## **Going Global For The Greater Good:**

*The Good Life and the Greater Good in a Global Context* Laura Savu Walker, 2015-11-19 *The Good Life and the Greater Good in a Global Context* offers a timely contribution to the debates about the good life that surround us every day in the media politics the humanities and social sciences The authors examine the relationship between the good life and the greater good as represented across different genres media cultures and disciplines This enables them to develop a framework of values that transcends the overly rational and individualistic model of the good life advanced by neoliberalism and the happiness industry Thus over and against normative conceptualizations of the good life that reduce meaning to money creativity to consumption and compassion to self help the contributors propose an ethically charged philosophy of living that views the care for the self for the other and for the planet as the catalysts of true human flourishing In addition to recovering the original usage of the good life from classical thought especially the Aristotelian understanding of eudaimonia as living well and doing well the essays gathered here highlight its entanglement with distinctly modern ideas of happiness wellbeing flourishing progress revolution democracy the American Dream utopia and sustainability As such the essays capture the breadth and depth of the conversation about the good life that is of central importance to how we relate to the past engage the present and envision the future

Going Global Mary Stiasny, Tim Gore, 2013-02-15 **Understanding Leadership** Robert M. McManus, Gamaliel Perruci, 2019-12-09 Laozi Marx the Buddha Ibsen Machiavelli these are just a few of the world's great thinkers who have weighed in on the subject of leadership over the centuries Yet the contemporary student of leadership often overlooks many of these names in favor of more recent theorists hailing from the social sciences **Understanding Leadership An Arts and Humanities Perspective** takes a different angle employing the works of the great philosophers authors and artists found in world civilization and presenting an arts and humanities perspective on the study of leadership The authors build their conceptual framework using their Five Components of Leadership Model which recognizes the leader the followers the goal the context and the cultural values and norms that make up the leadership process Supporting the text are a wealth of case studies that reflect on works such as Ayn Rand's novella *Anthem* Eugène Delacroix's painting *Liberty Leading the People* Charlie Chaplin's film *Modern Times* Athol Fugard's play *Master Harold and the Boys* Laozi's poetic work *Dao De Jing* and Antonín Dvořák's *New World Symphony* The authors also introduce studies from various world cultures to emphasize the role that cultural values and norms play in leadership This illuminating framework promotes the multidimensional thinking that is necessary for understanding and problem solving in a complex world **Understanding Leadership An Arts and Humanities Perspective** will be a valuable resource for both undergraduate and postgraduate leadership students while leadership professionals will also appreciate the book's unique liberal arts and cultural approach
