untapped primary source materials used are the author s father s correspondence and photographs from his 1913 1919
service with the 5th Suffolk in England Gallipoli Egypt Palestine and Syria It follows chronologically the frustrating failures
and the final victory of the campaigns in North Africa and the Middle East and refutes the widely held misconception that

For hundreds of years the public house in its many guises from urban gin palace to wayside coaching inn has been a
charming and quintessential feature of British life and hence the names and signs associated with pubs are a constant
reminder of our history cultural heritage folklore and local identity The Wordsworth Dictionary of Pub Names is a fascinating
compilation containing nearly five thousand absorbing entries and can be dipped into for fun or consulted on a serious level
for intriguing and amusing information not readily available elsewhere The local pub is an institution unique to the British
