Bean,2023-03-31 In 1926 Harold Keltner a YMCA Boys Work secretary from St Louis and Joe Friday a member of the
Canadian Ojibwe First Peoples channeled white middle class fascination with Native Americans into what became the Y
Indian Guides youth program engaging over a half million participants across the nation at the height of its 77 year history
Intended to soften the stereotypical stern father the program traced a complicated thread of American history touching upon
themes of family race class and privilege The Y Indian Guides was a father son and later parent child program that
encouraged real and enduring bonds through play and an authentic appreciation of family While playing Indian seemed
harmless to most participants during the program s heyday Paul Hillmer and Ryan Bean demonstrate the problematic nature
of its methods In the process of seeking to admire and emulate Indigenous Peoples Y Indian Guide participants often
misrepresented American Indians and reinforced harmful stereotypes Ultimately this history demonstrates many ways in
which American culture undermines and harms its Indigenous communities **America** ,1924 The Jesuit review of faith and
