Going Against The Tide:

Phraseology Sylviane Granger, Fanny Meunier, 2008-06-01 Long regarded as a peripheral issue phraseology is now taking centre stage in a wide range of fields This recent explosion of interest undoubtedly has a great deal to do with the development of corpus linguistics research which has both demonstrated the key role of phraseological expressions in language and provided researchers with automated methods of extraction and analysis The aim of this volume is to take stock of current research in phraseology from a variety of perspectives theoretical descriptive contrastive cultural lexicographic and computational It contains overview chapters by leading experts in the field and a series of case studies focusing on a wide range of multiword units collocations similes idioms routine formulae and recurrent phrases The volume is an invitation for experienced phraseologists to look at the field with different eyes and a useful introduction for the many researchers who are intrigued by phraseology but need help in finding their way in this rich but complex domain

Dictionary of the Political Thought of the People's Republic of China Henry Yuhuai He, 2016-07-22 Far more than a simple glossary this unique resource provides a detailed lexicography of political and social life in China today and deepens our understanding of the last twenty years of enormous change in the People's Republic Each of the 1 600 entries 1 is rendered in Chinese characters 2 is alphabetized according to pinyin the Chinese phonetic alphabet 3 is translated into English and 4 is explained in terms of the situation in which it first appeared and how its meaning shifted over time In addition to the main body of definitions and annotations there are three appendices abbreviations a name index and a bibliography
