Kostenberger,2015-04-28 A Theology of John's Gospel and Letters introduces the first volume in the BTNT series Building on many years of research and study in Johannine literature Andreas K stenberger not only furnishes an exhaustive theology of John's Gospel and letters but also provides a detailed study of major themes and relates them to the Synoptic Gospels and other New Testament books Readers will gain an in depth and holistic grasp of Johannine theology in the larger context of the Bible D A Carson Trinity Evangelical Divinity School says about K stenberger's volume that for the comprehensiveness of its coverage in the field of Johannine theology Gospel and Letters there is nothing to compare to this work I Howard Marshall University of Aberdeen writes This book is a first in many ways the first volume that

Deffinbaugh, 2002 There are certain books of the Bible that just seem to stand out and the Gospel of John is surely one such book It is frequently the first book of the Bible we encourage non Christians to read in the hope that its message will lead them to faith in Christ After all that is the purpose of the book See John 20 31 For Christians the Gospel of John is a source of much truth about our Lord and the Gospel But it is much more than that It is an opportunity for us to follow Him as we read and to identify with the disciples as their knowledge of Him continues to expand It is our opportunity to get to know the heart of the Savior and to fellowship with Him through His Word If men of old found their hearts set on fire as they listened to Him teach in person Luke 24 32 so we will find our hearts warmed as we seek to listen to Him through this Gospel I challenge you to join me in making the Gospel of John the subject of your study May God use it to help you see and serve Jesus Christ as the Lamb of God who takes away the sin of the world John 1 29 Luke 6:40 and the Theme of Likeness Education in the New Testament Thomas W. Hudgins, 2014-01-07 What does Jesus mean when he says A disciple is not above his teacher but each disciple after being fully trained will be like his teacher Luke 6 40 This verse has been quoted cited and referenced in vast amounts of Christian education and discipleship literature Nevertheless the verse is nearly untouched in exegetical discussions with the exception of source critical analyses From this verse arises an undeveloped theme in the Gospel of Luke and the New Testament the theme of likeness education Using content analysis methodology Luke 6 40 one of the keystone passages in Christian education literature serves as the starting point for mining out the theme of likeness education in the New Testament This study consists of three concentric areas of investigation 1 Luke 6 40 and its immediate context 2 Luke Acts and 3 the New Jesus in Johannine Tradition Robert Tomson Fortna, Tom Thatcher, 2001-01-01 This volume explores Testament corpus the distance historically and theologically between the historical Jesus and the Gospel of John Essays on these topics are provided by 27 authors from a variety of backgrounds Navigating Your Perfect Storm Bob Wenz, 2013-11-21

relationship between the Johannine Christology and the Gospel's teaching on discipleship A narrative reading of selected passages from chapters 1 12 of John the prologue Jesus first disciples the first sign at Cana the man born blind and the I Am sayings indicates John's tendency to present christological teaching that leads to teaching on discipleship The reading of these passages also identifies the elements that indicate the christological character of Johannine discipleship The author s exegesis of John 17 confirms that John s teaching on Christology and discipleship are intimately interrelated to each other All the elements that indicate the christological character of discipleship are on display in John 17 The author concludes that Christology which is the center and heartbeat of John's thought is not an end in itself but leads to discipleship The twofold message of Christology and discipleship is a distinctive Johannine trait Sanctification as Set Apart and Growing in Christ Margaret Elizabeth Köstenberger, 2023-05-05 A Biblical Theology of Sanctification from Genesis to Revelation God s holiness and the sanctification of his people are key themes throughout the biblical narrative In this addition to the Short Studies in Biblical Theology series Marny K stenberger explores the topic of sanctification being set apart by God for holiness which is the impetus for a believer's God given mission Surveying the Bible from beginning to end K stenberger teaches that sanctification is a trinitarian enterprise God creates humanity in his holy image Christ delivers them from sin and the Spirit applies the benefits of Christ's saving work restoring the original image in Christ At the core a believer's union with Christ and their experience of abiding in him powerfully propels their growth in holiness Short Studies in Biblical Theology Part of a series designed to give readers accessible volumes on God s word other volumes include Resurrection Hope and the Death of Death The Sabbath as Rest and Hope for the People of God and more Analyzes the Word Sanctification in Both Hebrew and Greek Helps Readers Understand How the Old and New Testaments Relate to Each Other **Johannine Studies** 1975-2017 Francis J. Moloney, 2017-03-13 The voice of Francis J Moloney has been heard in Johannine studies for many decades This volume gathers shorter journal articles from a publishing career that began in 1975 placing them together with new studies that appear for this first time and thus complementing Moloney's already well known commentary and scholarly monographs on the Fourth Gospel The author's work has encompassed all areas of Johannine scholarship the world that produced and first received the Fourth Gospel its theology and Christology and critical analysis of much discussed passages Well known for his extensive use of narrative and reader response criticism Francis J Moloney has in more recent years developed an interpretation of the gospel which suggests that the author's of this narrative regarded their work as the completion of scripture This unique collection therefore not only provides the past publications of a significant Johannine scholar but also reflects the development of Johannine scholarship from 1975 until today **Determinism and Petitionary Prayer in John and the Dead Sea Scrolls** Emmanuel O. Tukasi,2008-07-08 Tukasi explores the theme of the determinism as articulated in the Rule of the Community and the Fourth Gospel with the aim of uncovering the relevance of petitionary prayer within the framework of the determinism of each book Chapter one sets out the background against which the themes

of determinism and petition in 1QS and John should be understood Chapter two explores the nature of the determinism in the 1QS The determinism is cosmological soteriological and eschatological Chapter three demonstrates that the contents of the petitions are in harmony with the determinism articulated in 1QS In our study of the Fourth Gospel chapter four demonstrates that the determinism in John is concerned with the predestination of certain people who are designated as the given ones of the Father It also shows that the determinism of the Fourth Gospel is concerned with the mission of the Son Chapter five analyzes the petitions in John against the background of Johannine determinism It argues that the petitions are shaped by the determinism articulated in the text The conclusion sums up the similarities and differences between John and 1QS in their expression of determinism and petitionary prayer and draws attention to the implications on previous and future scholarship on the relationship between John and the Scrolls
