

GAMMA WORLD™ Module GW 2

Famine in Far-Go

by Michael Price

Far-Go is dying...the people are afraid...the animals are wasting away...the crops are withering in the fields. No one, not even the powerful high priest, Arx Skystone, knows what has caused Far-Go's misfortune.

You are part of a group of young adventurers about to embark on the mysterious and perilous Rite of Adulthood. As you travel through the savage wilderness, all you have to guide you are your wits...your strength...and your dreams!!

Side of Planet Moore! Martin Mobberley, 2015-03-20 The result of an exhaustive study of Sir Patrick Moore's observations of the Moon and planets for more than 60 years this book is a fantastic companion to the extremely popular *It Came From Outer Space Wearing an RAF Blazer* written by the same author. Moore recorded his telescopic observations in his logbooks which are reproduced and described here in detail along with his sketches and notes. In this light the author discusses the factors that caused Moore to switch from lunar observing to planetary and variable star observing. He has also included personal recollections and humorous anecdotes from Moore's friends and acquaintances as well as a look at his best loved books. Further chapters describe Moore's foreign travels and correspondence with those back home. Lastly the author has not neglected a few of Moore's most memorable television and radio appearances which are examined along with a close up of what it was like to visit Moore's beloved home of Farthings in Selsey. Essentially this is a book written by popular demand from the readers of the author's original biography who craved more of Moore.
