Most people who have heard of Fannie Lou Hamer 1917 1977 are aware of the impassioned testimony that this Mississippi sharecropper and civil rights activist delivered at the 1964 Democratic National Convention Far fewer people are familiar with the speeches Hamer delivered at the 1968 and 1972 conventions to say nothing of addresses she gave closer to home or with Malcolm X in Harlem or even at the founding of the National Women's Political Caucus Until now dozens of Hamer's speeches have been buried in archival collections and in the basements of movement veterans After years of combing library archives government documents and private collections across the country Maegan Parker Brooks and Davis W Houck have selected twenty one of Hamer's most important speeches and testimonies As the first volume to exclusively showcase Hamer's talents as an orator this book includes speeches from the better part of her fifteen year activist career delivered in response to occasions as distinct as a Vietnam War Moratorium Rally in Berkeley California and a summons to testify in a Mississippi courtroom Brooks and Houck have coupled these heretofore unpublished speeches and testimonies with brief critical descriptions that place Hamer's words in context The editors also include the last full length oral history interview Hamer granted a recent oral history interview Brooks conducted with Hamer's daughter as well as a bibliography of additional primary and secondary sources **The Speeches of Fannie Lou Hamer** demonstrates that there is still much to learn about and from this valiant black freedom movement activist **Fannie Lou Hamer, a Biography** Susan Kling, 1979 **For**

Fannie Lou Hamer Earnest N. Bracey, 2014-01-10 This book explores the life of one of Mississippi's greatest civil rights activists Fannie Lou Hamer Known for her daring her brinkmanship and her impassioned speech making Hamer rose to prominence in the Mississippi Freedom Democratic Party an intrepid group which tried to unseat the predominantly white Democrats of Mississippi during the 1964 Democratic National Convention She is particularly remembered for her speech before the Credentials Committee seeking to end all white representation of her home state Hamer fought her entire life to expand freedom and basic rights to African Americans in the United States Fannie Lou Hamer Maegan Parker Brooks, 2020-03-01 This is a testimonial to a courageous woman and her deep commitment to human rights Booklist Starred Review An accessible biography of Fannie Lou Hamer that reveals pivotal moments within a remarkable life that spanned 59 tumultuous years in the history of American race relations In 1964 Fannie Lou Hamer delivered a heart wrenching testimony

before the Democratic National Convention's DNC Credentials Committee. In this speech, Hamer represented both the concerns of the Mississippi Freedom Democratic Party (MFDP) and the limits of American democracy when she proclaimed, "I question America. Is this the land of the free and the home of the brave where we have to sleep with our telephones off the hooks because our lives are threatened daily? Because we want to live as decent human beings in America?" This is the speech that sent President Lyndon B. Johnson into a state of outright panic as he diverted the media's attention away from Hamer's stinging indictment of the nation he led. This is the speech that left most Credentials Committee members in tears, forced Johnson to negotiate with the MFDP, and compelled the Democratic Party to vow they would never again seat a segregated delegation. And this is the speech that television networks made wise to Johnson's diversionary tactics, replayed during their evening programs, thereby bringing Fannie Lou Hamer into the living rooms of Americans across the nation. As significant as the 1964 DNC speech is, this book will underscore that Hamer's testimony was but one moment within a remarkable life that spanned fifty-nine tumultuous years in the history of American race relations. For the first forty-four years of her life, Hamer lived on sharecropping plantations, all the while learning life lessons from her family, the Black Baptist religious tradition, and from the oppressive white supremacist mores surrounding her. Once Hamer's life path intersected with the mid-century Civil Rights Movement, she spent fifteen years (1962-1977) traveling from the South to the North and even to the West Coast of Africa, advocating civil rights, economic justice, and interracial cooperation. Hamer shared the platform with Martin Luther King Jr. and Malcolm X, who introduced her to an audience in Harlem as the country's number one freedom-fighting woman. This accessible biography will enrich public memory about Hamer by telling not only the significant story of her riveting testimony but also by recounting a life filled with triumphs, tragedies, and accompanying lessons for contemporary audiences.
