Twentieth-century Crime and Mystery Writers Lesley Henderson,1991 Cited in Sheehy and BCL3 The foremost reference in the field completely revised and updated and now covering about 600 authors mainly English language writers whose work appeared during or since the time of Conan Doyle The entry for each writer consists of a biography a bibliography and a

signed critical essay Living authors were invited to add a comment on their work many of them accepted and their remarks are both entertaining and enlightening Annotation copyrighted by Book News Inc Portland OR *Contemporary Authors New Revision* John Jorgensen, Daniel Jones, 1997-11 In response to the escalating need for up to date information on writers Contemporary Authors New Revision Series brings researchers the most recent data on the world's most popular authors These exciting and unique author profiles are essential to your holdings because sketches are entirely revised and up to date and completely replace the original Contemporary Authors entries For your convenience a soft cover cumulative index is sent biannually *Killer Catchers - Fourteen True Stories of How Britain's Wickedest Murderers Were Brought to Justice* Chris Ellis & Andy Owens, 2008-01-07 Murderers Psychopaths and Paedophiles Their mention strikes dread and disgust into the heart of a nation and the crimes committed by such individuals are of a nature more horrendous than any other Their hideous acts of violence and abuse are unimaginably cruel and the more disturbed and desperate we become for the killers to be brought to justice Yet the extremely calculated nature of the crimes and their perpetrators means that evidence is often so thin on the ground that many cases end up being often left open with little hope that more evidence will come to light leaving families in utter devastation and the public in fear of its safety However thanks to rapidly developing advances in forensic techniques especially in the fields of psychological, psychic and DNA profiling more and more previously closed cases are being re-examined and solved many years after the crimes were committed *Killer Catchers* is the incredible collection of such astonishing true stories The murders in this book will chill you to the bone but the techniques used to solve them will astound and reassure you in equal measure The stories in this book are fascinating and varied but they all have one thing in common each murderer thought they would get away with their horrific crime and almost nearly did But now there is no such thing as the perfect murder **Twentieth-century Western Writers** Geoff Sadler, 1991 Contains alphabetically arranged entries that provide information about nearly five hundred twentieth century writers of Western fiction each featuring a biography a bibliography a signed critical essay and in some cases comments from the author Includes a title index **St. James Guide to Crime & Mystery Writers** Jay P. Pederson, Taryn Benbow-Pfalzgraf, 1996 Provides information on the most influential English language writers of the crime and mystery genre Each entry includes author biographies complete bibliographies lists of critical studies locations of manuscripts the writer's own comments on his or her work when available and an essay written by an expert of the genre *Famous Stories of Police and Crime* Leonard Reginald Gribble, 1968 Contemporary Authors Frances C. Locher, 1975-06 Arranged alphabetically from Rowland Abbott to Pieter Zwart each author biography includes personal information addresses career history writings work in progress and more **The Clique**, 1980
