**Fashionable Encounters** Tove Engelhardt Mathiasen, Marie-Louise Nosch, Maj Ringgaard, Kirsten Toftegaard, Mikkel Venborg Pederson, 2014-05-30 At the heart of this anthology lies the world of fashion a concept that pervades the realm of clothes and dress appearances and fashionable manners interior design ideas and attitudes Here sixteen papers focus on the Nordic world Denmark Norway Sweden Finland Iceland the Faroe Isles and Greenland within the time frame AD 1500 1850 This was a period of rapid and far reaching social political and economic change from feudal Europe through political revolution industrialisation development of international trade religious upheaval and technological innovation changes impacting on every aspect of life and reflected in equally rapid and widespread changes in fashion at all levels of society These papers present a broad image of the theme of fashion as a concept and as an empirical manifestation in the Nordic countries in early modernity exploring a variety of ways in which that world encountered fashionable impressions in clothing and related aspects of material culture from Europe the Russian Empire and far beyond The chapters range from object based studies to theory driven analysis Elite and sophisticated fashions the importation of luxuries and fashion garments christening and bridal wear silk knitted waistcoats woollen sweaters and the influence of the whaling trade on women s clothing are some of the diverse topics considered as well as religious influences on perceptions of luxury and aspects of the garment trade and merchant inventories      *Contemporary Doll Stars* A. Glenn Mandeville, 1992 Insight into the world of modern doll collecting      Fashion Dolls Exclusively International Bob Gardner, Robert Gardner, 1997 A treasure trove of Barbie RM Cindy and other International dolls While the similarities of these international dolls to the American Barbie RM doll are great the differences are phenomenal Wilder hair more elaborate facial features unique costumes Identifying aides include complete descriptions of the costumes years produced and series numbers 380 color photos      **Dealing with Dominance** Nauta Dutilh (Firm), 2004-01-01 A prohibition of the abuse of dominance is an essential provision in any country s competition law The purpose of such a prohibition is to protect competition where it is potentially weakened by the presence of dominant market players If applied immoderately however this prohibition is liable to seriously harm competition rather than protect it In this useful compilation local practitioners and academics in twelve countries provide a detailed summary and analysis of the application of their countries law in this area drawing on the experience of national competition

authorities in dealing with market dominance as well as a wide range of legislation administrative regulations and case law Nine EU member states are covered as are Australia New Zealand and the United States Although contributors were specifically asked not to compare their national provisions with Article 82 EC the book nevertheless provides useful insight on that article as well National borderline cases of the kind described here help to clarify the application of Article 82 EC especially considering that the case law on this provision is often controversial Dealing with Dominance is a useful reference tool for the application of the national counterparts to Article 82 EC in Europe and beyond and answers a basic practical need of both national and international competition law practitioners This book can also be seen as an especially important contribution to the comparative analysis of an increasingly crucial area of economic law

Reinhard, 2017-09-20 Current characters in children s entertainment media illustrate a growing trend of representations that challenge or subvert traditional notions of gender and sexuality From films to picture books to animated television series children s entertainment media around the world has consistently depicted stereotypically traditional gender roles and heterosexual relationships as the normal way that people act and engage with one another Heroes Heroines and Everything in Between Challenging Gender and Sexuality Stereotypes in Children s Entertainment Media examines how this media ecology now includes a presence for nonheteronormative genders and sexualities It considers representations of such identities in various media products e g comic books television shows animated films films children s literature meant for children e g toddlers to teenagers The contributors seek to identify and understand characterizations that go beyond these traditional understandings of gender and sexuality By doing so they explore these nontraditional representations and consider what they say about the current state of children s entertainment media popular culture and global acceptance of these gender identities and sexualities

**Popular Culture** Marcel Danesi, 2012-08-03 Pop culture surrounds us Its products are the movies we watch the music we listen to and the books we read they are on our televisions phones and computers We are its fickle friend loving to hate it and hating to love it But what exactly is it Popular Culture Introductory Perspectives seeks to answer that question by exploring our human desire for meaning and the ways that pop culture embodies meaning for us In this text Marcel Danesi delves into the social structures that have led to the emergence and spread of pop culture showing how it validates our common experiences and offering a variety of perspectives on its many modes of delivery into our everyday lives The second edition offers analysis of current contexts for popular culture including

the rise and dominance of the digital global village through technology and social media as well as up to date examples that connect with today's students

The Fashion Doll Juliette Peers, 2004-06 Feminists have argued that the Barbie doll perpetuates unrealistic standards of feminine beauty and undermines the credibility of women Yet for every mother who disapproves of Barbie there is a young daughter who adores her Barbie has enjoyed a prosperous and important history in Western culture but she is simply the most high profile of a series of iconic dolls produced in the past 150 years For the first time this history is explored to reveal how intimately connected dolls have been to fashion and culture from their early history right up to the present day The prominence of haute couture in popular culture suggests that the link between fashion marketing and dolls should be an obvious one Yet to date this connection has not been adequately interrogated Peers original and shrewd analysis fills a major gap in cultural studies by examining the doll's associations with concepts of femininity and fashionability Publisher
