Far Away Man:

YOUR GOLDEN RAY IS NOT FAR AWAY.... Bairister Sharma,2022-03-14 In every juncture of life there are many ups and downs And every moment you need motivation and encouragement It may be from yourself and from your dear ones However the question arises how If nobody is around you then it s only you to motivate and encourage yourself because life is a lone journey First think and then act Always remember that you re the only one who can change yourself and nobody can change you If you want to light the darkness of your life then ignite Your Mind *Faraway* Edmund Ironside,2013-02 Earth Empire has developed incredible technology and it has taken humans half way across the galaxy Entire sentient species have been conquered their worlds and inhabitants exploited brutally Human technology and social structure has been used efficiently but not wisely A sense of malaise has gripped nearly all of the people and they yearn for something better Lost in a fog of bizarre state imposed controls supported by endless propaganda they don t know how to escape their meaningless existence They don t even know what they want At the outermost base called Faraway a small group of humans learn of some ancient writings although incomplete suggesting there is more to life Immersing themselves in the new way they start discovering thoughts like respect compassion community beauty purpose and especially love It s a tenuous beginning and there are those who will suppress the adherents of the new way A struggle begins between the two opposing ways The struggle spreads across the galaxy and even beyond from Faraway

Boarding Passes to Faraway Places Guy A. Sibilla,2017-08-16 This entertaining and engaging collection of travelogues offers road warriors and arm chair travelers alike stories from distant isolated locales in a loop encircling the world Sibilla describes his chance meeting with the President of Guatemala who choppered into a jungle LZ next to his mules the surreal morning he awoke in Rangoon on his birthday living in a Tibetan Buddhist Monastery in Uttar Pradesh India sleeping among the moai of Rapa Nui Easter Island and many other stories of relentless adventuring From the Indian subcontinent to the Middle East from Africa to Central America and finally across the vast Pacific Ocean this collection of stories illustrates that as Robert Louis Stevenson suggested the great affair of travel is to move With an acute eye for detail and an irrepressible sense of wonderment the narratives here reflect the thrill that comes from arriving at a destination without a plan from wandering at the suggestion of strangers and the feeling of exuberance you experience when you let go and allow the path to choose you

Faraway Horses Buck Brannaman,2003-07-01 I ve started horses since I was 12 years old and have been bit kicked bucked off and run over I ve tried every physical means to contain my horse in an effort to keep from getting myself killed I started to realize that things would come much easier for me once I learned why a horse does what he does This method works well for me because of the kinship that develops between horse and rider Buck Brannaman In THE FARAWAY HORSES Brannaman shares his methods for training and provides a behind the scenes glimpse of Robert Redford s movie The Horse Whisperer for which he was the technical advisor Authoritative figure in horsemanship Reveals the key to understanding animals BUCK BRANNAMAN is a horse gentler not a

The goal of this work is to provide a modern and accurate English translation of the Chumash Mikra prophets and Writings
and the Apostolic Writings The text of this edition of the Aramaic Covenants is a paraphrased translation in idiomatic
language This work is a new edition from translations of the Ancient Aramaic For example this new edition uses the name of
MarYah Eashoa Msheekha Lord G d Yeshua Messiah It also uses the word ALLAHA for ELI G d YHVH 1 and it introduces the
Aramaic rendering of Maran as Lord Along with other Ancient Galilean Aramaic renderings Due weight was given to the
ancient versions as establishing a tradition of interpretation Out of the four levels of interpretation Parshat Remez D rash and
Sod the Parshat method was employed as was Onkelos method of interpretation of the Torah **Making It Like a Man**
Christine Ramsay,2011-10-07 Making It Like a Man Canadian Masculinities in Practice is a collection of essays on the
practice of masculinities in Canadian arts and cultures where to make it like a man is to participate in the cultural
sociological and historical fluidity of ways of being a man in Canada from the country s origins in nineteenth century
Victorian values to its immersion in the contemporary post modern landscape The book focuses on the ways Canadian
masculinities have been performed and represented through five broad themes colonialism nationalism and transnationalism
emotion and affect ethnic and minority identities capitalist and domestic politics and the question of men s relationships with
themselves and others Chapters include studies of well known and more obscure figures in the Canadian arts and culture
scenes such as visual artist Attila Richard Lukacs writers Douglas Coupland Barbara Gowdy Simon Chaput Thomas King and
James De Mille filmmakers Clement Virgo Norma Bailey John N Smith and Frank Cole as well as familiar and not so familiar
tokens of Canadian masculinity such as the hockey hero the gangsta rapper the immigrant farmer and the drag king Making
It Like a Man is the first book of its kind to explore and critique historical and contemporary masculinities in Canada with a
special focus on artistic and cultural production and representation It is concerned with mapping some of the uniquely
Canadian places and spaces in the international field of masculinity studies and will be of interest to academic and culturally
informed audiences Alex Faraway G. F. Brynn,2024-01-30 Only a week after a fierce battle in the abandoned scrapyard
against the wicked horde of large insect bots known as The Others culminating in their destruction when the huge Mars
Biosphere spaceship blasted its way out of the scrapyard Alex Faraway waits impatiently for his long missing father s
promised return from that planet But Dart Alex s large robotic Guardian Dragonfly is unsure if the sinister creatures from his
own past are gone for good The robot flies regular patrols over the 100 acre scrapyard until one morning he abruptly
disappears Alex goes in search of his adventurous friend unaware that the plot to invade Mars and destroy the last remaining
Martians before they awaken from their hibernation Time Tombs is far from finished The battle from the previous week has

only added weight to the might of The Others and has triggered the arrival in the scrapyard of an ever more powerful robot one with brutish motivation to complete the creation of a deadly machine from ten thousand years ago And now not only is Mars in their sites but Earth is as well Something new powerful and frightening is also happening to Alex Faraway with each passing day and each time he uses the strange Martian made device called a Luss His nightly dreams of an ancient people long forgotten are growing more physical in nature as the Glass Tunnels blur the immutable barrier between past and present dreams and reality The Ghosts and the Nethlins are coming And all the while the unknown rogue world the shadowy Planet X draws ever nearer to its ten thousand year close encounter with Mars What mysteries from the distant past does that strange glittering world hold

The Faraway Mountains Radu Guiasu,2023-11-07 A dark chapter in recent human history The first part of this novel follows the adventures of three young friends during a memorable last mountain climbing trip to a remote area of a country under the control of a ruthless authoritarian regime During their journey the young men have to cope with bear encounters venomous adders colorful locals storms dangerous climbs flooded caves and other challenges as the main purpose of their trip is gradually revealed A second story intertwined with the first one focuses on a brilliant young pianist and his ill fated quest for freedom Urban life in the dreary capital where the young men regularly reside is the focus of the second part of the novel when the friends begin to go their own separate ways and come to terms with their very different future prospects The challenges of life in the capital which include run ins with feral dog packs and the secret police are very different than those faced in the mountains but not less dangerous Ultimately this is a book about friendship the noble irreverent and indomitable aspects of the human condition as well as a dark chapter in recent human history and the various ways in which different people cope with difficult and unfair conditions It is an often hilarious and sometimes heartbreaking exploration of the absurdities of life under an increasingly erratic dictatorship which is gradually losing its grip on the people it could never fully control
