Farewell to God Charles Templeton, 2011-01-14 For more than twenty years Charles Templeton was a major figure in the church in Canada and the United States During the 1950s he and Billy Graham were the two most successful exponents of mass evangelism in North America Templeton spoke nightly to stadium crowds of up to thirty thousand people However increasing doubts about the validity of the Old Testament and the teachings of the Christian church finally brought about a crisis in his faith and in 1957 he resigned from the ministry In *Farewell to God* Templeton speaks out about his reasons for the abandonment of his faith In straightforward language Templeton deals with such subjects as the Creation fable racial prejudice in the Bible the identity of Jesus of Nazareth Jesus' alienation from his family the second class status of women in the church the mystery of evil the illusion that prayer works why there is suffering and death and the loss of faith in God He concludes with a positive personal statement I Believe **John** Andreas J. Köstenberger, 2004-12 A substantive commentary on the Gospel of John that will help pastors students and teachers understand and explain this key New Testament book

The Seven Prayers of Jesus Laszlo Gallusz, 2017-07-20 Millions of Christians believe that prayer is the breath of the soul on which depends the quality of their spiritual life The reality however is that genuine prayer is something we need to learn repeatedly We share the helplessness of the disciples who asked Jesus Lord teach us to pray Luke 11:1 This volume focuses on the praying of Jesus Christ in the New Testament The Seven Prayers of Jesus investigates his prayers in their

literary and socio historical context and points to their theological significance and relevance for today Laszlo Gallusz hopes that this work will not only provide a fresh biblical perspective on the prayers of Jesus but also become a source of inspiration for our own prayer lives Dr Gallusz s engagement with Scripture shows his mastery of the biblical topic Yet he also writes with the heart of a pastor applying his insights to the life of the individual Christian and also that of the church This book will enrich the intellect and nurture the spirit of all those who read it I recommend it wholeheartedly Laurence A Turner Principal Lecturer Emeritus in Old Testament Newbold College Bracknell UK *Golden Gleams of Thought* ,1883

The Local Church Edward Klink,2021-10-27 How God Ministers to His People and the World through the Local Church The church is more than coffee with friends it s a meaningful gathering of Christians that involves fellowship and growing in biblical truth Given the rise of the internet and the availability of streaming church services many ministry leaders and church members are asking questions about the purpose and mission of the local church What is the church Why does the church exist How does the church function What is the connection between the Christian and the church Pastor and trusted scholar Edward Klink III addresses these questions and more with a thoughtful assessment of what the Bible has to say about God s intention for the local church body Klink stresses its importance as God s way of revealing his presence displaying his power fulfilling his purposes and manifesting his activity in the world In today s hyperindividualized culture this book not only demonstrates why it s vital for individuals to connect to a local church but also reveals why it s vital to God s work in the world

The Student's Life of Christ Frank Knight Sanders, 1907 **Jesus, the New Testament, and Christian Origins** Dieter Mitternacht, Anders Runesson, 2021-02-25 An introduction to the New Testament in its historical context with an overview of interpretative approaches and exegetical exercises In this up to date introduction to the New Testament twenty two leading biblical scholars guide the reader through the New Testament s historical background key ideas and textual content Seminarians and anyone else interested in a deep understanding of Christian Scripture will do well to begin with this thorough volume that covers everything from the historical Jesus to the emergence of early Christianity The contributors stress the importance of Christianity s emergence within and from Second Temple Judaism Unique to this book is a special focus on interpretative methods with several illustrative examples included in the final chapter of various types of scriptural exegesis on select New Testament passages Readers are guided through the hermeneutical considerations of a historical text oriented reading a historical analogical reading a rhetorical epistolary reading argumentation analysis feminist analysis postcolonial analysis and narrative criticism among others These practical hands on applications enable students to move from an abstract understanding of the New Testament to a ready ability to make meaning from Scripture **The Johannine Discourses and the Teaching of Jesus in the Synoptics** Philipp F. Bartholomä, 2012-07-18 Die negative Beurteilung der

Authentizität der johanneischen Jesusreden basiert häufig auf der Annahme erheblicher Gegensätze zwischen Johannes und den Synoptikern. Allerdings wurde ein sorgfältiger Vergleich zwischen den Jesusworten des Johannesevangeliums und denen in Matthäus, Markus und Lukas bisher nicht durchgeführt. Vorliegende Studie gelangt durch einen detaillierten Vergleich zu dem Ergebnis, dass die Reden Jesu im vierten Evangelium zwar in einem spezifisch johanneischen Wortlaut formuliert sind, auf inhaltlicher Ebene aber in bedeutendem Maße mit der synoptischen Lehre Jesu übereinstimmen. So lässt sich zeigen, dass die Authentizität der johanneischen Reden nicht aufgrund einer vermeintlichen Unvereinbarkeit mit den Synoptikern in Abrede gestellt werden kann.

History The Parker Society For the Publication of the Works of the Fathers and Early Writers of the Reformed English Church was formed in 1840 and disbanded in 1855 when its work was completed. Its name is taken from that of Matthew Parker, the first Elizabethan Archbishop of Canterbury, who was known as a great collector and preserver of books. The stimulus for the foundation of the society was provided by the nineteenth Century Tractarians. Some members of this movement, e.g. R. H. Froude, in his *Remains* of 1838, spoke most disparagingly of the English Reformation. Really, I hate the Reformation and the Reformers more and more. Keble could add in 1838: 'Anything which separates the present Church from the Reformers I should hail as a great good.' Protestants within the Church of England therefore felt the urgent need to make available in an attractive and accessible form the works of the leaders of the English Reformation. To many, it seemed that the Protestant foundations of the English Church were being challenged like never before. Thus the society represented a co-operation between traditional High Churchmen and evangelical churchmen, both of whom were committed to the Reformation teaching on justification by faith. Subscribers were also involved in the erection of the Martyrs Memorial in Oxford, although this was as much anti-Roman Catholic as anti-Tractarian. The society had about seven thousand subscribers who paid one pound each year from 1841 to 1855; thus for fifteen pounds the subscribers received fifty-three volumes: the General Index and the Latin originals of the 1847 Original Letters relative to the English Reformation, being special subscriptions. Twenty-four editors were used, and the task of arriving at the best text was far from easy. The choice of publications was controversial, and some authors and works were unfortunate not to be included in PS volumes. While some of the volumes have been superseded by more recent critical editions, today this collection remains one of the most valuable sources for the study of the English Reformation.
