019-08-22 Why is love taken for granted as a part of human experience And why is sexual or romantic love in particular so important to us This book aims to find out tracing the intellectual history of sexual love from the ancient Greeks to the modern day *Erotic Love in Sociology Philosophy and Literature* shows how discourses of love have intersected with social and cultural trends as well as with personal events and experiences Beginning with the queering of love in Greek antiquity it looks at how sexual love has been sung about fictionalized and theorized as a cornerstone of the formation of Western culture From the courtly love of twelfth century troubadours and the rise of affective individualism in the eighteenth century to the way the novel helped catalyze and crystallize the hopes and contradictions of love and marriage these are decisive episodes in the history of romantic love Lastly the book deals with how sociologists and feminist theorists have made sense of the liberalization of sexuality over the last fifty years especially given the post romantic pragmatism of commercialized dating practices Arguing against the over rationalism of intimate life *Erotic Love in Sociology Philosophy and Literature* recognizes the need to liberate love from patriarchal racist and homophobic prejudices and highlights the value of literary and sociological traditions to emphasize how they dignify the rhapsodies and the sufferings of love      Routledge International Handbook of Heterosexualities Studies James Dean, Nancy Fischer, 2019-12-19 While a majority of people identify as heterosexual if asked about their sexual identity what does that really mean How did identifying as straight arise particularly in relation to identifying as queer lesbian and gay How are individuals socialized to view themselves and others as straight even when many people are sexually fluid How do institutions like government bodies the educational system and the family reinforce heterosexuality This collection introduces the field of Critical Heterosexualities Studies and key lines of inquiry within the field Like Masculinity Studies and Whiteness Studies *Heterosexualities Studies* critically examines the dominant category and

identity group in order to illuminate the taken for granted assumptions that surround heterosexual identities This critical perspective questions the idea that heterosexuality is natural normal and biologically driven A recurring question throughout this Handbook is what does it mean to say that there are multiple forms of heterosexuality The answer is provided by cases showing how straightness varies between men and women but also across different racial groups social classes and one's status as trans or cisgender Organized around key themes of inquiry including heterosexualities across the life course straight identities and their intersections the power of straightness in state politics and the changing meaning of heterosexualities in the context of sexual fluidity this collection provides readers with an introduction to Critical Heterosexualities Studies through important theoretical statements key historical studies and current empirical research Featuring both classic works and original essays written expressly for this volume this collection provides a state of the art overview of this exciting new field in sexualities studies

*Sex, Ethics, and Young People* M. Carmody, 2015-05-06 *Sex Ethics and Young People* brings together research and practice on sexuality and violence prevention education Carmody focuses on showing how the challenges faced by young people negotiating their sexual lives can be addressed by a six week interactive skill based Sex and Ethics Program

*Innovations in Feminist Psychological Research* Ellen B. Kimmel, 1999 What are the best ways to do research on the psychology of women and gender Within feminist psychology there is a great deal of methodological creativity and diversity This volume highlights how familiar methods such as focus groups can be brought to bear on feminist issues It demonstrates less common methods such as Q sort phenomenological analysis concept mapping and discourse analysis Moreover it explores the role of personal values interpersonal dynamics and sociopolitical influences on the research process Over 60 international contributors share insights into adolescent girls and adult women's sexuality violence and its prevention life patterns and narratives the teaching research nexus gender and race in clinical practice and more Included is a comprehensive resource guide for research publication and teaching on methodological diversity

**The Rollercoaster Years** Charlene C. Giannetti, Margaret Sagarese, 1997-08-04 For the 20 million parents of 10 to 15 year olds *The Roller Coaster Years* is a lively guide to mastering the ups and downs of early adolescence Every parent knows about the terrible twos and the brooding teens but few have anticipated the wild ride of these magical yet maddening years that can provide all the thrills and chills of a carnival ride Now drawing together the latest information from experts supported and advised by the National Middle School Association and with surprising insights from the authors own surveys of parents teachers and the children themselves *The Roller Coaster Years* covers every facet of the physical social emotional and intellectual development of early adolescents including Appearance Anxiety Distractibility Fears and Other Emotions The Battle for Independence Success in School Friendship and Peer Pressure Sexual Awakening The Lure of Tobacco Drugs and Alcohol The Promise and Peril of Electronic Media Sticky Questions About Your Own Past

*Teenage Runaways* Laurie Schaffner, 2014-01-21 *Teenage Runaways Broken Hearts and Bad Attitudes* uncovers the perspectives of

actual teenage runaways to help professionals parents and youths understand the widespread social problem of last resort behavior You ll learn the real reasons teenagers run away and you ll hear the anguished voices of the teenage runaways themselves shattering the myth that only bad kids runaway Teenage Runaways deflates popular misconceptions that runaways are incorrigible delinquents who want to leave home that they make impulsive decisions to leave their families and that they wish to never return Reporting on a qualitative study of 26 runaways in a shelter in New England this book reveals that many teenaged runaways leave home in search of safety and freedom from what they consider abusive treatment whether physical sexual or emotional In Teenage Runaways you will discover valuable information about who these children are why they are running away and what you can do to help Specifically you will read about why teenagers say they run away running away as last resort behavior what the experience of running away is like hope and desire for reconciliation with parents and family running away as a dynamic emotional experience for youths which reflects changes in their social bonds with peers family and adults in the educational legal and medical systems emotional capital from a heavily regulated authoritative environment Teenage Runaways provides you with a new understanding of teens in trouble to assist you in providing services to this needy and vulnerable population First hand accounts reveal the emotional motivations behind decisions to run away such as 14 years old Isabel who gives a painful account of what severe physical and sexual abuse feels like to an adolescent victim Amy also 14 tells her story of living with a mother who was extremely strict and betrayed her

Media and the Sexualization of Childhood Barrie Gunter,2014-04-29 Media and the Sexualization of Childhood examines the on going debates surrounding the prominence of sexual themes in children s lives from clothes and accessories toys and games to music entertainment media advertising and new media platforms Parents educators and politicians around the developed world have raised concerns about the effects all these experiences can have on the socialisation and psychological development of children and the extent to which the premature introduction of sexuality into their lives can place them at risk of unwanted attention This book explores these issues using an evidence based approach that draws on research findings from around the world representing the most comprehensive single account of the field The book will be invaluable to students studying topics surrounding children and the media and childhood studies as well as students of communication media cultural studies sociology psychology and health science *Young Adult Sexuality in the Digital Age* Kalish, Rachel,2020-05-22 Technology is rapidly advancing and each innovation provides opportunities for such technology to mesh with the human enactment of physical intimacy or to be used in the quest for information about sexuality However the availability of this technology has complicated sexual decision making for young adults as they continually navigate their sexual identity orientation behavior and community *Young Adult Sexuality in the Digital Age* is a pivotal reference source that improves the understanding of the combination of technology and sexual decision making for young adults examining the role of technology in sexual identity formation sexual communication relationship formation and dissolution and sexual learning

and online sexual communities and activism While highlighting topics such as privacy management cyber intimacy and digital communications this book is ideally designed for therapists social workers sociologists psychologists counselors healthcare professionals scholars researchers and students
